Dear Bro. & Sis. Mincks,

It has been the most wonderful year, and I enjoy the way you teach, Bro. Mincks. May the Lord keep His hand on you and your wonderful family. You have all been a real blessing to me and I hope to see you all next year.

Love in our Wonderful Lord,

Brother & Sister Mincks

May God richly bless you in the future. I have thoroughly appreciated you for a teacher and for the way you expound the precious truthes from the bible. Your whole personality shows that you serve a risen and live savior. I have learned especially this year the importance of being in the center of the Lords will. Thanks for the tips in basketball & the support of the team. God Bless you both

Dear Bro. & Sis. Mincks,

I have greatly appreciated getting to know you both. My heart has been challenged time & again by your classes, your talks in prayer band, our talks about Indians & lost souls, but most of all by the example of your lives. Your tests seemed harder than any other teachers, but I have retained more & that is what I am here for (so let that be an inspiration to you. ok.ok.)

I'll always remember you & as I labor for the Lord among the Indians, I'll be praying silently for you.

Love in Christ
