L. E. Englar, born near Minot, N. Dak., on April 18th, 1905, spent the early years of his life on the farm. His mother was a widow, which necessitated his remaining with her and to help make the family living. He graduated from the Surrey High School in 1923, and took the required Normal training to obtain a First Grade Elementary Teacher's Certificate. He was born into the family of God in 1933, and called to preach the same year. After serving in various capacities, he was ordained to the ministry in July, 1947. He served outstations from Minot for about seven years, and then accepted the pastorate at Stanley, N. Dak. Here God laid the vision for the Lakewood Park Bible School on his heart, and he is teaching there at the present time. He is also serving Secretary-Treasurer and Business Manager of the Bible School.
