On the door of Bro. W.H. Kesler's office you will find a small sign which says "WELCOME". You find a warm welcome on the other side of the door, too. All the students feel free to go into Bro. Kesler's office and talk over problems that seem to appear from time to time. The only time we do not feel free to go in is when we see that sign turned. On the side opposite "WELCOME", it says "PRAYER" and we know that he is communing with a very dear Friend.

Bro. Kesler is Dean of our school; teaches 12 subjects and is one of the District Presbyters plus being pastor of the Tokio Assembly of God Church, Tokio, No. Dak.
