R--i--n--g! ! The hurried footsteps of Miss Mildred Duncklee are heard on the stairs as she rushes to answer the telephone. Sis. Duncklee isn't very big, but she certainly gets things done.

She teaches 14 subjects besides being Radio Pianist; helping Bro. Riffe in the office; filling the position of State Sunday School Representative; and having charge of the Soul Clinic work at L.P.B.S.

Miss Duncklee is a Soul Clinic enthusiast. She has a real burden for souls and burning desire to win the lost for Christ.
