

# dedication

It is with deep appreciation that we dedicate this edition of "The Pioneer" to Bruce S. Williams. His wisdom and life have been a great blessing to us throughout our time in Lakewood Park Bible School. We think especially of his interest in the individual student and his keen desire that each one might succeed in life. He has contributed to the spiritual, educational and social activities of all.

We pray that God's richest blessing may continue upon his life.

The Seniors
