

Board of Directors

At the close of this, the eighth year of Lakewood Park Bible School, we are happy to present our seventh annual year book. As we look back over the eight years we think of many mountain peaks of blessing both financially and spiritually. Our school is dedicated to the task of instructing our youth in the knowledge of the Word of God. To date one hundred fifteen students have been ministered to for one semester or more within our class rooms. Of these a goodly number have found their places in active service either as pastors or helpers in the work of the local churches.

It is essential that the student have a solid foundation in sound theology. We teach that the Bible is the final source of authority on matters religious. The doctrines of salvation, of God, of Christ, and of the Holy Spirit are clearly presented. Bible Prophecy, Ages and Dispensations, Divine Healing, Pastoral Theology and Typology have their place in the curriculum.

In addition to the above subjects which are more strictly theological we cover the contents of the entire Bible under such headings as Pentateuch, Bible History and Geography, Wisdom Literature, Old Testament Prophets, Gospels, Acts, Life of Paul, Epistles of Paul, Hebrews, General Epistles, Epistles of John and Pastoral Epistles. We find out how we get our Bible in a course called Bible Introduction and how to use our Bible in a course called Personal Evangelism.

Courses classified as Christian Education include Child Study, two courses on the Sunday
