"Ye also helping together by prayer for us . . ."
II Cor. 1:11

"Give me a passion for souls, dear Lord" is really fulfilled as the students look into the eager faces of the aged, go door to door, hold a service, or teach Sunday School. About seventy persons were gladdened by song and word in the four homes for the aged of Lakota and Devils Lake; outstation services were conducted in Edmore and New Rockford.
