BROTHER KESLER

Reverend W. H. Kesler, the Dean, is a man of experience and wisdom and, most of all, patience. His education coupled with his practical experience makes him a chief asset to the Bible School. Brother Kesler acquired his education at Minot Teachers College, Bethany Bible Seminary, and Crane Junior College. His experience includes rescue mission work in Chicago, public school teacher for one year, and a pastor for the past 18 years. He has been with this school from its beginning four years ago.

Subjects taught are Soteriology (doctrine of salvation), I, II, III; Prophecy I, II; and Pneumatology (doctrine of the Holy Spirit). He has also the duty of keeping the scholastic records and grades of the school and the arrangement of the course of study through the year.

In addition to his teaching, Brother Kesler, as Dean of the School, bears the responsibility of the student welfare and discipline, and for this task his spirit qualifies him well. He well fulfills the scripture "Gentle unto all, apt to teach, patient," 2 Tim. 2:24.

Besides his school responsibilities, Brother Kesler is pastor of the Tokio Assembly and a district presbyter. All this serves to make his life one of the fullest in service and responsibility in the school.
