Rev. G. L. Riffe
Business Manager

BROTHER RIFFE

Our Business Manager, Reverend G. L. Riffe, now completes his fourth year at L. P. B. S. He has served in several capacities, chiefly as treasurer and business manager, and as a teacher. His duties also have included the ministry dear to his heart—the Radio Broadcast—and the task of editor of the school annual, besides the work supervision in the cafeteria and about the school. His school subjects this year are Life of Paul, Acts, and Pulpit Conduct. Along with teaching, he has taken an active part in recreational activities for the students.

Brother Riffe attended High School at Leeds, North Dakota, and at Waverly, Minnesota, and received special training in Chicago, Illinois. His business experience includes working for a large mail order firm in St. Paul, Minnesota, and two grocery firms.

In addition to Brother Riffe's school responsibilities he is a General Presbyterian, the District Secretary-Treasurer, and District C. A. Treasurer, and is also editor of the "District Echoes." All this serves to make him every day one of the busiest men in the school.
