Mr. Bruce Williams

BROTHER WILLIAMS

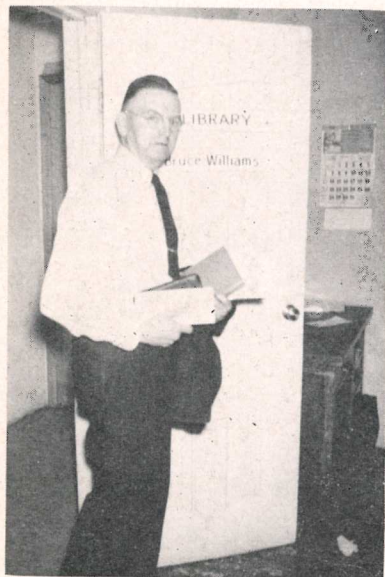

Brother Williams is a man whose training and experience is a great blessing to the students of Lakewood Park Bible School. He is a graduate of McPherson College, McPherson, Kansas.

He is an experienced teacher, having held the positions of principal of Egeland, North Dakota, High School for two years, teacher in public schools for 16 years, and in Humbolt Business College, Minneapolis, Minn., for two years.

His subjects in L. P. B. S. are Divine Healing Typology, English, Church History, Missions Polemics, Hermeneutics, Parliamentary Law, Gospels, Epistles of Paul, Pastoral Epistles, General Epistles, Corinthians, and Rudiments of Study. In addition to teaching, he is in charge of the chapel services and edits the school paper *Lakewood Leaves*.

The students can avail themselves at any time of the reservoir of knowledge of this man of God. Brother Williams is available at all times for extra help outside of class.

An outstanding fact in the life of Brother Williams is that everyone of his seven children have entered some phase of gospel work—two missionaries, Bible School teachers, pastors' wives, and a district superintendent's wife. Surely a man of this caliber is worthy of such a position—guiding the lives of Christian young people.
