

Faculty

Mrs. W. H. Kesler

SISTER KESLER

Sister Kesler, our Dean of Women, attended Bethany Biblical Seminary, of Chicago, for three years. Her experience as a teacher in mission work in Chicago and as a pastor's wife and a mother more than qualifies her to teach Child Evangelism, Teachers' Training, and Vacation Bible School. She is a great blessing to L. P. B. S.

The students look forward to seeing her smile and hearing her soft voice, as she brings them practical and educational information on how to win, teach, and train children in the way of God.

REPORTING FOR DUTY

SISTER RIFFE

When we hear a cheerful "God bless all of you," we know Mrs. G. L. Riffe has just finished another class in Child Study, or has taught the organization of Sunday Schools in Sunday School Methods. Her smiling face brings a spirit of friendliness and welcome to the class.

She is the secretary-treasurer of the State Women's Missionary Council, besides acting as secretary to the District Treasurer and caring for the mailing of the *District Echoes*. She received her education at Minnewaukan High School and Dakota Business College, Fargo, North Dakota.

At times we get a taste of her good cooking, as she takes a turn in helping in the kitchen.
