

Dedicated to L. P. B. S.

on Her 10th Anniversary

for all she has meant to us, the memories never to be forgotten, the friendships made, the scriptural truths learned and the spiritual blessings received; her teachers who have faithfully taught the Word of God and have led us into paths of service, some since her beginning ten years ago; others for a shorter time; her Alumni who have attended her classes in the past ten years and continue to faithfully support the school.

To you, L.P.B.S., your teachers and your alumni, we dedicate the 1958 Pioneer.
