

Three years of school have now gone by for Bill Graves. He entered school as a freshman -- single and eager, and will leave a graduate and married. Throughout his school life Bill has always shown a willingness to assist in whatever need presented itself, even if it took part of his free time. He was also active in orchestra and on social committee. We know Bill's future will be one of happiness and success as he follows Christ his Saviour.

FLOYD LE POIDEVIN  
Deer Park, Wash.

This eligible bachelor hails from Deer Park, Wash. He has been the faithful manager of our school candy for the past two years. He has also been one of the mechanics, which has been one of his favorite pastimes. He has been very active in trios, quartets, and other school activities. He is now leaving Bible school to enter the world of life. May God's blessing be upon him in everything he does.
