Bro. Mincha,
I have enjoyed
knowing you for these
two years. The time you
could not be teaching a service
subject, but that's the way it goes.
God bless you as you labor for
him.

Bro & Sis Mincha,
It has been a joy being here at
school this year & knowing you. I
especially enjoyed going to the reservation.
May the Lord richly bless you as
you continue in His way.

Bro & Sis Mincha,
I have been so wonderful having you
as a teacher Bro. Mincha and then to
be able to go with you both to the Indian
P. I'll remember you in my prayers as
you labor here and I pray you'll remember
me as I labor in Kodoka. Your lives
are very Christ-like and are a testimony
to me. God Bless
you & yours & the
work. In Him
