*Bro. Wartenbee,
 Have enjoyed very much being in your

*Bro. Wartenbee
 I enjoy being in your class
 and am glad it doesn't
 snow sometimes you see
 me because we got plenty
 of that may God richly
 bless your abiding work*

 CENTER - Carl Klien from Gregory, S. Dak.
 RIGHT - Marleen Mercer from Blunt, S. Dak.
 Shirley Davis from Wichita, Kansas, picture not available.

These four students were welcomed this year at the beginning of a new semester, starting January 8, 1962. We have enjoyed having them here to share the blessings of God with us and the rich teaching of the Bible.

We always welcome and appreciate mid-term students, they become a part of the school in just a short time.

*Bro. Wartenbee,
 I was privileged to sit
 under your ministry this
 semester and hope to
 see you sometime. May the Lord
 bless you as you labor
 in His name.
 In Christ
 Marleen
