*Dear Bro. & Sis. Mincho,  
My I'm really glad I had the opportunity to come back to H.C.B.S., it's really been a blessing to me, to study God's word, to feel God's presence, and have such wonderful Christian fellowship. I've enjoyed going to the Indian Reservations, all the joking and teasing. I've really enjoyed your teaching, especially memorizing scripture, I wish you would've made us learn more. May God Bless you in my prayer as you minister his word. Because of Christ,
