

We, the 1963 Senior class of Hub City Bible Institute, wish to dedicate this edition of our Witness to you, our parents, who have faithfully guided us to this point in our lives. We are grateful to God for giving us parents who have employed on our behalf prayer, understanding, and discipline to effect our proper development. We are thankful to have had you near us when we needed you, to be our guides when we might have strayed, to be our help when our courage was dimmed, and to be our companions when all others failed. Your influence has helped to bring us to this, the threshold of our calling, and has helped to fit our lives into our chosen vocation. As we dedicate this WITNESS to you, we pray that God will bless you, and that He will instill within our lives the desire, wisdom, and courage to teach those who follow us.
