## Practical Works

### TEEN CHALLENGE PRAYER GROUP

Pres. ----- J. Floyd  
 V. Pres. ----- S. Vaudrey  
 Sec. ----- K. LaRosa

Meeting twice a week to pray for the needs of Teen Challenge, this group has seen God answer prayer.

**HUB CITY SOUL CLINIC:** We are happy to see this group find its beginning this year. The purpose of this ministry is to reach young people with the gospel. Those wanting to go out and talk to people on the streets about their spiritual needs were required to spend one hour each day in prayer. It has been inspiring to hear of and see the many results of this faithful group.

**INDIANS:** It has also been our privilege to travel to the Indian reservations and bring them the Word of God. Rev. Owen Mincks, one of our teachers, is a missionary to the Indians. Many of us have learned of the needs in this field because of his burden and compassion for these people. It is our prayer that these, the Indians of our country, may find Jesus Christ as their personal Saviour.
