

REV. AND MRS. W. H. KESLER

## Dedication

We, the Seniors of 1966, wish to somehow express our appreciation and admiration to You, BROTHER AND SISTER KESLER,

It is not possible for us to express our gratefulness in mere words. Thus, it is our desire, that as we leave to enter His service, we may ever bring honor to the name of Jesus. And in so doing, show our thankfulness to you for all your efforts on our behalf these past three years.
