Dear Bro. & Sis Mincks,  
I certainly have enjoyed knowing  
you this year. Thank you so much  
for giving me the opportunity to go  
to the Reservation and help minister  
God's Word there with you. I also  
want to thank you for your kind  
hospitality when we came out to visit  
you. I really enjoyed myself. I have  
a special place in my heart for  
you and your family. I can truly  
say that Bro. Mincks is my favorite  
teacher. May God richest blessings rest  
on you and your family.  
In Christ

Bro. Mincks,  
I have greatly  
enjoyed sitting under  
your teaching. You  
have inspired me but  
I always admired what  
it is so important to  
be lead by the Holy  
Spirit. In our God Bless  
you and your family.  
See you next year.
