Dedication

We, the Seniors, dedicate the 1967 Messenger to the faithful and busy cooks of Hub City Bible Institute. Many hours of preparation are used every day to feed the hungry students, and we deeply appreciate their services to the school and to the Lord.

Sis. Aldinger has been with us for nearly seven years. She has carefully planned the daily menus and wisely prepared the meals.

Sis. Miller, relief cook and "great pie maker", has been a cook for eleven years. Her cheerful disposition in the kitchen makes the great task easier.

Sis. LePoidevin our newest cook has realized that her recipes have to be expanded many times. We welcome her to this big family.

May the Lord bless their labors and add strength to them for the days ahead.

Love Mary

*Bas. & Sis. Munkel,
This year has truly been great & I feel how really blessed
in a mighty way. I have enjoyed your ministry, Bas.
Munkel, ever if you don't take 5 points off my paper for
kidding my big mouth too much.
God bless you and keep you as you work for Him.*
