

# *Dedication*

With deep respect and appreciation, we, the Senior class of 1969, wish to dedicate this yearbook to the first full time president of Trinity Bible Institute, Roy H. Wead.

Although few were personally acquainted with you, Brother Wead, prior to the convening of the school term, you rapidly gained and now maintain the highest esteem in the hearts of all who have had the privilege of being under your Anointed ministry and leadership.

Your life is a source of inspiration to the students and faculty; it is our prayer that the blessing of God and confidence of men shall continue to follow your life of exemplary service for the Master.
