

We dedicate this annual to you, Paul Davidson, because you have dedicated yourself to us.

Your ability as a teacher is surpassed only by your ability to instill desire, hope and anticipation in a Christ led future.

Our future has been enriched by your past. That which you gained in sorrow, hardship, and tears we receive with humility, joy and thankfulness.

Your footsteps have given us direction. Because of your life we have been encouraged to fully dedicate ours to Christ and this yearbook to you.
