

Banquet

The highlight of the Senior year is the formal spring banquet hosted by the Juniors. Last year the banquet area was transformed into a Roman garden with guards at the flowered archway entrance. Tables were served by Grecian maids, topiary trees were in full bloom, flaring torches mingled with the candlelight, Roman pillars surrounded a garden complete with a fountain and a beautiful mural. All were effective in their purpose of turning back the clock to the time of Jesus. Pastor Wartenbee of Springfield, Missouri was the guest speaker. He was pastor at HCBI when the 1969 Seniors were Freshmen. "TC" Derheim, Master of Ceremonies for the occasion, presented Decoration Chairman Ramona Bunch with a gift in appreciation for a job well done. At the request of President Wead, the same theme was adapted for the Homecoming Banquet at the close of the year.

Rev. W. Millington, D.D., Th.D., former Dean of College in Sussex, England for over 20 years will be joining the faculty at TBI for the third quarter which will be in session March 30 through June 19. Rev. Millington has been one of America's most popular Pentecostal Bible teachers, radio and T.V. personalities. An extended term of three months is being added to TBI curriculum. This does not change the original intent of TBI as a six month school, but provides for an in depth Bible study for the present student body, former students and alumni. Credit hours will be given.
