One glance into the office of Bro. G.L. Riffe is enough to convince one that he doesn't spend his time in useless activity. You see, he is the Business Manager of L.P.B.S.; teaches 9 subjects; and, as you all know, is the Sec'y-Treas. of the District.

Do you listen to the broadcast from L.P.B.S. each Sunday morning? That's another of Bro. Riffe's jobs ----- he is the Bible School Radio Pastor.

## Faculty

On the door of Bro. W.H. Kesler's office you will find a small sign which says "WELCOME". You find a warm welcome on the other side of the door, too. All the students feel free to go into Bro. Kesler's office and talk over problems that seem to appear from time to time. The only time we do not feel free to go in is when we see that sign turned. On the side opposite "WELCOME", it says "PRAYER" and we know that he is communing with a very dear Friend.

Bro. Kesler is Dean of our school; teaches 12 subjects and is one of the District Presbyters plus being pastor of the Tokio Assembly of God Church, Tokio, No. Dak.

R--i--n--g! ! The hurried footsteps of Miss Mildred Duncklee are heard on the stairs as she rushes to answer the telephone. Sis. Duncklee isn't very big, but she certainly gets things done.

She teaches 14 subjects besides being Radio Pianist; helping Bro. Riffe in the office; filling the position of State Sunday School Representative; and having charge of the Soul Clinic work at L.P.B.S.

Miss Duncklee is a Soul Clinic enthusiast. She has a real burden for souls and burning desire to win the lost for Christ.

*Rev. Paul M. Malm*

Brother Paul Malm is new at L.P.B.S this year. When he first came you could tell without a doubt that he had been "Down South!" Brother Malm taught at PENIEL BIBLE INSTITUTE at Stanton, Kentucky last year. Originally, his home was Winnipeg, Canada where he attended the Western Bible College and was graduated from there in 1948.

Brother Malm is the Radio Choir Director --no small job-- besides teaching sixteen subjects. He is also the editor of the L.P.B.S NEWSLETTER.

## Faculty

*Mrs. M. Riffe*

Mrs. Marian Riffe, the wife of our Business Manager, is also teaching this year. The hidden talents are just coming to light. This is the first year that the faculty wives have become part of the faculty.

Sis. Riffe teaches Child Study (she should know something about that, she raised two boys); Prayer and Divine Healing.

When our cook fell and was injured so that she could not work, Sis. Riffe filled in in the kitchen.

I don't know how she does it, but somehow she always finds time for a group of students that just might put in an appearance at any time. Many times, from seemingly no where, she'll produce cookies or some other good thing to eat.

Everyone feels at home at the Riffe's.

## Faculty

Mrs. Caroline Kesler is the wife of our Dean. She is teaching practical subjects on children's work and does a mighty fine job of it, too.

Sis. Kesler is also Dean of Women. All of the girls take their problems to her and somehow, after it has been talked over and prayed over, it doesn't seem half so bad.

A warm welcome awaits one in the Kesler home.

*Mrs. W.H. Kesler*

## Faculty

*Rev. L. J. Butcher*

*Mrs. L. J. Butcher*

Bro. Leonard Butcher taught at L.P.E.S. last quarter, but the church at Columbus, Mo. Dak. decided it wanted him to be pastor so we lost him.

Bro. Butcher taught 4 subjects besides helping around the school. He has been everything from painter to electrician.

Bro. Butcher is always ready for fun, but when it's time to pray, he's just as whole hearted.

## Cook

*Mrs. Rose Thomas*

Scrumpitious meals ?  
I'll say! ! Sis .  
Rose Thomas is our  
cook at the Bible  
School. She has  
been with us for  
three y e a r s now  
and e v e r y one  
agrees that she  
certainly is a  
good cook.

James, her 16 yr.  
old son, is with

*Sis. Thomas + James*

her. All the students enjoy the friendship of  
both "Cook" and "Jimmy".

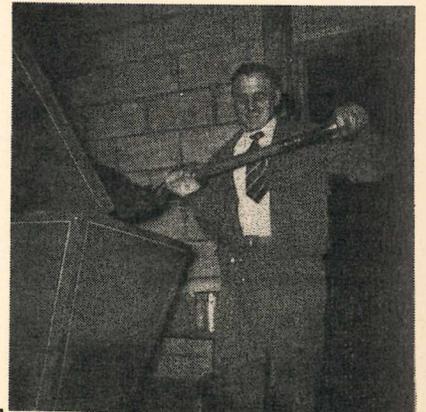

Sis. Thomas is also Secretary-Treasurer of the  
Sunday School at Tokio, N.D.. That's why Sunday  
dinner is always a little late, but no one here  
minds a little thing like that cause we know she  
is doing a good job of being S.S. Sec'y-Treas.
