THEOLOGY

Acts 2:42 states that the saints continued in the apostles' doctrine. In Acts 5:28 they were accused of filling all Jerusalem with their doctrine. Lakewood Park Bible School places strong emphasis on teaching apostolic doctrine and urges its students to go forth and fill our entire territory with these doctrines.

We are told in II Timothy 3:16 that all scripture is profitable. Our Bible School staff is certain that this is true and therefore the subjects taught cover the entire Bible.

CURRICULUM

CHRISTIAN EDUCATION

It is not sufficient just to know the Bible and Bible doctrine. We must also know how to use such knowledge in our dealings with our fellow men. Therefore Lakewood Park Bible School offers the following subjects:

Child Study
Sunday School Methods
Child Evangelism and
Story Telling

Teacher Training
Vacation Bible School
Sunday School Work

PRACTICAL

Then there are those other subjects which are necessary to give the student a well balanced education in his preparation for gospel work. We desire that our graduates may be "thoroughly furnished unto all good works."
