# *Dedication*

In appreciation to the Aberdeen Assembly of God Church and Pastor D. W. Wartenbee, we wish to dedicate the 1961 Witness.

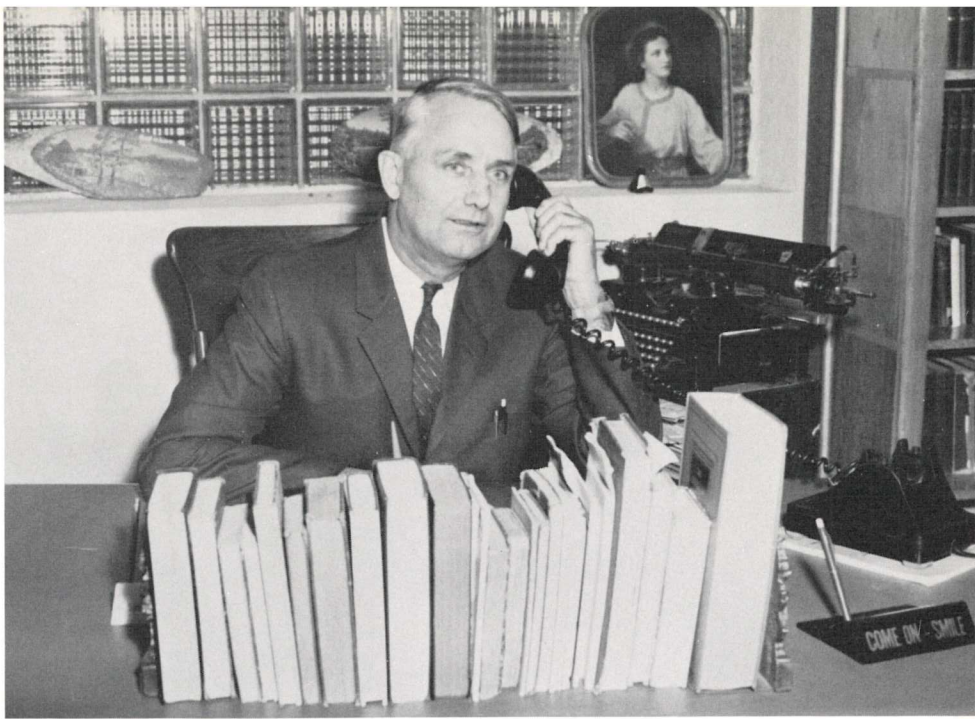

The Senior Class of 1961 appreciates the hospitality and warm welcome we have received.

We take this opportunity to say "Thank You" for opening your doors to Hub City Bible Institute.

# FACULTY

"Hello, this is Bro. Kesler, Dean of Hub City Bible Institute. You want to enroll in our school? We will have an application blank in the mail for you tomorrow. The fall term will begin October 2, 1961. We hope to see you then."

"Let's all stand and sing a chorus." Sis. Kesler, our Dean of Women, has set a fine example as an efficient teacher before her students.

Sis. McIntyre has rated very high with the students, and has a commendable record as an excellent teacher in our school. Along with her teaching responsibilities, she has been a faithful annual advisor for the past three years.

"Just remember I can give F's too." Along with Bro. Miller's sense of humor the students have been richly blessed by his study of the Hebrew and Greek languages, as he is always willing to give forth new truths.

We appreciate the interest that Bro. Mincks has taken in our school. He has proven himself very capable as Practical Works director, and part time teacher.

Besides her many duties as pastor's wife, Sis. Wartenbee has found time to direct the choir and other musical groups.

Their part in practical works is the children's church. They have the children from age two to nine during the morning service. They are capable and reliable and I'm sure the parents appreciate them.

 LaVonne, Dave, and Dick.  
 This is the governing body of our school.  
 Bro. Miller is the advisor. Anything  
 that the students suggest is taken to the  
 student council and then if they agree  
 on it, it then goes to the Faculty. Their  
 decision is final.
