REV. OWEN MINCKS

We, the Senior class of Hub City Bible Institute, dedicate this 1965 Messenger to Bro. Owen Mincks who has served faithfully in the work of our Lord and Saviour Jesus Christ. We are deeply grateful for this brother in Christ, and express a desire that God's richest blessings may be with him.

A farmer and ordained minister of the gospel, Bro. Mincks serves as a missionary to the South Dakota Indians as well as teaching in Hub City Bible Institute. Married and the father of five children, he has taught in H.C.B.I. for the past five years.

As we dedicate this 1965 Messenger to him, we pray that his friendly smile and exemplary life will influence the lives of many and that their lives may be changed through his testimony for the glory of God and for the extension of His kingdom.

Bro. & Sis. Mincks,  
 Both you and  
 your whole family  
 has been a real  
 inspiration to me.  
 Your devotion to  
 Christ is really  
 wonderful. God  
 bless you as you  
 continue to serve  
 Him. In Christ,  
 Jackie

Dear Bro & Sis Mincks,  
 It has been a real  
 privilege to have you  
 as instructor this  
 year Bro Mincks. I  
 have enjoyed your class.  
 In Christ,  
 Jackie

Bro. Miller, well known for his scripture memorization and liberal use of Young's Concordance, will be remembered by the students for private, practical advice along with his "extra truths" and class humor.

Sis. Mac has the big job of instructing new students in the right way. She is a teacher who loves her work because she loves the Person about whom she is teaching as well as those whom she teaches.

Sis. Kesler will long be remembered by the students as promoting enthusiasm in children's work. She is always ready to give a helping hand to all as she faithfully fills her place as the Dean's wife and Dean of Women.

Every Thursday afternoon the H. C. B. I. students are divided into six practical works groups. They hold services in the Americana Nursing Center, the City Rest Home, and the City and County Jails. One group distributes tracts and other Christian literature to hotels, motels, depots, and laundromats. As these groups minister the sixth group remains at school to pray for God's blessing on the other groups. These activities provide an opportunity to put to practice lessons learned in the classroom as well as spreading the gospel throughout the city of Aberdeen.

Another field of service, where students are engaged weekly, is among the Indians on the reservation south of Mobridge. This missionary effort, carried on in the homes of these early Americans, presents a challenge to the students as they present the gospel to them.

*Dr. Minkes  
I have been  
all year reading  
and praying with  
you. I have  
been so  
blessed and  
thankful  
for you.  
I love  
you.
