REV. AND MRS. W. H. KESLER

Dedication

We, the Seniors of 1966, wish to somehow express our appreciation and admiration to You, BROTHER AND SISTER KESLER,

It is not possible for us to express our gratefulness in mere words. Thus, it is our desire, that as we leave to enter His service, we may ever bring honor to the name of Jesus. And in so doing, show our thankfulness to you for all your efforts on our behalf these past three years.

Singing of Jesus

Practical Works is a vital part of our school. Each week, on Thursday afternoons, H.C.B.I. young people bring the gospel to men and women by means of the Scripture, song and personal testimony. As these groups go out to minister, another group gathers at the school to back them up in prayer. Rest homes in Redfield, Ellendale and Aberdeen are visited. Jails, private homes and tract boxes are other avenues of ministry.

We praise and thank God that as we go and sow the Seed, He gives the increase.

TEEN CHALLENGE PRAYER GROUP

Pres. - - - - - J. Floyd
V. Pres. - - - - - S. Vaudrey
Sec. - - - - - K. LaRosa

Meeting twice a week to pray for the needs of Teen Challenge, this group has seen God answer prayer.

HUB CITY SOUL CLINIC: We are happy to see this group find its beginning this year. The purpose of this ministry is to reach young people with the gospel. Those wanting to go out and talk to people on the streets about their spiritual needs were required to spend one hour each day in prayer. It has been inspiring to hear of and see the many results of this faithful group.

INDIANS: It has also been our privilege to travel to the Indian reservations and bring them the Word of God. Rev. Owen Mincks, one of our teachers, is a missionary to the Indians. Many of us have learned of the needs in this field because of his burden and compassion for these people. It is our prayer that these, the Indians of our country, may find Jesus Christ as their personal Saviour.
