Dedication

We, the Seniors, dedicate the 1967 Messenger to the faithful and busy cooks of Hub City Bible Institute. Many hours of preparation are used every day to feed the hungry students, and we deeply appreciate their services to the school and to the Lord.

Sis. Aldinger has been with us for nearly seven years. She has carefully planned the daily menus and wisely prepared the meals.

Sis. Miller, relief cook and "great pie maker", has been a cook for eleven years. Her cheerful disposition in the kitchen makes the great task easier.

Sis. LePoidevin our newest cook has realized that her recipes have to be expanded many times. We welcome her to this big family.

May the Lord bless their labors and add strength to them for the days ahead.

Love Henry

*Bas. & Sis. Munkes,
This year has truly been great & I feel how really blessed
in a mighty way. I have enjoyed your ministry, Bas.
Munkes, ever if you don't take 5 cents off my paper for
reading my big mouth too much.
God bless you and keep you as you work for Him.*

REV. W. H. KESLER, Dean
Bro. Kesler, who has a heavy
daily schedule, takes time each
morning to commune with the
Lord before facing the cares
and problems of the day. His
continual stressing of holiness
and submission has brought a
Godly fear and obedience to
the lives of many students.

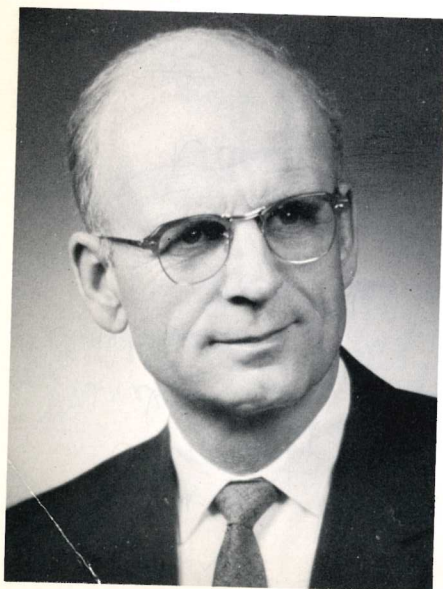

SCHOOL SCRIPTURE: "...be thou in the fear of the Lord all the day long."
Proverbs 23:17

SCHOOL PRAYER: "Search me, O God, and know my heart: try me, and know my
thoughts: and see if there be any wicked way in me, and lead
me in the way everlasting.

Let the words of my mouth, and the meditation of my heart, be
acceptable in thy sight, O Lord, my strength, and my redeemer.

I am crucified with Christ: nevertheless I live; yet not I, but
Christ liveth in me: and the life which I now live in the flesh I
live by the faith of the Son of God, who loved me, and gave
himself for me."

SCHOOL CHORUS: I'll Say Yes Lord

REV. L. A. MILLER
Bro. Miller, whose love for the
study of words, has compelled
him to gain knowledge from the
Word of God. He presents many
"extra truths" to the future ser-
vants of the Lord.

MRS. LOYD McINTYRE
Sis. McIntyre, a woman with
much energy, inspires her stu-
dents to carefully study to de-
velop a desire for the Word, and
to grow in the grace and know-
ledge of our Lord Jesus Christ.

MRS. W. H. KESLER
 Sis Kesler's personal concern is
 that the students realize the
 necessity for teaching as well
 as preaching. As the Dean of
 Women and the Dean's wife she
 successfully fulfills her ministry.

REV. B. C. HEINZE
 Bro. Heinze's practical advice
 for the pastoral ministry has
 prepared many graduates to
 labour unreservedly in the great
 whitened harvest.

REV. D. W. WARTENBEE
 Bro. Wartenbee, with vim, vig-
 or, and vitality in his teaching
 and messages, has challenged
 many to run in the race for the
 prize of their Most High Calling.

Practical Works

Redfield Rest Home

Outstation work at Bowdle

Every Thursday afternoon the students of Hub City Bible Institute are divided into groups to go out on practical works. We go to present the gospel to the people in the rest homes and jails of Aberdeen, Redfield, and Ellendale. One group distributes tracts and Christian literature in the hotels, laundromats, and depots. Another group stays at the school and prays for those who have gone to present the gospel. Practical works has helped many of the students realize the responsibilities of their future ministry and the need of the gospel in the world today.

Another avenue of ministry is to the American Indians on the reservation south of Mobeidge. A group goes there every other week-end to present the gospel message to them.

An outstation work is also being carried on at Bowdle. Every Sunday a different group of students go to Bowdle to hold services at the church. This work has been a challenge to many of the students, who have ministered there.

In answer to the parting, IMPERATIVE command of Christ in Mark 16:15, H.C.B.I. has organized the Hub City Soul Clinic to challenge the spiritual energies of its students. The supreme purpose of this organization is to reach both young and old alike, with the "Gospel able to save", every day of the week. With Jesus Christ as its leader, the Holy Spirit as its power, and the prayer of James 5:16 its key, Soul Clinic has tallied another successful year.

Each of the better than seventy-five members is essential, whether in prayerful support or "on the street witnessing". One hour per day of the "prayer power-pac" is required to participate in weekly witnessing.

Changed lives, both of members and converts, are the greatest testimony of the Clinic's effectiveness.

for giving me the opportunity to go
to the Reservation and help minister
God's Word there with you. I also
want to thank you for your kind
hospitality when we came out to visit
you. I really enjoyed myself. I have
a special place in my heart for
you and your family. I can truly
say that Bro. Mincks is my favorite
teacher. May God richest blessings rest
on you and your family.

Bro. Mincks,
I have greatly
enjoyed sitting under
your teaching. You
have inspired me but
I always admired what
it is so important to
be lead by the Holy
Spirit. In our God Bless

Dear Bro. and Sis. Mincks,
I have appreciated your
consecration to the Lord so
much. Both of you have
given your all to do the
work that God has called
you to. His reward for
you will be great when
you reach the other side.
God bless you.
Love,
Karen

Dear Bro. & Sis Mincks,
I'm glad the Lord lead me
to H.C.B.V. this semester.
I appreciate the teaching of
the Word; the way it is
presented, and most of all
the way it reaches the
hearts and lives of the
students.

May the Lord continue to
bless and guide you.

appreciated getting
to know you and
willing in your

class and teaching

Dear Bro. & Sis Mincks,
May God bless
you both as you
serve Him. I appreciate
P.E. Course so much,
Bro. Mincks. It seemed
to take so long for me
to become interested in
but I could see as you
taught that you will
felt what you were teaching.
Thank you. In Him,
Betty Higgin

Dear Bro. & Sis. Mincks,
I have thoroughly enjoyed
having you as a teacher. The
thing I appreciate the most
about you is the way you show
your love for God when you
sing and pray. You seem to
be so very dedicated to the
Lord - always staying that way
and He will richly bless you.
God bless you both.
Love
Betty
