Student Body

DEDICATION

The life of this man pleads,
"Be ye followers of me,
Even as I am of Christ."

"For all things are for your sakes,
That the abundant grace might
Through the thanksgiving of many
Rebound to the glory of God."

So is the desired result of his
Every student-teacher relationship.

A living, breathing, epistle,
"Known and read of all men,"
In his life we exemplified read
his present and parting instruction.
"But sanctify the Lord God in your hearts:
And be ready always to give an answer
To every man that asketh you
A reason of the hope that is in you
With meekness and fear."

We have distressingly failed
To give honor where honor is due.
Sir, we are grateful.

Soul Clinic

"But we will give ourselves continually to prayer, and to ministry of the Word." Acts 6:4

This is the two-fold oath that members of Soul Clinic, the personal evangelism arm of Trinity Bible Institute, have taken.

Prayer is vital to this group which represents a large percentage of the student body. One hour of prayer per day for the souls of men is their criteria for the street witnessing which they do.

Their ministry, which is tainted very heavily with the "Hello neighbor" approach, has proven itself very effective. Souls that have been won by its Spirit led members attend the Institute today and are growing strong in the Lord. The group has also aided greatly in getting the town of Jamestown acquainted with Trinity youth.

Practical Works

Practical Works at Trinity this school term has taken advantage of the opportunities offered it in its new surroundings and is experiencing a thriving growth and ready acceptance by the hearts blessed by it.

There are from last year's program in Aberdeen only two carry-over ministering areas. Twenty groups are sent out every week this school term to minister. Of these twenty groups eleven are those that go out on Sundays to participate in area church programs.

These programs are the exercise that brings the muscle to that which is taught in the classroom and aid greatly in preparing students for their future various ministries.

MENS QUARTET

Every year it is a thrilling thing to listen to reports of the ministry of the travel choir. On these second semester weekly excursions to churches of North and South Dakota souls are saved, blessed, and renewed.

Under the able direction of Sis. Nixon these students acquire valuable experience musically that will help them in future Gospel work.

Friends,

We, the 1968 Messenger staff, would like to take this opportunity to wish God's richest blessing on those leaving Trinity Bible Institute this year to go out and work in the Master's Harvest Field.

We trust in years to come as you look at this 1968 Messenger, it will bring to mind many good memories of TBI.

As editors, we would like to thank all the staff who contributed their time and talents. They made this book possible.

Sincerely,

Linda Schwartz
Sharon Syverson
