Dedication

With deep respect and appreciation, we, the Senior class of 1969, wish to dedicate this yearbook to the first full time president of Trinity Bible Institute, Roy H. Wead.

Although few were personally acquainted with you, Brother Wead, prior to the convening of the school term, you rapidly gained and now maintain the highest esteem in the hearts of all who have had the privilege of being under your Anointed ministry and leadership.

Your life is a source of inspiration to the students and faculty; it is our prayer that the blessing of God and confidence of men shall continue to follow your life of exemplary service for the Master.

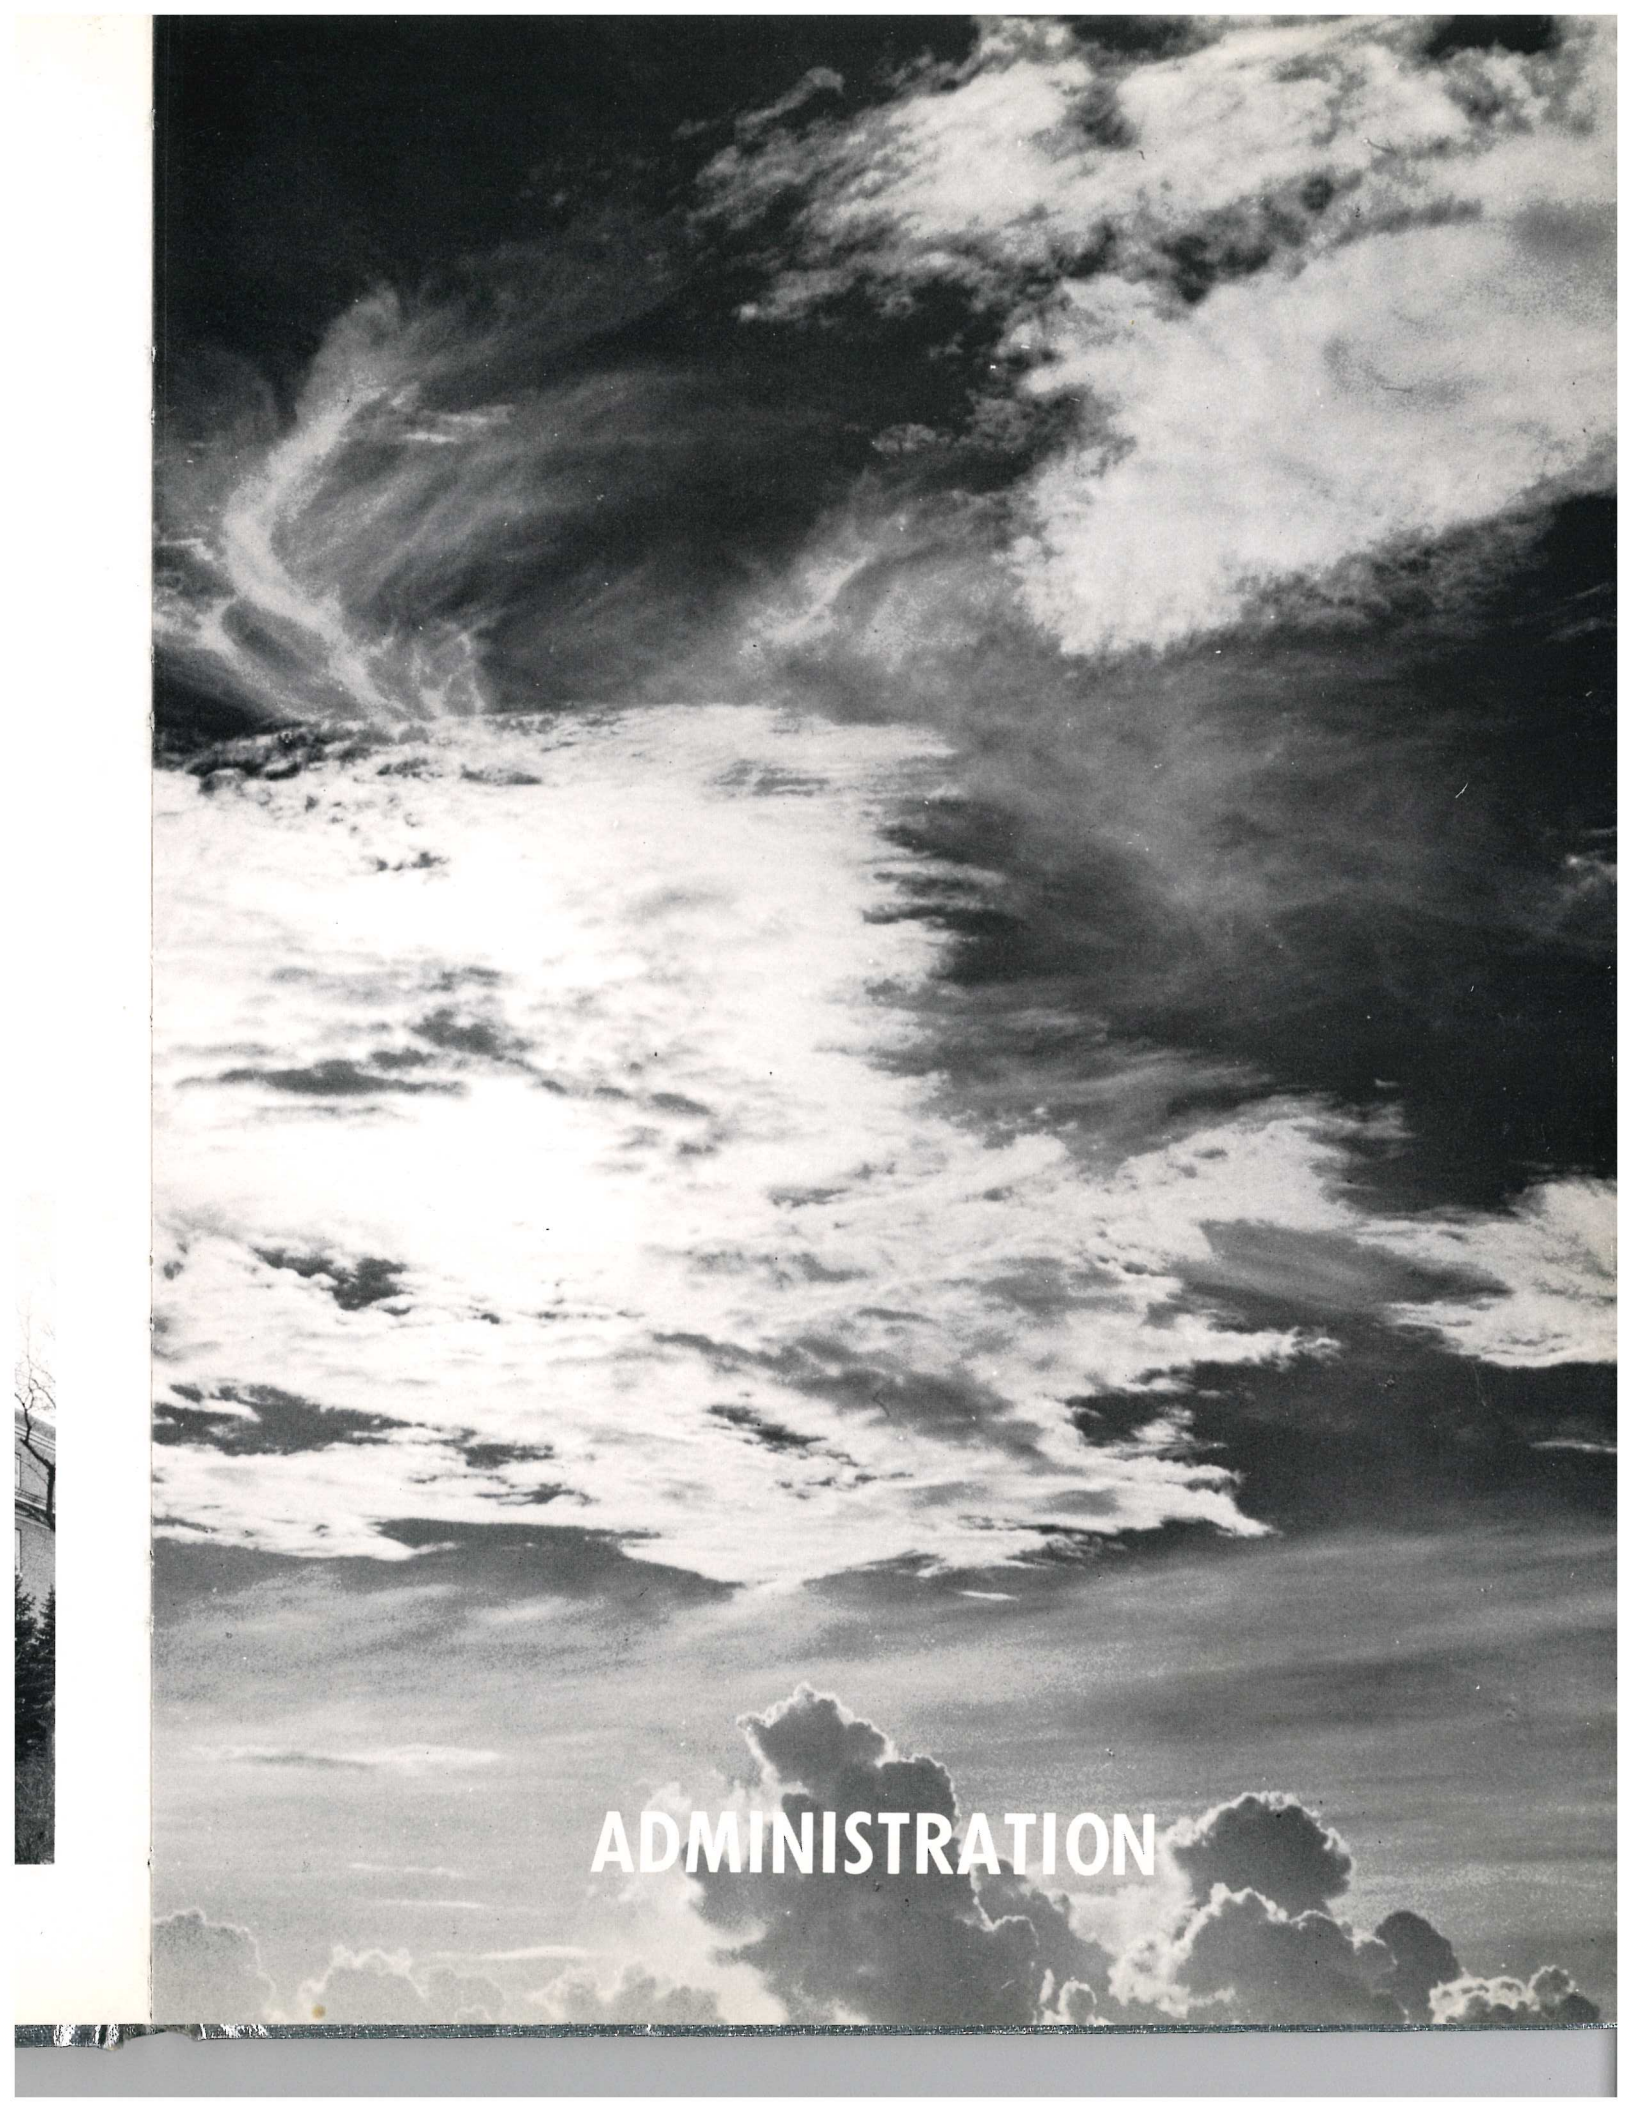

From . . .

The Senior class of 1969 is the only class which has the distinction of beginning as Freshmen at HCBI in Aberdeen, South Dakota, and graduating from TBI in Jamestown, North Dakota.

Trinity Mission Club

Something new has been added! Following the guidance of the Holy Spirit, Trinity Mission Club was organized for the express purpose of calling together those who have a definite call to the mission field. It is the aim and intent that during the weekly meetings, the direction of the call and the requirements for missionary service be determined. A Missions Bulletin Board is displayed with timely needs featured. The burden of the TMC's is expressed in their theme chorus - "Not what I wish to be, or where I wish to go; For who am I, that I should choose my way? The Lord will choose for me; 'Tis better far I know; So let Him bid me go or stay."

Spiritual Emphasis

The last commandment of Jesus, "go ye into all the world and preach the gospel", is a vital part of TBI. Students witness on the streets of Jamestown, in the homes, on the job and at street meetings. Many minister at rest homes and neighboring churches and in Good News Bible Clubs. All students must participate in some type of practical works prior to graduation.

Time for fun and relaxation is planned by the Social Committee for the student body. Representatives from each class along with Advisor Doris Nixon work hard to make each event a success.

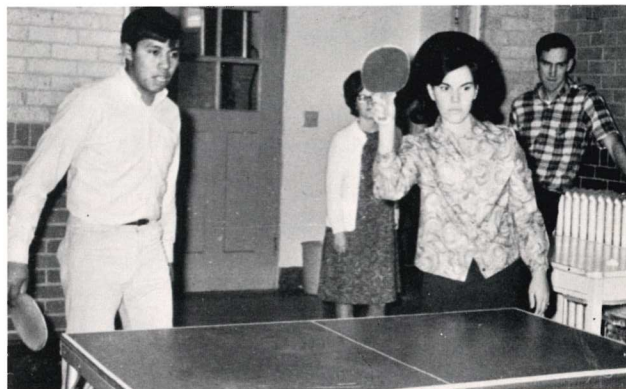

Athletic Association

When the basketball team is in action, the colors are ROYAL BLUE AND GOLD; the cheerleaders, Melba Mincks, Penny Bailey, Ramona Bunch and Louise Lipinski are ENTHUSIASTIC and Coach Garrison is OPTIMISTIC! On the basketball court, in the ping-pong room, at a pep rally or at the skating rink, the same high regard for the influence of the Holy Spirit in our lives is encouraged. The goal - that each student will continue to grow in body, mind and spirit for the Glory of God.

Classmates, Parents, and Friends,

We would like to take this opportunity to acknowledge our appreciation first of all to our untiring annual advisor, Kaye Garrison, secondly, to our dedicated staff, and thirdly, to our excellent photographers, Jon and Gary Hardin. Without these three important facets, this book could not have been completed.

May we also at this time, salute the Class of 1969, to whom this book is a tribute. May they and their parents realize more fully, The Ultimate Intention: "That I May Know Him."

Sincerely your co-editors,
