

MESSENGER

The Messenger

Trinity Bible Institute Assemblies of God Jamestown, North Dakota

We, the Messenger Staff, now give to you our record of events and happenings that have taken place this past school year. There have been times of happiness, times of sadness, times of great victories, and most of all times of memories. Now, the 1970 Messenger is yours to treasure.

Dedication

We dedicate this annual to you, Paul Davidson, because you have dedicated yourself to us.

Your ability as a teacher is surpassed only by your ability to instill desire, hope and anticipation in a Christ led future.

Our future has been enriched by your past. That which you gained in sorrow, hardship, and tears we receive with humility, joy and thankfulness.

Your footsteps have given us direction. Because of your life we have been encouraged to fully dedicate ours to Christ and this yearbook to you.

FOR ME TO LIVE IS CHRIST, BUT TO DIE IS GAIN

Mary Jean Lindemulder was born May 20, 1948 and went to be with her Lord and Saviour August 13, 1969 as the result of an automobile accident.

All who knew Mary knew her as a dedicated Christian and Classmate who served her Master in every possible way.

Some of Mary's last written words were of seeing Jesus soon. We know that she is now rejoicing in the presence of her Lord.

Mary was not afraid to place an unknown future into the hands of a known God.

NEWLY FORMED STUDENT GOVERNMENT
TAKE THE REINS

The first official TBI student government has been formally initiated. In setting a precedent the first responsibility was to establish a basis for operation by formulating a constitution and by-laws. They then proceeded to act upon such matters as a once a week dress up day, school rings and a host of other recommendations and suggestions which give the student body an official voice in school functions.

Banquet

The highlight of the Senior year is the formal spring banquet hosted by the Juniors. Last year the banquet area was transformed into a Roman garden with guards at the flowered archway entrance. Tables were served by Grecian maids, topiary trees were in full bloom, flaring torches mingled with the candlelight, Roman pillars surrounded a garden complete with a fountain and a beautiful mural. All were effective in their purpose of turning back the clock to the time of Jesus. Pastor Wartenbee of Springfield, Missouri was the guest speaker. He was pastor at HCBI when the 1969 Seniors were Freshmen. "TC" Derheim, Master of Ceremonies for the occasion, presented Decoration Chairman Ramona Bunch with a gift in appreciation for a job well done. At the request of President Wead, the same theme was adapted for the Homecoming Banquet at the close of the year.

Rev. W. Millington, D.D., Th.D., former Dean of College in Sussex, England for over 20 years will be joining the faculty at TBI for the third quarter which will be in session March 30 through June 19. Rev. Millington has been one of America's most popular Pentecostal Bible teachers, radio and T.V. personalities. An extended term of three months is being added to TBI curriculum. This does not change the original intent of TBI as a six month school, but provides for an in depth Bible study for the present student body, former students and alumni. Credit hours will be given.
