THE MESSENGER

"... For verily, I say that many prophets and righteous men have desired to see those things which you see, and have not seen them.:

Matthew 13:17

Dedication

We dedicate this 1972 Messenger to you, James Hessler.

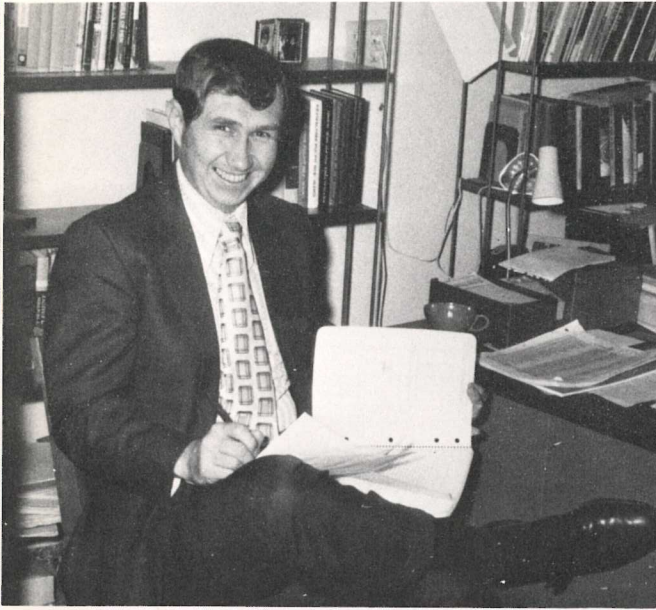

Since 1969, when you joined the faculty of our school, your life and dedication have been a constant source of inspiration to us.

We realize that the Lord had His hand upon you, because both your secular education at Dickinson State College and your religious education at Central Bible College in Springfield, Missouri became His avenues of preparation for your work here as dean of students.

During the three years that you have lived amongst us in the dorm, your life of selfless devotion, and your maturity in discipline, have, by your own example, instilled into us so many of the good principles of life.

Your classroom lectures, so well prepared, have inspired us to reach for higher goals, and to rise to higher standards of practical Christian living.

Honorable Mention

There are many unsung heroes and heroines at Trinity Bible Institute. They are the people who faithfully work behind the scenes at the many tasks that must be done to assure a smooth operation. We, the senior class, take this opportunity to express our appreciation to them and to honor in a special way one of the staff.

To you, Alvina Kluck, we say a hearty "Thank you" for the hours of labor you have given so willingly that we might be well fed physically as well as spiritually at Trinity Bible Institute. Your efficient efforts have made our waistlines larger and our hearts warmer because every meal has contained the exact amount of sugar and spice plus a suitable dose of TLC - Tender Loving Care.

MRS. ALVINA KLUCK

THE LADY IN WHITE

It is not yet dawn;
Scarcely a sound is heard in the old Alma Mater.
The stillness is only broken and punctuated by an
occasional nasal reverberation escaping the recumbent form.
Down in the grotto someone stirs -
The Lady in White, aroused from short but peaceful (?)
slumber has risen to face the coming day.

Suddenly our Lady in White becomes in fantasy a Queen -
How vast is her castle!
Its ramparts gleaming in light fluorescent;
Yonder pot lids are the shields of her noble army -
Those long forks their spears;
The knives their sharp edged swords -
Her boudoir (the storeroom) is filled with secrets of her
cosmetology.

The sugar, the flour, the spices
And the vast array of odds and ends are expensive imports
from the mystic east (or is it west?)
At the wave of her sceptre the fiery furnace opens
And there - in all of its glory is a sizzling, spitting roast,
Swimming in brown luscious juices -
She muses - "Fit for a King."

Her magic brew - dark, hot, filled with flavors from
southern mountains (or Mrs. Olson's Commercials)
Sends forth its subtle aroma to creep unhindered through
the halls.

It presses on into every room. No lock restrains it!
It seeks out its victims - they resist in vain -
They moan - they groan - they toss -
They struggle to hold unto the last few frames of their
romantic dreams.

The Lady in White waits as a slow trickle of humanity comes.
Untied shoes - sleep blown hair -
Eyes still glued with sleep potion.
Long, short, thick, skinny;
Huffing, puffing, grunting, groaning,
The streamlet becomes an avalanche.

The Lady in White watches as they gobble and gorge those
luscious cakes.

As a construction crew they move the mountain of food.
As engineers they drain the reservoirs of milk and coffee.
As locusts they pass by and behold the field is bare.

The Lady in White smiles.
Then she bows her head in humble prayer for grace to face
this throng
Three times a day for days and days and days.
She has been faithful to a task well done.

Memorial

REV. KENNETH OLSON

Rev. Kenneth Olson, age 61 of Devils Lake, North Dakota went to meet his Master on October 1, 1971 after a lengthy illness. Rev. Olson served as the superintendent of the North Dakota District Council of the Assemblies of God for the past 13 years and was a member of the board of directors of TBI. He also served as pastor in Montana, North Dakota and Minnesota. He will be missed; his dedication to the Lord and his interest in TBI was a great inspiration. His survivors include Mrs. James Hessler, wife of the dean of students.

They Are in Heaven

JEAN ELLEN WILCOX

Jean Ellen Wilcox, age 19, daughter of Mr. and Mrs. John Wilcox of Bethel, Minnesota went to be with the Lord August 19, 1971. Jean and her sister Rosanne, a 1969-70 graduate of TBI were involved in a two car accident as they were returning home from mid-week services at their local church. Rosanne is a patient at University Hospital in Minneapolis where she has been unconscious since the accident.

Jean was a blessing and inspiration to all at TBI. She was an active member of the Blue and Gold Choir Missions Club and served as Treasurer of the junior class last year.

Lakewood Park Bible School

1948-1959

Rev. L. E. Englar, at that time pastor of our church at Stanley, North Dakota, was the first one to get the vision of a Bible School within our own district. He presented the matter to the North Dakota district presbyters and to the district council in the summer of 1948. After due consideration, sanction was given to open the school in October of that year. Needless to say, very busy days followed. Two large buildings had to be moved in from a district of about forty miles. When school started that fall eighteen fine, young people cast their lot with us to become our first student body. One building had not arrived as yet. The other was definitely in the "rough." How vividly those pioneer days come before our minds. Including this first student body of eighteen, we have had the privilege of seeing one hundred and forty four students enter our doors. Of this number thirty eight have received diplomas.

The Bible School Building in 1958

In spite of the hardships and privations of those early months and years, the blessings of God were evident from the very beginning. The school was opened to instruct our young people in the precious truths of God's Holy Word. It has come to be our firm conviction that, whatever one's future holds, a knowledge of God's Word is most vital.

God holds the future. We look forward with keen anticipation to increasing fruitfulness in the years that lie ahead, should Jesus tarry. The urgent need for a thorough knowledge of the Bible increases as the end of the age approaches. It is our desire and ambition to do all within our ability to help meet this need.

Hub City Bible Institute Aberdeen, S. D. 1960-66

During the 1959-60 term at Lakewood Park the enrollment reached 44 and it became apparent that the facilities there were overcrowded. Our attention at this time was drawn to the possibilities of relocating at Aberdeen, South Dakota. In the 1940's the late Rev. P. T. Emmett, pastor at Aberdeen had envisioned a Bible School there. Blue prints were prepared and plans were made to erect a facility which would accomodate the local church and a Bible School. However, before the actual building program was started Rev. Emmett and his brother-in-law were killed when their private plane crashed and burned. The church decided to build the building as Rev. Emmett had designed it even though they were not able to completely finish the educational unit. The potential was there for a Bible School and when it became necessary to move these facilities were made available. The fall term of 19-60 opened in Aberdeen. The school was renamed "Hub City Bible Institute" since Aberdeen is well known as the Hub City of the Dakotas.

Students were housed in homes in the city and the enrollment grew from 47 in 1960 to an enrollment of 107 in the fall of 1965. This taxed the facility to the limit and when the enrollment grew to 143 the following year another move had to be made.

The attention of the Board of Directors focused on the possibilities of purchasing the former Trinity Hospital building in Jamestown, North Dakota. The building was purchased in the winter of 1966 and the following summer an extensive remodeling program was completed. The name was again changed and the school became Trinity Bible Institute. In the fall of 1967 school opened in Jamestown with an enrollment of 197.

Rev. W. H. Kessler served as dean of the school since its inception in 1948 until his retirement in 1969. Rev. Carl Malz filled this vacancy in 1971. With the rapid growth of the school it became imperative that a full time resident president be secured. Rev. Roy H. Wead of South Bend, Indiana was selected to fill this office.

In 1971 with an actual attendance of 227 students the first term and 30 additional applicants for the second term it again became apparent that a move of some nature was necessary. All areas of remaining in Jamestown were investigated but after much prayer and deliberation it was decided that the school would move again - this time to Ellendale, North Dakota.

"Trinity Bible Institute Gets Ellendale Campus"

... read the headlines of the December 1st issue of the Jamestown Daily Sun. Yes, it's true an agreement or "memorandum of understanding" has been signed by T.B.I. and the Legislative Committee assigned the responsibility of finding a new tenant for the University of North Dakota Ellendale Campus.

Under the agreement, title to the \$3 million-plus worth of buildings and 43 acre campus will be transferred to T.B.I. as soon as legal details can be worked out, not later than September 1972 in time for school to open on the new campus this coming fall.

An additional \$700,000 worth of equipment and supplies are included but will have to be leased according to the agreement for \$1.00 per year until actual legal transfer can be made by the legislature in 1973.

An up-to-date library with over 57,000 volumes, a complete modern field house with gymnasium, volley ball and handball courts, etc., a new men's residence housing 100 students built only two years ago at a cost of \$350,000 are among the many buildings.

Equipment includes 30 new IBM electric typewriters and other business machines and three model offices in the Business Education Department making it possible to immediately add the practical business courses we have long desired.

The obligations on our part are to operate a successful school and fulfill a good faith promise by investing \$100,000 in promotion, upkeep and capital improvement during the first two years.

The student body, in chapel when the announcement was made, pledged the first \$5,000 for this purpose in addition to all their missionary and other commitments.

And now we give you our friends the privilege to share in this--one of the greatest investment opportunities of a lifetime. Write to me soon expressing your interest and detailed information will be mailed to you.

Faculty and students are thrilled beyond words and grateful to God for making this one of the most wonderful Christmas seasons we could imagine and even adding all these temporal things to the greatest spiritual year in the history of T.B.I.

Rejoice with us in our wonderful Savior and all His exceeding abundant blessings.

May your Christmas be the most wonderful in all your life.

Yours in Christ,

Roy H. Wead

If it were not for these industrious student employees, working with the efficient staff, Trinity would be floundering in dirty dishes, piles of unanswered letters, broken pipes and plugged sinks.

Thanks students, for making this institute "just a little bit better."

Trinity Assembly

Trinity Assembly of God, is an actual church body within the walls of TBI. Pastor Steve Gage of Oriska, North Dakota is backed by an effective staff of dedicated leaders. Acting as assistant pastor is Randy Mills of Indianapolis, Indiana who coordinates the musical ministries of the church in addition to filling the Sunday night pulpit. Ralph Ellingson of Bottineau, North Dakota pilots the educational department assisted by well trained teachers.

The aim of the program is to give students practical experience in church administration.

Assisting in the financial and business matters is a board of deacons composed of juniors and seniors. Those elected by the church body: Rod Long, Oregon; Victor Bellini, New Jersey; Dennis Hardin, Montana; Marlin Schoenleben, Minnesota and Gerald Chrisman, North Dakota.

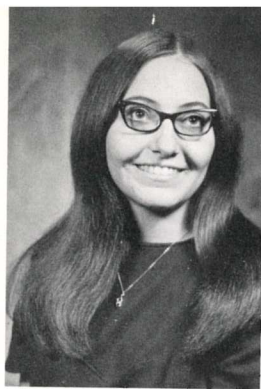

Juniors

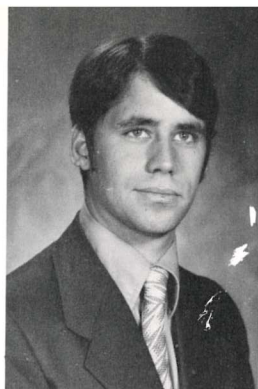

We were liberated from the traditional idea that all new ideas are bad . . . in fact when new ideas were presented and were treated with respect and in Christian love we discovered a blessing in action, and even in reaction.

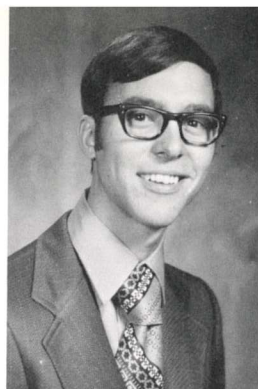

Junior officers, President Steve Wagler, Secretary Phyllis McCowan, Vice President Galen Swartzentruber and Treasurer Ruth Schoenleben "sell" their advisor Robert Garrison on their new snack shop idea.

Fire Sweeps Through TBI

Revival fire that comes from the Holy Spirit ... Revival fire that burns in men's hearts ... Revival fire that changes lives has been sweeping through TBI as classes were suspended and students responded to the move of the Holy Spirit. That is the way a Spirit filled Lutheran student described the recent move of the Spirit at TBI.

Following are just a few of the reactions of the students as they attempt to describe this event.

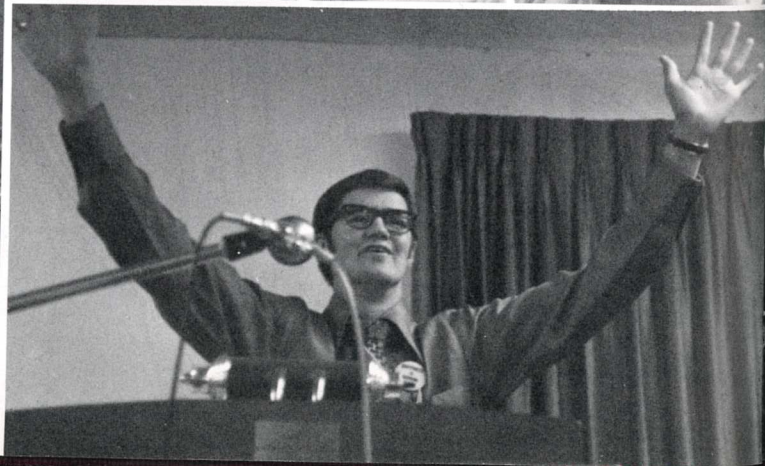

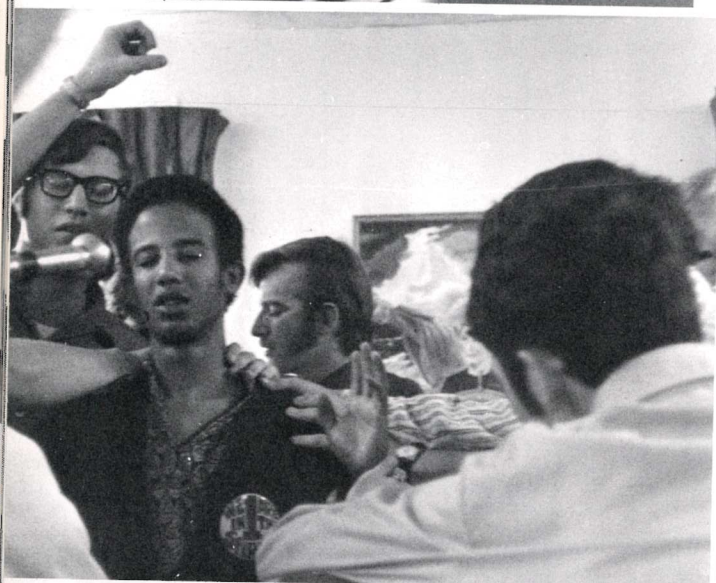

"The power of God has been so thick that it reminds me of the fog that filled the tabernacle and the presence of God was so real the priests could not minister, they could only fall down before the Glory of God."

"The Power of God struck TBI this year as a streak of lightning strikes a tree."

"Students have found that God sends the fire upon the sacrifice ... as many students placed items that stood between them and God upon the altar."

"I never saw anything like it as students are being used by the Holy Spirit to pray for others who need deliverance or healing."

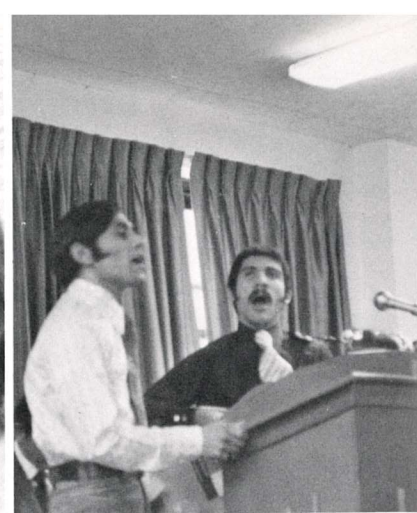

"TBI has always given the Holy Spirit the place of preeminence, however this visitation of God has brought a greater spiritual level to our school. Reaching this plateau makes us eager to press on."

Missionary Melvin Carlson

Chapel

Chapel services are held daily at Trinity Bible Institute. Guest speakers, faculty members and students minister from the Word of God. There are always opportunities to share testimonies of answered prayer and reports of weekend ministries. No two services are exactly alike as the Spirit of God touches lives. Student talent provides the special music.

Rev. Loyal Miller, former faculty member dedicated the daughter of Mr. and Mrs. Larry Marrs.

Sister Dorothy of Jamestown gives her testimony of her charismatic experiences.

Rev. John Benton of the Walter Hoven Home for Girls at Garrison, New York dedicated the infant son of Mr. and Mrs. Pete Hall.

These students find it necessary to sit in the hall and hear the service over the public address system because the chapel facilities are too small to contain the entire student body.

Mission Chapel

NOVEMBER 4, 1991 - I DIDN'T GO

I sat with them there in the chapel
And listened as they sang and they spoke.
My heart was stirred with compassion;
I cried. And my voice with emotion did choke.

I thought, "I never will forget this hour"
As fervently they spoke and they sang.
I bowed my head and said, "Lord, use me -
Send me Lord." In my heart the challenge rang.

Three years have passed since on that day
I pledged my life, my all;
The songs they sang and the words they spoke
No longer my soul enthrall.

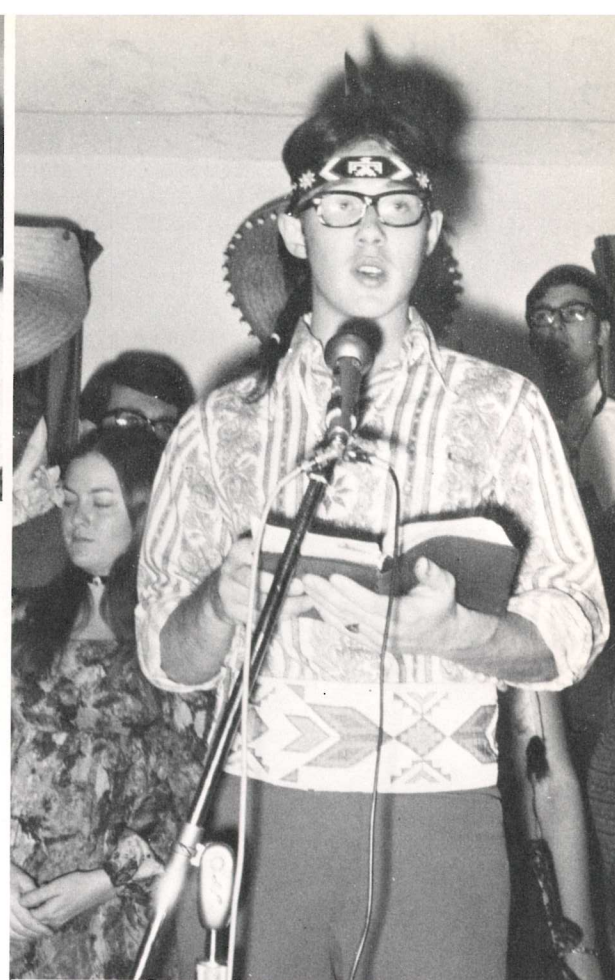

Ten years have gone by - and with their tide
They have carried my own first love.
No longer is my soul deep stirred
With His challenge from above.

Twenty years gone by as a fleeting dream;
My wealth and my fame are well known.
Houses - lands - stocks - bonds - all are mine;
The harvest of seed I have sown.

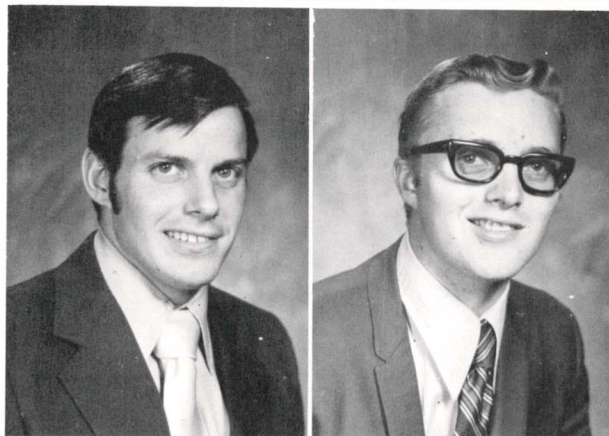

How shall I stand before my Master?
What shall I to His feet humbly bring?
He called me that day to His service;
I refused - and now to earth's trash I cling.

What shall I say to my Saviour
Concerning the lost souls of men?
He called me to take them the Gospel,
I'd give all of my riches - if only He'd call
me again.

Choral Groups Carol at State Mental Hospital

Ten caroling groups went through the State Hospital located in Jamestown, and one group was permitted to minister in the maximum security ward. The following poem was received from one of the patients.

TRUE DISCIPLES

They came, this dismal day;
Merriest of Christmas carol singers,
Enhancing wonderment of God's realm
Within these desolate, bleak, barred
windows.
Gleams of golden spirited warmth
God's true disciples did come indeed!
Singing joyful songs of love, true love
Conveyed to us - the forgotten ones,
shut away.
Our tears of thanks flowed as they sang
For imbedded deeply lies love of our Lord;
Thus, His golden truth of life's true
meaning;
Once again, inspired by the Bible College
students,
Through their heartfelt tones of love
for all.
We, the bleakest of the meek, do thank all
of you
For sharing Almighty God with us this day.

God Bless you, M. M.

The Harvest Festival was sponsored by the Freshman Class. Ma and Pa Kettle were selected by student vote. Winners of the honors were Sheri Tufte and Bob Brenneman.

Lonnie Titus of Mohall, North Dakota leads the students in an enthusiastic sing-a-long at the roller skating party.

Goose hunting is not a part of the curriculum but Mick Hessler takes advantage of the excellent North Dakota hunting.

Intramural Flag Football

Jogging is fast becoming the most popular sport at TBI. The newly formed "100 Mile Club" gets its inspiration from their leader Dean Malz. A chart is kept of the miles run by each jogger with the goal being 100 miles each.

Student Government

The first Student Government Week as a calendar event was inaugurated this school term. The following officers were elected: Rod Long, Vale, Oregon, president; Jeff Mantz, McClusky, North Dakota, vice president; Pamela Hutton, Sunnyside, Washington, secretary; and Linda Rudnik, Gregory, South Dakota, treasurer. Each organization and class elected a member to represent them on the panel.

Student Government week was made possible by the action of the 1970-71 student government who moved to make the student body aware of their need of a representative body. It was agreed that to fulfill its purpose this action must be taken as early as possible in the school year.

Many successful innovations were brought about by the 1970-71 student government as part of the dorm life and activities this year. The executive board recommends but does not legislate policy. LEFT TO RIGHT: Rod Long, Rev. James Hessler, Pam Hutton, Jeff Mantz and Linda Rudnik.

The basic function of the Trinity Bible Institute Dorm Council is to work for the betterment of dormitory life. All on-campus and off-campus housing is properly represented to express student sentiment and gather ideas. The dorm council acts as a 'go-between' in student-faculty relations with the aid of the dean of students. They are responsible for prayer groups in their areas and also plan the annual Christmas open house. A prize is awarded to the best decorated room in the various divisions. The representatives are elected by the students.

Graduation Memories

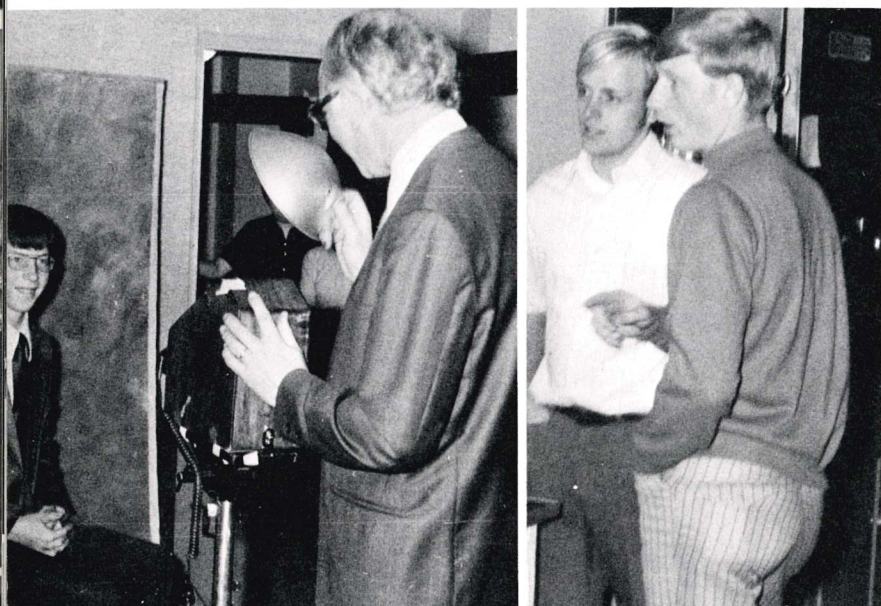

Annual Staff

This annual is an attempt to capture in pictures, words, thoughts and deeds the pulse and heart of TBI, her students, faculty and staff. It is an honest, frank and candid expose of what the Christian life is all about at Trinity Bible Institute; not from those looking in, but from those who are actually living it.

This is not meant to be an ordinary annual because TBI is not an ordinary school.

Sincerely in Christ,
Ralph and DeeDee
