DEDICATION

"MOM" AND "POP" BARTEL

To make TBI a real "home away from home" and to take the edge off of new and strange experiences for our students, God has provided us with our very own mother. We shudder to think where we would be without the comfort of her words and the warmth of her presence.

To keep a complex campus running smoothly, a man of deep dedication to God and posterity must be found. In order to meet this need, God has so graciously provided Pop Bartel. It is he who often goes unnoticed, but yet plays a very integral part in the workings and destiny of our school.

We, the Senior Class of 1973, do in humble appreciation, dedicate this annual to Mom and Pop Bartel.

ALWAYS THERE

Always there - whatever be the need - always there
No matter what the task - or the hour of the day
You can count on them to help
Or to listen and to pray.

Always there - even when the sun
Has long since run its course of day
And shadows dark and deep do chill the earth
If there is a need for help, they'll not say "Nay."

Always there - to answer the plaintive cry
To hasten to need whate're it be
With hands to soothe a fevered brow
Or to mend and fix the emergency.

Someday they will move from earth's dim halls
To a palace - or mansion bright and fair
"Well done thou faithful servants of the Lord"
Will greet them - for they will be there.

JOHN WILSON

EWALT BARTEL

The comfort of TBI students is largely subscribed to by this faithful man. His daily rounds in which he checks so many different areas in the buildings, to assure the staff that all is well. His dedication to his work, his love of the Lord, and his interest in fishing makes a well-balanced man!

Service on the evangelistic field - a life of prayer - and an understanding heart, have fitted Sister Bartel to serve as Dean of Women. Dacotah Hall and its resident students have benefitted greatly by her administration and love.

VERA BARTEL

Although relatively new in the area of caring for a large family of girls, Sr. Beaman is adapting very well to the position of housemother in the North and South wings of the new girls dorm.

PEARL BEAMAN

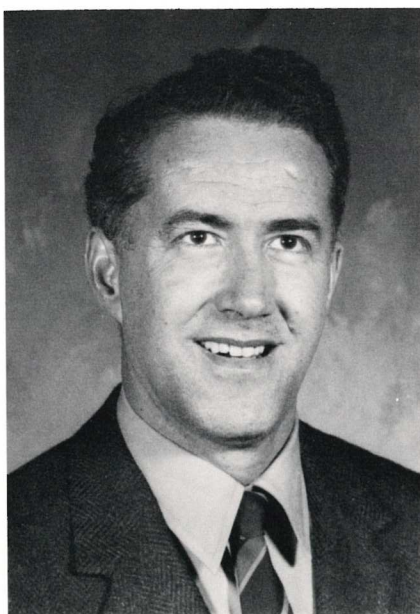

AVA DAVIDSON

The position of Bookkeeper may sound relatively easy, but in TBI there are a complexity of areas that keep Sister Davidson busy during many long hours. To sing and smile and praise the Lord in the face of so many demands, certainly demonstrates God's abundant grace.

Possession of a quiet spirit is an attribute displayed by Sr. Franks, as she works steadily as a cook. The preparation of tasty meals for such a large family is no easy job for her.

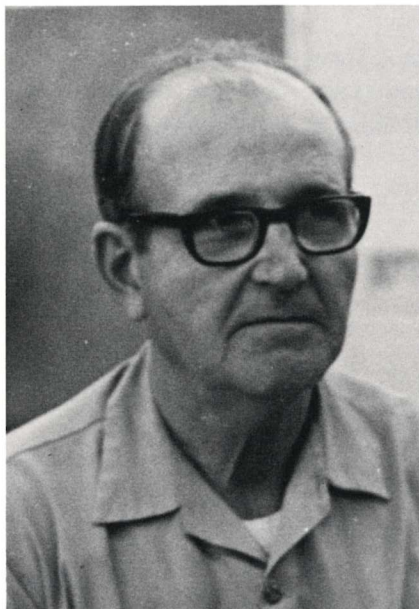

CLARA FRANKS

RONALD JORVE

Only those who regularly use the excellent library facilities at T.B.I. can fully appreciate our librarian, Ron Jorve. Brother Jorve who has a number of degrees in Library Sciences has excelled in organizing the tens of thousands of volumes in this excellent facility.

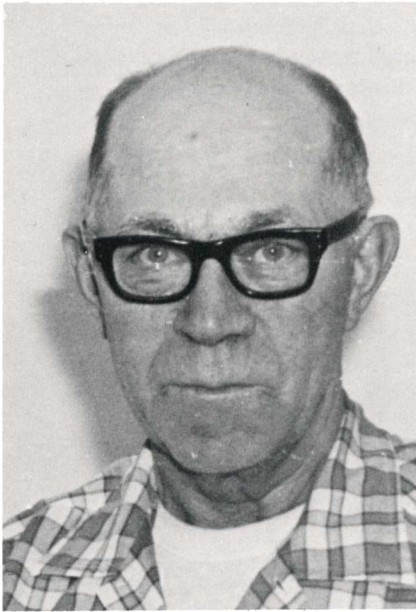

CARL KLEIN

The State of North Dakota did T.B.I. a great favour when they "gave" us Carl along with this wonderful campus. Each day he directs his "platoon" of workers to fulfill their duties.

As the head of the Food Services Division, Sister Kluck has been faithful to her task. The constant replenishment of hugh food supplies, the directing of the cooking staff plus the management of the serving crew, constitutes a monumental task, which she performs very well.

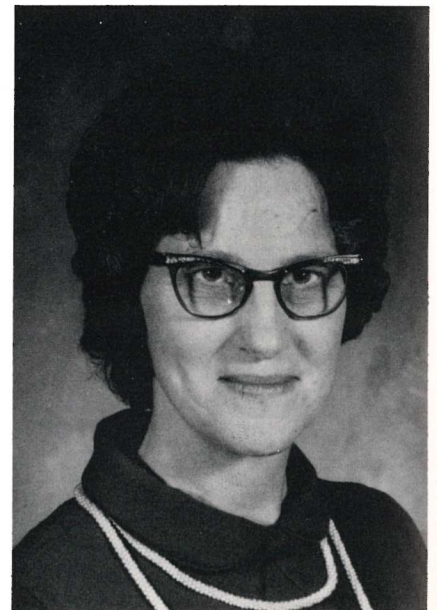

ALVINA KLUCK

JOHN MICHAELIS

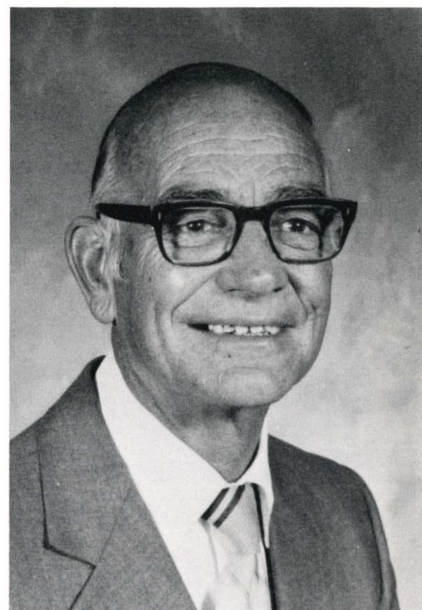

John's area-maintenance of the entire heating plant. When 'ol' man winter expels his icy breath over the campus, it is nice to know that John is sending that heat into the many buildings.

The Snack Shop - under Sister McClellan's able direction is a haven to the student body. She supplies gallons and gallons of good "mountain grown" brew to wash down the burgers and pies, etc.!!
The student body appreciate her ready wit and pleasant smile.

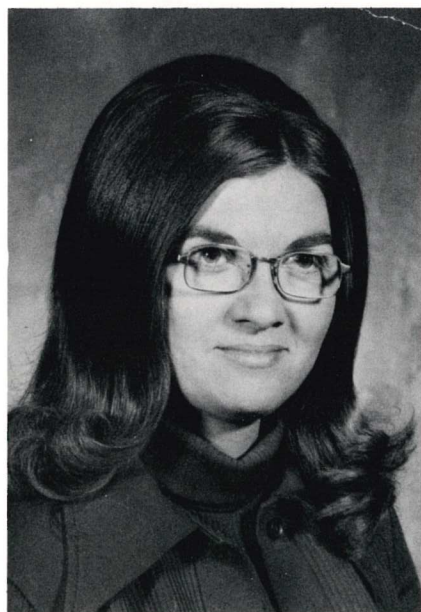

GERALDINE McCLELLAN

Every crew needs a good "first-mate". Brother Perkins has laboured long and hard to maintain and restore the physical plant. As manager of the plant he is doing an excellent job.

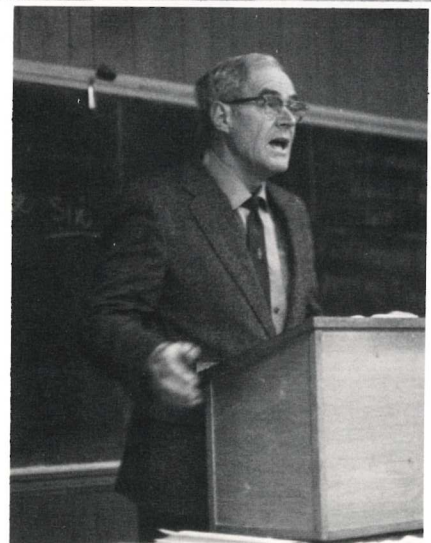

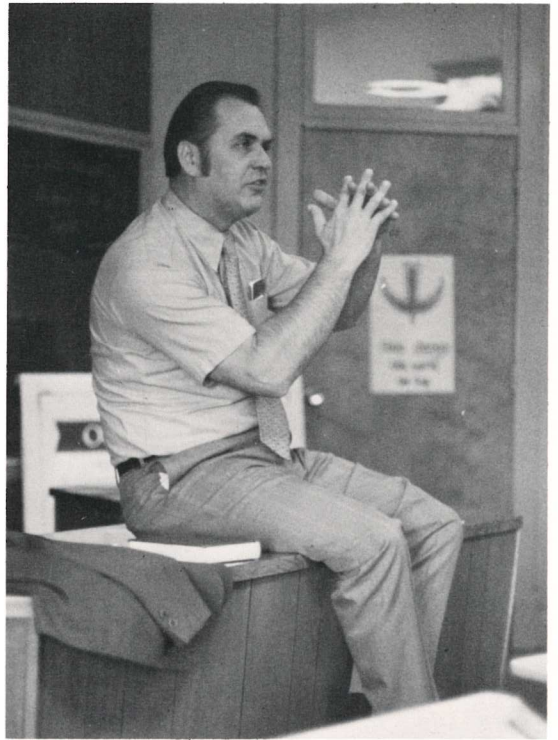

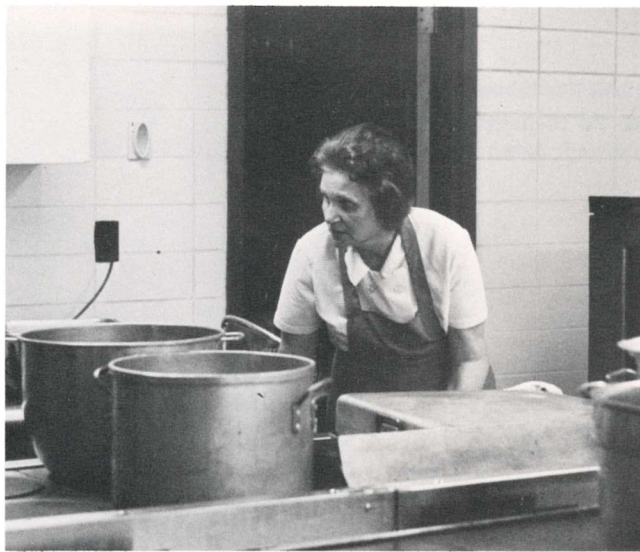

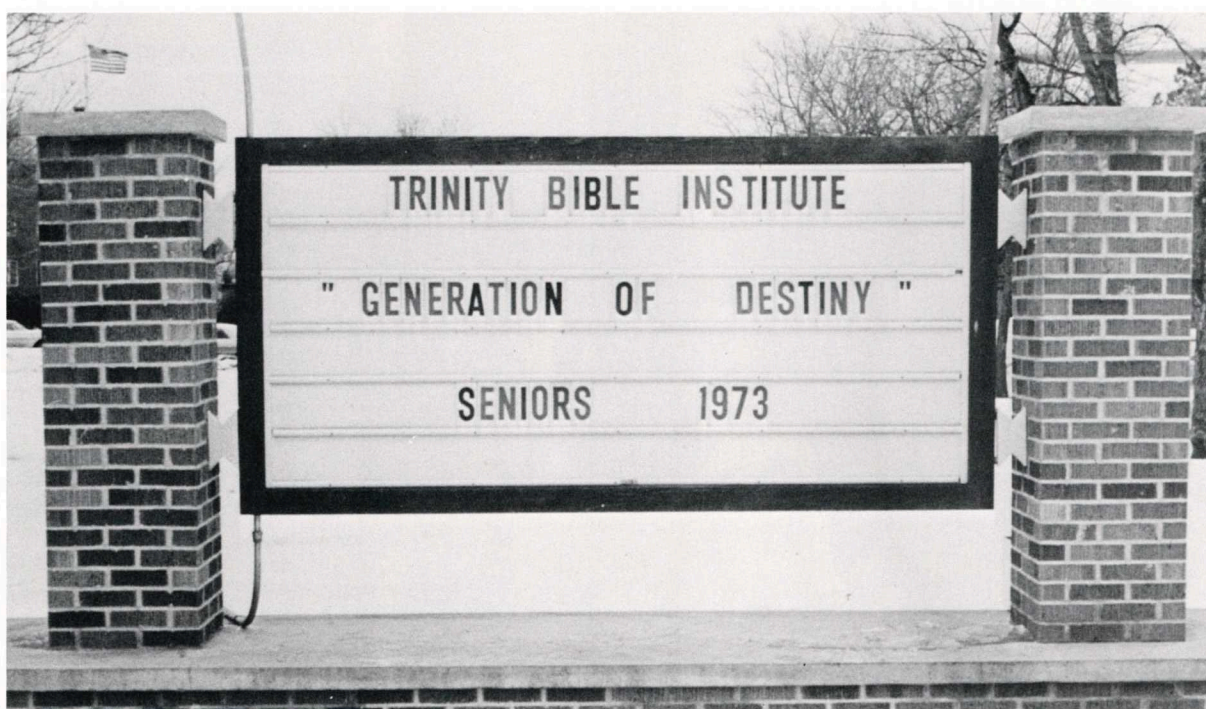

GLENN PERKINS

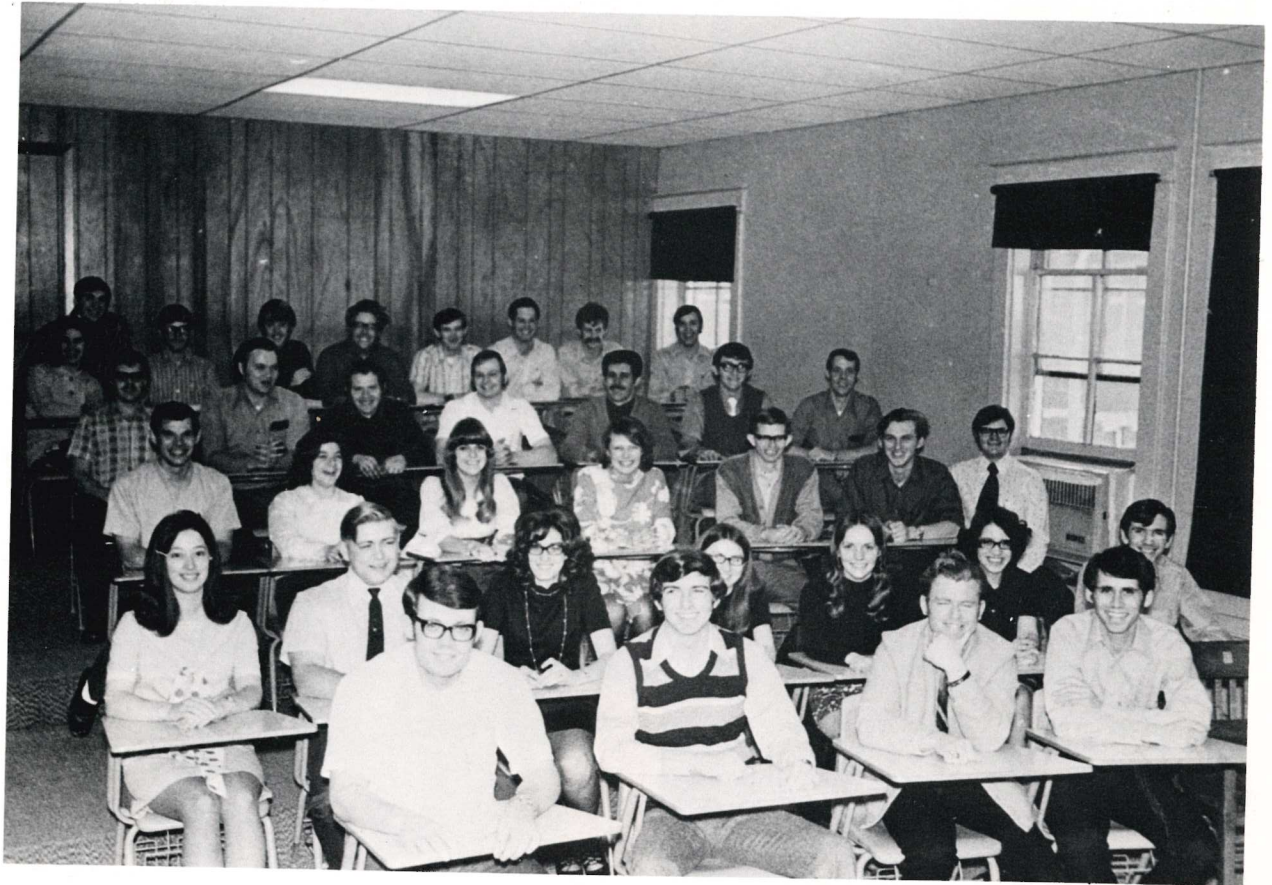

LINDA J. WILSON

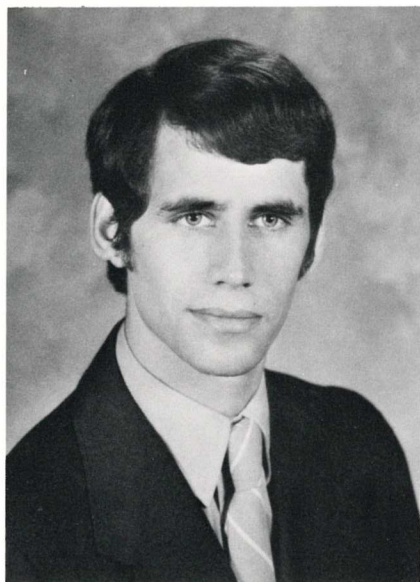

Although primarily engaged as Registrar Sister Wilson finds many areas of service. She serves on a number of committees - directs a singing group, and also assists in oversight of the general business office. Being dedicated to her work and ministry, she is a cheerful member of a great team of workers.

Trinity Assembly is a student-operated church in which the Seniors take an active part in the ministry under the supervision of experienced faculty members. The Senior Class provides the pastors, their assistants, ministers of music, and Sunday School teachers, and they learn to function together smoothly as a team. This experience is helpful as the students learn to direct and guide actual services and learn to follow the leading of the Holy Spirit.

GAP EZEKIEL 22:30

The most unused yet most powerful weapon in the Christian arsenal has been put to use on a 24 hour a day basis in the form of Prayer Gap at Trinity Bible Institute. Each day, heart cries are rising Godward - bearing to Him the needs of many - beseeching that He will again open the floodgates of revival on a very thirsty land.

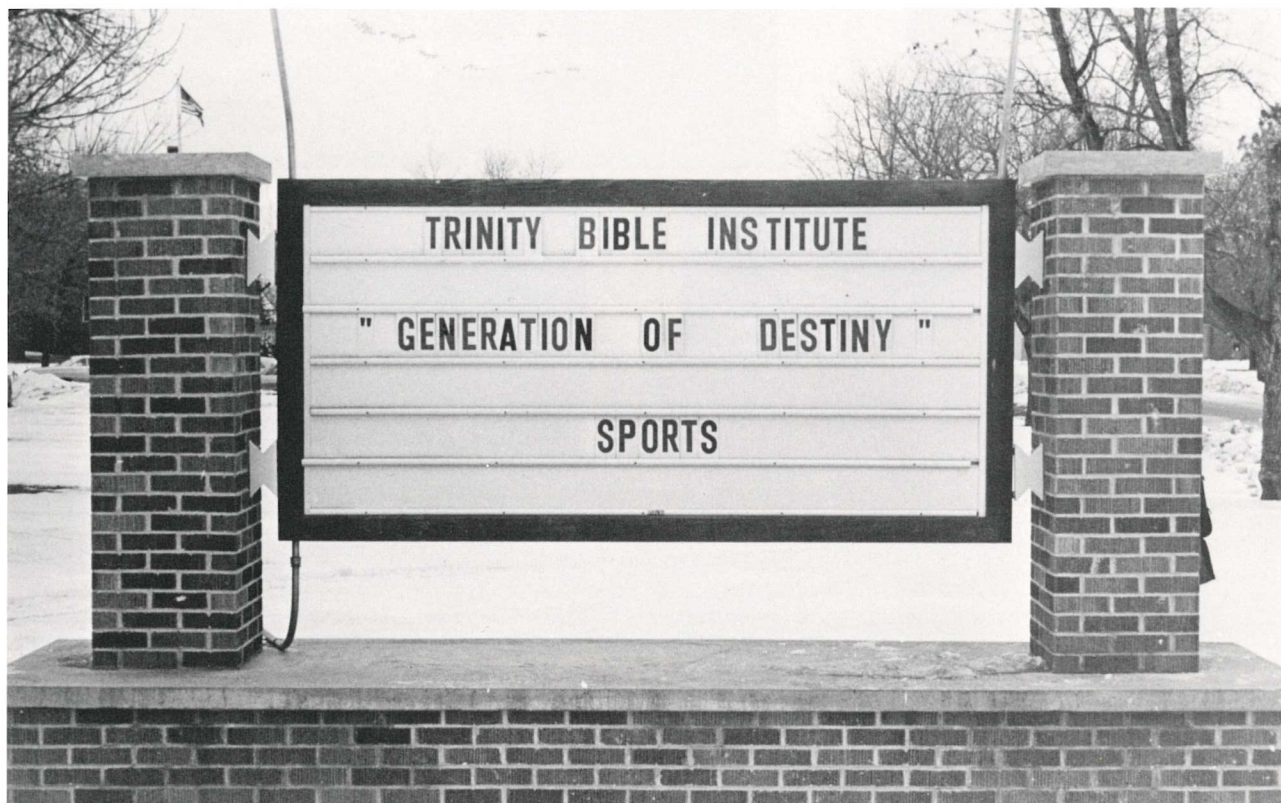

"Where people pray around the clock for needs Around the World."

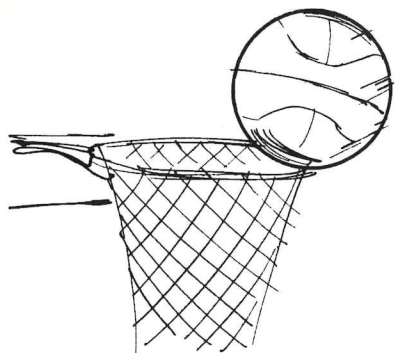

Not everyone can heed the call to a distant land - nor will all be privileged to be an ambassador of Christ to the heathen - but behind the man who goes there must be those who give and those who pray. GAP - the prayer corp of T.B.I. was born to uphold the hands of men who labour in love. With each tick of the clock prayers touch God for needy men in the World.

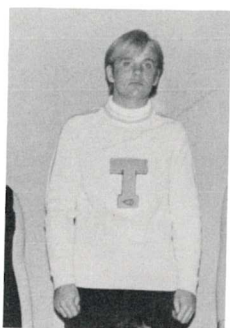

The old rafters were draped with filmy cobwebs - dust lay in small silent drifts on every surface - the accumulation of decades. Old furniture had been spirited up the stairway until the whole resembled a picture from another day. "Discard" may have been a fitting title. But ... someone caught a vision - a vision born of need, and slowly day by day that old attic cast off its mantle of dust, and as busy hammers and saws played a staccato melody, a beautiful prayer room came into being - enhanced by warm paneling and carpeting.
