We, the members of the 1982 graduating class, wish to dedicate this annual and the special memories it holds to Ermalene Bentz. She will always have a special place in our hearts, and we hope that this honor will reveal a portion of our love and appreciation for her.

She is highly qualified to hold her current position as head of the Business Department. Her B.A. was earned right here in Ellendale when the present TBI campus was an extension of the University of North Dakota. She received her M.S. at Northern State College in Aberdeen and taught business at various high schools in North Dakota before returning to Ellendale to teach at Trinity.

Although her job keeps her behind the scenes, the presence of God's Spirit is always seen in her as she speaks a soft word, offers a warm smile, or gives a little extra help to a student. Ermalene Bentz is truly a handmaiden of the Lord.

Ermalene is appreciated by 1981 Student Association.

"To pass or not to pass" -- that is the question at Christmas party.

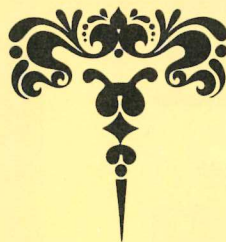

Her expertise in the classroom is appreciated by her students.

As she plays the organ for chapel, she expresses her love for the Lord.

DEDICATION

Ermalene Bentz

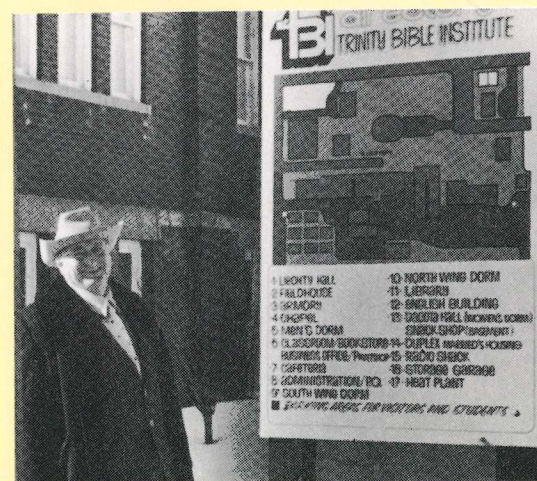

"Who can find a virtuous woman: for her price is far above rubies." — Proverbs 31:10

This year we extend our appreciation to Dale Hvistendahl. Two pages in this annual do not seem adequate as we endeavor to show our gratitude for him, but our hearts overflow with love and appreciation to God for sending him our way!

His years of experience in the world of finance as well as a burning desire to serve God in this field make him a top-rate Stewardship Director. Along with this, he faithfully attends to the task of beautifying our campus every year with thousands of flowers. Literally overnight, our campus is transformed from the bleakness of a North Dakota winter to a splash of fresh spring!

Whether exhorting a church to support the school or planting flowers, Dale Hvistendahl always exhibits the fruits of the Spirit at work in his life.

Dale loves basketball and often shares new ideas with the coach.

A friend to everyone with a delightfully positive attitude.

His wife Charlotte enjoys teaching music at Trinity.

Director of Student Ministries -- a new and exciting opportunity.

Our spirit-filled Methodist

"Freely ye have received, freely give."
— Matthew 10:8b

MEMORIAL

One evening in September a faculty member received a phone call from California. Darrell Walker had died in a car accident. Everybody who knew Darrell was struck with awe as the word spread. The news was starkly final.

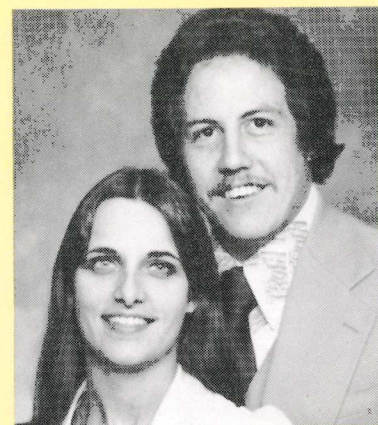

After graduating in 1978, Darrell and Donna Walker moved to San Francisco to carry out the call that God had placed on their hearts. They started Agape Incorporated, an outreach ministry to the Tenderloin area. Their desire was to see God's Spirit flow in the streets of San Francisco. Along with several other alumnus from Trinity, they worked for several years to establish a church known as The Candle.

In a letter from Donna following the funeral, she expressed all of our sentiments ably: "I felt great sorrow at first, but the Lord revealed to me that through worship and praise I am with Him; the Prince of Peace . . . It's as though we are together praising God!"

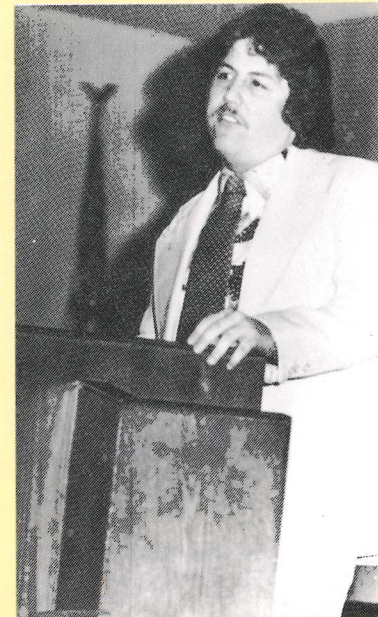

We will miss Darrell and our prayers are continually with Donna and their three children as they carry on the work. THE CANDLE they lit will continue to glow for Jesus until He returns.

MEMORIAL 1905-1981

Rev. B.C. Heinze passed away on Tuesday, December 22, 1981 following an extended illness. He was 76. Rev. Heinze, a pioneer pastor for 50 years, began as a teenager. He was ordained into the ministry on October 29, 1926 at Vermillion, South Dakota. He and his wife pastored in Wisconsin, Minnesota, Nebraska, North and South Dakota. Rev. Heinze was an assistant superintendent of the State of South Dakota and a General Presbyter of the General Council, and was on the board of directors of North Central Bible College in Minneapolis.

Brother Heinze had twenty years of experience in radio ministry. He was also on the staff of what is now Trinity Bible Institute and taught for ten years, full and part time while pastoring nearby. He established the Indian Gospel Mission in Sisseton.

We extend our sympathy to Sister Heinze and family.

Rev. B.C. Heinze

ROY H. WEAD, president of Trinity Bible Institute since 1968, has announced his resignation effective June 30, 1982.

Under Wead's capable leadership, TBI has developed from a three-year program located in Jamestown, ND to a fully accredited four-year Bible college on a 40-acre campus in Ellendale. During the 14 years of his leadership, Trinity received accreditation from the American Association of Bible Colleges (AABC) as well as endorsement from the Assemblies of God. This spring, the class of 1982 will graduate students that will be qualified for state certification as public school teachers in North Dakota, another milestone for TBI.

Roy H. Wead is an executive presbyter of the General Council of the Assemblies of God with over 15,000 ministers and 10,000 churches. He came to TBI from a nine-year pastorate of Calvary Temple in South Bend, Indiana, one of the largest churches in the Assemblies of God. Prior to that, he served as District Superintendent of the Indiana Assemblies of God where he saw over 120 new churches open and develop.

Wead, a native of North Dakota, graduated from Central Bible College in Springfield, Missouri and held a variety of pastorates since being ordained in 1940.

President and Mrs Wead will make their home in Springfield, MO, where he will be associated with his son, Doug, an evangelist and author who is gaining prominence as a motivational speaker.

Trinity's President said, "I'm always excited about doing a new thing, but I'm not going to forget Trinity." During his years as president, TBI was financially able to operate in the "black" and Wead said, "I will continue to work with the school and am now working on some financial programs that hopefully will help."

We were not able to select a single verse of scripture; therefore we submit his following favorites:

Psalm 100

Philippians 4:4-8

Sermon on the Mount

President Roy H. Wead

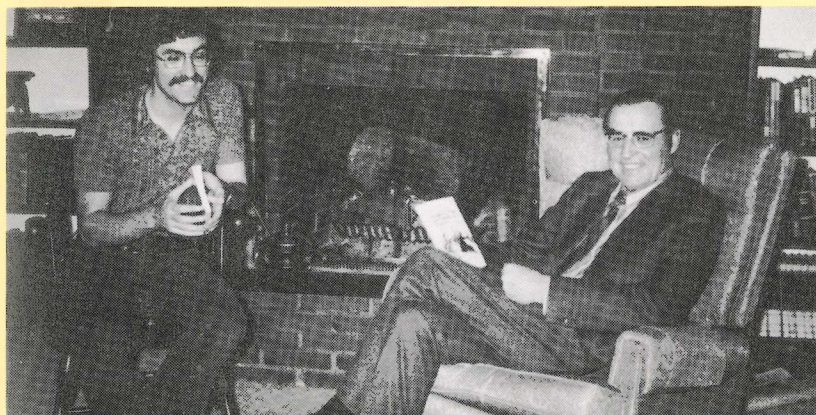

Our President and First Lady reflect upon the past — "God has been good to us", and look to the future which holds "things yet unseen."

Always a leader

The Governor signs the bill to give the campus to TBI.

Son Doug wrote the TBI story, "The Multimillion Dollar Miracle." Other sons are Jim, Bill and Tim.

Ruth Carter Stapleton, sister to President Carter.

Banquets filled with beauty and love are special to our President.

It is hard to express in words the love and respect due to President Wead for his years of dedicated service and ministry at TBI. Those who have watched his hand over the school think of him as being the college's man-of-the-hour. "I don't think the school would be where it is today without his fine leadership," said David Zink, registrar. Others who have been with Trinity during most of Wead's term find it difficult to think of TBI without him. One person said, "I owe a lot to him. His spiritual leadership, love for the Word, and his caring spirit have made a lasting impression upon my personal life and ministry." When he came to TBI, President Wead stated that the only reason for the existence of this school was to produce men and women who believe in the supernatural power of God. Our prayer as he leaves, is that this will continue to be our goal.

SPIRITUAL

"... And follow after righteousness, godliness, faith, love, patience, meekness. Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called."

— 1 Timothy 6:11b-12a

P.D. Zink

*"But the anointing which
ye have received of him
abideth in you,
... and ye shall abide
in him.*

— 1 John 2:27

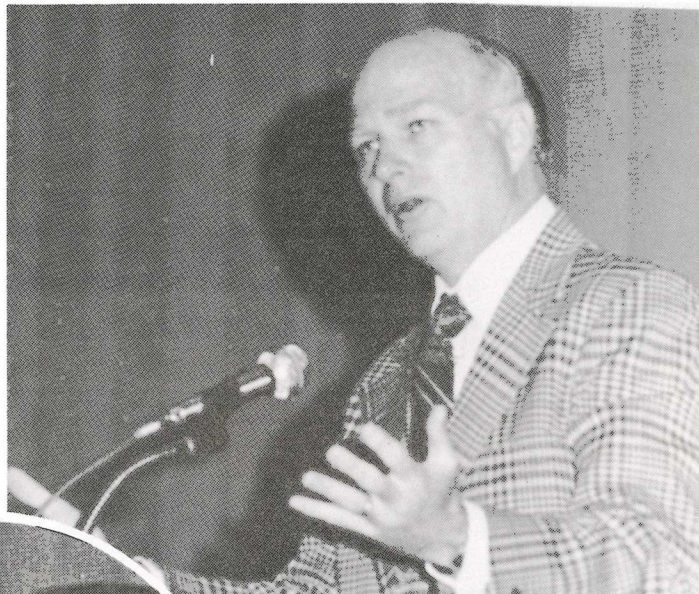

Rev. P.D. Zink challenged the students to a life led and used by the Holy Spirit. Rev. Zink is pastor of the Assemblies of God Church in Jacksonville, Florida.

Rev. Lloyd Wead's ability to quote scripture inspired the student body.

President Wead shares the desire of his heart to allow the Holy Spirit complete freedom on the TBI Campus.

Dr. Dale Pollard tells how God led him into a ministry of the Holy Spirit after years of searching. His new job at Trinity gives him the opportunity to minister as well as teach. His gentle spirit and deep love for Jesus are evident in his daily life.

HOLY SPIRIT CONFERENCE

A time to listen and enter into worship with the sounds of country gospel with the Waddington Family

With the Winds of Heaven, enter into His gates with thanksgiving and into His courts with praise

Easy listening music; sit back, but enter into worship to the Lord with the Mathews Family

Watch the comedy and pantomime as Christ for the Nations go forth in their ministry

CHAPEL GUESTS

Chapel services are held daily at 9:30 a.m. in the Walter and Hattie Block Memorial Chapel, and are the focal point of campus life. Students learn to "flow in the Spirit" through the ministry of special guest speakers, musical groups, praise and worship. Special emphasis services are held throughout the year as well.

BENNY HINN SPIRITUAL RENEWAL

The Holy Spirit will walk with us ...

Pray with us ...

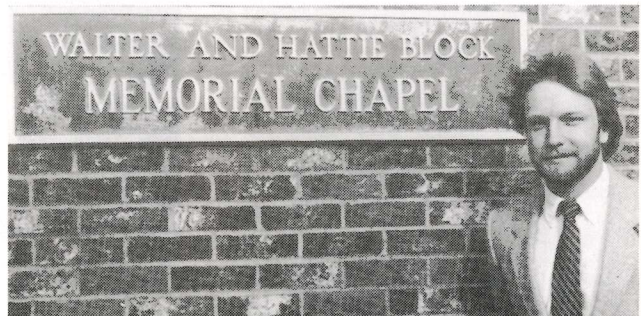

He will always be right beside us.

Alumni Jim & Jan McEachran tell how working out the differences will give you a beautiful ministry — with God in the center.

Judy Ellingson's anointed ministry demonstrated the need for the Holy Spirit.

"Putting God first" is also important to Chip Block, grandson of chapel donors.

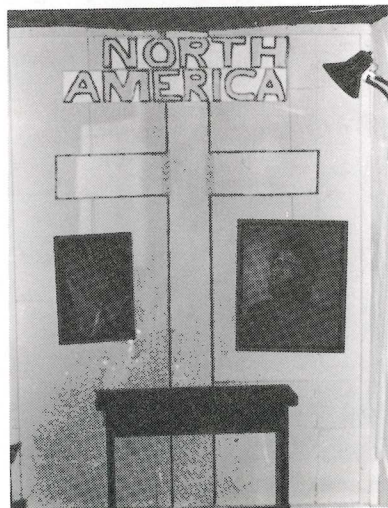

MISSIONS

The heartbeat of God is heard on campus through those who are preparing for missionary service. A missionary family is selected each year to live on campus and teach mission classes. Prayer bands meet each week to study the needs of the fields and to pray.

*"The Spirit of the Lord God
is upon me; because the Lord
hath anointed me to preach
good tidings unto the meek; he
hath sent me to bind up the
broken-hearted, to proclaim
liberty to the captives, and the
opening of the prison to them
that are bound . . . to give unto
them beauty for ashes, the oil
of joy for mourning, the
garment of praise for the
Spirit of heaviness . . ."*

Making New Paths

"I will not go where the path may lead but go where there is no path and leave a trail behind."

The Senior Class of 1982 are truly making new paths. This last year at TBI has been marked with new ideas, special innovations, and new-found trust in the same old eternal principles. We praise God that He is working in us and with us to do His will. As we go forward we will remember Jude 24:

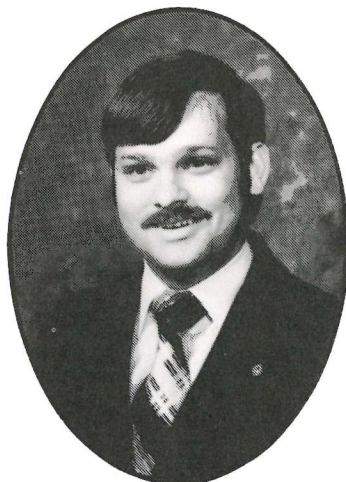

"Now unto Him that is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy."

LADY CRUSADERS

The 1981-82 Lady Crusaders have had a fabulous year. Throughout the year they excelled in each game. Over the season they amassed an 11-8 record. Of the 12 girls on the team, a total of 6 received either all-conference or all-tournament honors. We are proud of our Lady Crusaders and look forward with them to great things next year.

The Lady Crusaders took first place in the NICC conference and 2nd place in the championship tournament. They placed 8th in the National Little College Basketball Competition. Judy Stelter was named to the National All-Tournament team. The Ladys won their first tournament at the St. Paul Bible College Invitational. Enroute to the victory they defeated Pillsbury Baptist College 59-34 and went on to defeat St. Paul Bible College 52-49 for the invitational championship title.

A beautiful appreciation service was planned by the members of the Student Association to show their love to President and Mrs. Wead. Letters and tapes were received from friends who have known the Weads over the past years. These were combined with narration, slides, and music to depict the life and ministry of our president. Participants via letter or tape were Rev. C.M. Ward; General Superintendent of the Assemblies of God, Thomas F. Dear God,

We want to thank you that we have been so graciously accepted in the little town of Ellendale. We appreciate the love and kindness shown to us daily. We came here from a distant city and have found a permanent home. We thank you for our friends who gather with us here.

Amen.

Each year the graduating class selects those to whom they give special honor by dedicating the yearbook to them. This is just a small way of repaying them for their years of ministry to the graduates. They wish it were possible to bless each faculty and staff member in this way. And, in their hearts they do thank you. We all look toward that great and wonderful day when all labor will be rewarded by our heavenly Father.
