# A DREAM IS BORN

A dream was born in the heart of a man - an impossible dream it would seem. But, it never faded. It only grew stronger. He shared the dream - or vision with other stout-hearted men from North Dakota, who were used to combating adverse conditions. Winters were stormy and frozen while summers were hot and dry.

The man's name has been forgotten by most people, and that is probably the way he would want it. This God-chosen man, Rev. L. E. Engler was entrusted with a plan which would expand far beyond his initial concept.

Let's see how it happened. L. E. Engler was born near Minot, North Dakota and spent his early years on a farm. His mother was a widow so he remained at home and helped make the family living by teaching in elementary school. But, in 1933, he received Jesus Christ as his personal Saviour and was soon called into the ministry. Engler served outstation churches near Minot before he accepted the pastorate at Stanley, North Dakota.

Here, God began to speak to his heart about starting a short-term Bible school in the Dakotas. There would be classes from October through March to meet the need of the rural population. Students could help with farm crops and attend school in the winter months.

His vision burned brightly, but it was not enthusiastically supported by others. Then Rev. W. H. Kesler and Rev. G. L. Riffe became interested in the project. They gave Engler much valued support and help in the basic planning. In 1948, the "seed was planted" in the hearts of the District Presbyters of the North Dakota District Council of the Assemblies of God.

That fall buildings were made ready on the North Dakota District camp grounds in Devils Lake. The name was selected, *LAKEWOOD PARK BIBLE SCHOOL*, and that first year 18 students found their way to the new campus. The school's opening had to be postponed for one week as the women's dormitory was not ready . . . and the men's dorm had not yet arrived! It had to be moved in from Leeds where it was serving as a chapel. And, oh, yes, two cisterns had to be built because an adequate supply of water presented a major problem.

## Lakewood Park Bible School 1948 - 1960

God put his approval on the birth of this training center for ministry. That first year, 5 of the 18 students received the Baptism of the Holy Spirit. The first graduates in 1951 were Paul Adrian, Ruth Dawson, Ernest Enget, Lorraine Huwe and Edith Lindell.

Firm foundations were laid those first years. The Bible would be the textbook with supplementary materials carefully chosen. The practices needed for effective ministry would be a vital part of training, taught by Spirit-filled instructors.

Missionary Prayer Bands would meet each week to pray for the missionaries and to learn more about the "harvest field." Music was recognized as an important means of reaching the world, and the entire student body made up the radio choir which broadcasted each Sunday morning.

The physical education department consisted of games like table tennis, darts, and there was ice-skating and horseshoes. Because boy-meets-girl has always been a vital part of Bible school experience, a social night was held every other week with parties and sleighrides for fellowship and fun.

Well, that is the way it started. In the first 10 years there were 144 students with 38 graduates. Maybe you recognize some of the LPBS people:

1952: Floyd Beckstrand, Esther Enget, Norm Oram, Alvide Torneby, Vern Duncklee and David Smith.

1953: Cliff Irwin, Si Liechty, Robert Murray, Violet Van Hellen

1954: Gil Meroney, Roger Noel, Mildred Pletz, Loyal Peterson and Mary Sieler

1955: Edmor Hafner, Virgil Kesler, Rueben Liechty, Ed Linde, Grace Peltz, Lonnie Peterson, Ruth Schaible and Ken Wurgler

1956: June Anderson, Martin Kallinen, James Thomas

1957: Don Braumberger, Ken Hofner, Fred Hoffman, Velors Krieger and Norman Shawchuch

1958: Donnie Fercho, Rueben Zimmerman, Wesley Glennen, Maynard Messer and Duane Juve

1959: Jack Glass and Clarence Watterud

1960: Lowell and Connie Lundstrom, Don Schorsch, David Torgerson, William Graves, and Floyd LePoidevin.

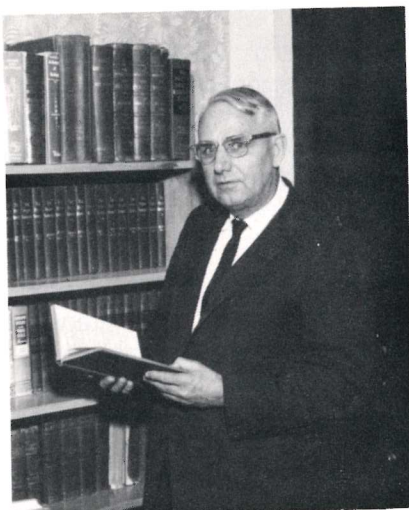

The enrollment reached 44 during the 1950-60 term and the Lakewood Park facilities were overcrowded.

... Bible is still the textbook

... musical groups still travel

... students still come

A move to Aberdeen, South Dakota was considered. In the 1940's, the late Rev. P. T. Emmett envisioned a Bible School at that location. Blue prints were prepared, and plans were made to erect a facility which could accomodate the local church and a Bible School. But before the actual building program started, Rev. Emmett and his brother-in-law were killed when their private plane crashed and burned. The church body decided to build the building as Pastor Emmett had designed it even though they were not financially able to completely finish the educational unit.

The potential was there for a Bible School. The fall term of 1960 opened there, and the school was re-named *HUB CITY BIBLE INSTITUTE*, since Aberdeen is well known as the Hub-city of the Dakotas.

Students were housed in homes in the city. The enrollment grew from 47 to 107. In Aberdeen ...

... students continued to study the word of God  
 ... students continued to pray for the missionaries in weekly Missionary Prayer Bands  
 ... students continued to use their musical talent in choirs, quartets and trios. The Messenger trio made a record and traveled 10,000 miles holding 120 services

Rev. W. H. Kesler was now dean of the school, an office he held from 1948 until his retirement in 1969. The school was growing rapidly, and no one knew why! No extensive advertising had been done. Students told potential students, and pastors told people about it. They like this small school which was dedicated to teach young people how to love the Lord and how to transfer that love into effective service.

Then, in 1966, when the enrollment mushroomed to 143, the search was on for a new home. The Board of Directors decided to buy the former Trinity Hospital in Jamestown, North Dakota. During the summer of 1966, extensive remodeling was completed. The name of the school was again changed to match the name engraved on the exterior of the building, and LPBS or HCBI became TBI - *TRINITY BIBLE INSTITUTE*. That fall school opened with an enrollment of 197.

## JAMESTOWN - TBI 1967 - 1972

It became imperative that a full-time president be found to keep the flame alive and burning brightly. Meanwhile in South Bend, Indiana, a former District Superintendent and pastor of a large growing church was feeling the tug on his heart to "move on" to something new.

When the call came to Roy H. Wead to return to his boyhood state to become President of Trinity Bible Institute, he did not hesitate. He came. Students continued to come.

They were still using the Bible for their textbook, taught by Spirit filled instructors.

They were still learning about mission fields in missionary prayer bands each week.

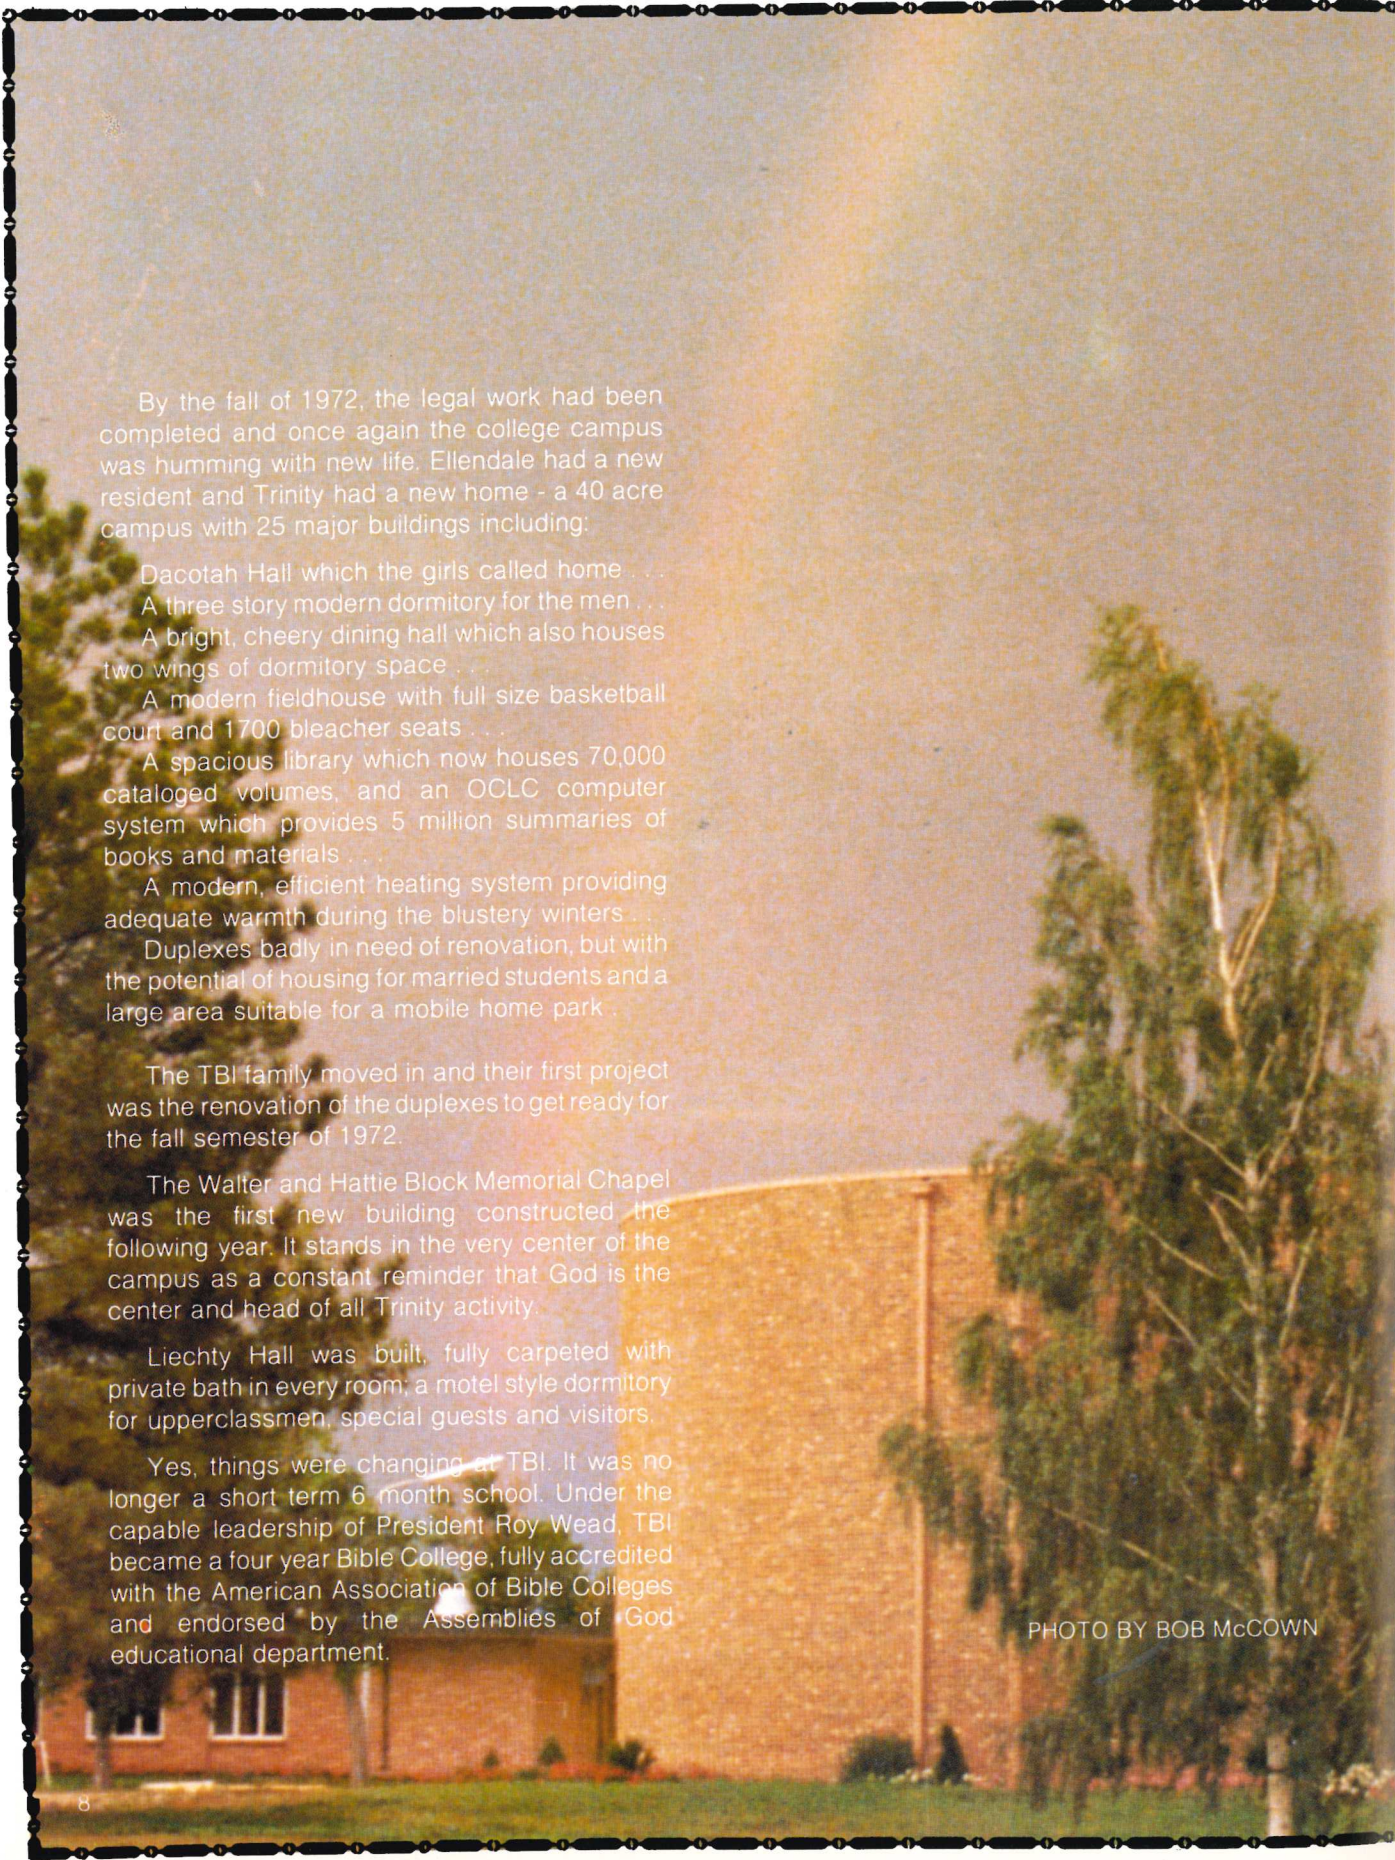

They were still developing their musical talent and abilities as choirs, small groups and the Troubadours traveled during the school year and interim break.

Then in 1971, with an actual attendance of 227 students and an additional 30 applicants for the second term, it became apparent that another move was necessary.

But Jamestown did not want to let them go! They liked the growing student body which provided a dependable work force for the local businesses. They liked the friendly spirit of the team that was working hard to provide a place for young people to prepare their lives for ministry and service. But after all areas of remaining in Jamestown were investigated, and after much prayer and deliberation, it was decided that the school would move again.

So, Trinity Bible Institute was a college in search of a campus and Ellendale, North Dakota, 65 miles south, was a town in search of a college. They had a campus and empty buildings which were formerly occupied by the University of North Dakota - Ellendale Branch. Due to a gradual decline in student enrollment and a fire that destroyed the school's two primary buildings, the decision was made to close the campus after 71 years of service. Things looked bleak for the 89 year old community. A \$25,000 advertising campaign was aimed at 1,000 prospective buyers. Two hundred applicants were screened, but TBI was selected to receive the 3.5 million dollar campus for a token payment of \$1.

By the fall of 1972, the legal work had been completed and once again the college campus was humming with new life. Ellendale had a new resident and Trinity had a new home - a 40 acre campus with 25 major buildings including:

Dacotah Hall which the girls called home . . .

A three story modern dormitory for the men . . .

A bright, cheery dining hall which also houses two wings of dormitory space . . .

A modern fieldhouse with full size basketball court and 1700 bleacher seats . . .

A spacious library which now houses 70,000 cataloged volumes, and an OCLC computer system which provides 5 million summaries of books and materials . . .

A modern, efficient heating system providing adequate warmth during the blustery winters . . .

Duplexes badly in need of renovation, but with the potential of housing for married students and a large area suitable for a mobile home park .

The TBI family moved in and their first project was the renovation of the duplexes to get ready for the fall semester of 1972.

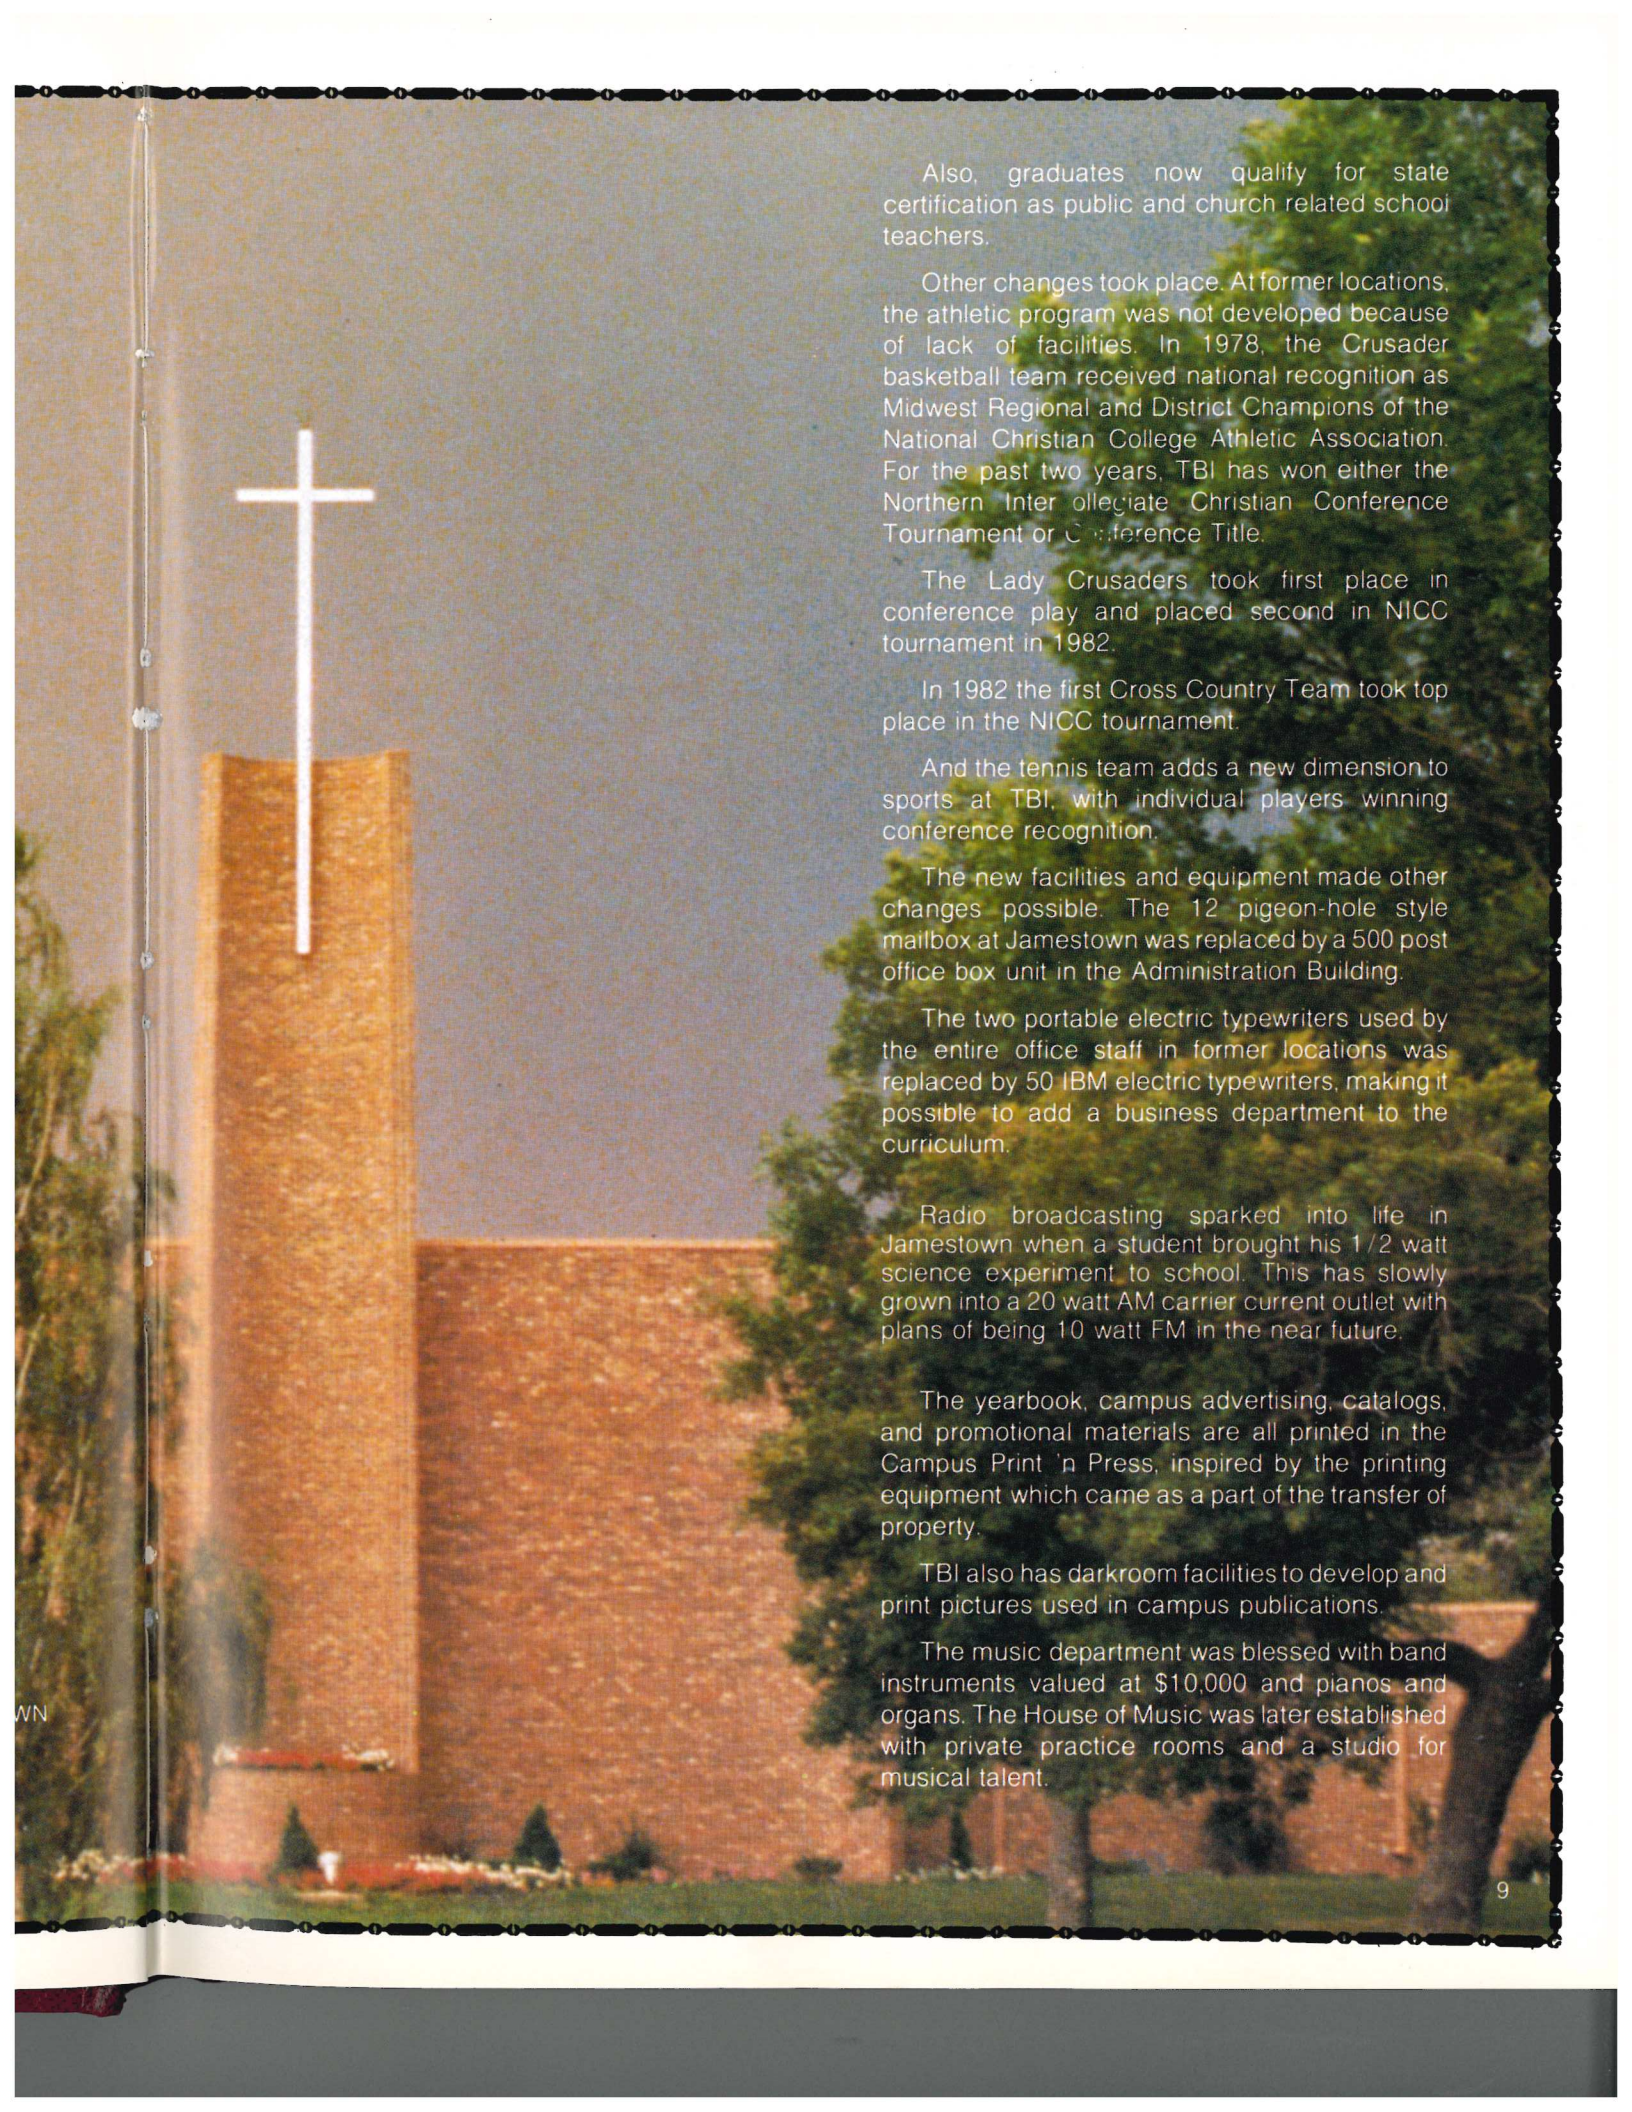

The Walter and Hattie Block Memorial Chapel was the first new building constructed the following year. It stands in the very center of the campus as a constant reminder that God is the center and head of all Trinity activity.

Liechty Hall was built, fully carpeted with private bath in every room; a motel style dormitory for upperclassmen, special guests and visitors.

Yes, things were changing at TBI. It was no longer a short term 6 month school. Under the capable leadership of President Roy Wead, TBI became a four year Bible College, fully accredited with the American Association of Bible Colleges and endorsed by the Assemblies of God educational department.

PHOTO BY BOB McCOWN

Also, graduates now qualify for state certification as public and church related school teachers.

Other changes took place. At former locations, the athletic program was not developed because of lack of facilities. In 1978, the Crusader basketball team received national recognition as Midwest Regional and District Champions of the National Christian College Athletic Association. For the past two years, TBI has won either the Northern Intercollegiate Christian Conference Tournament or Conference Title.

The Lady Crusaders took first place in conference play and placed second in NICC tournament in 1982.

In 1982 the first Cross Country Team took top place in the NICC tournament.

And the tennis team adds a new dimension to sports at TBI, with individual players winning conference recognition.

The new facilities and equipment made other changes possible. The 12 pigeon-hole style mailbox at Jamestown was replaced by a 500 post office box unit in the Administration Building.

The two portable electric typewriters used by the entire office staff in former locations was replaced by 50 IBM electric typewriters, making it possible to add a business department to the curriculum.

Radio broadcasting sparked into life in Jamestown when a student brought his 1/2 watt science experiment to school. This has slowly grown into a 20 watt AM carrier current outlet with plans of being 10 watt FM in the near future.

The yearbook, campus advertising, catalogs, and promotional materials are all printed in the Campus Print 'n Press, inspired by the printing equipment which came as a part of the transfer of property.

TBI also has darkroom facilities to develop and print pictures used in campus publications.

The music department was blessed with band instruments valued at \$10,000 and pianos and organs. The House of Music was later established with private practice rooms and a studio for musical talent.

## ELLENDALE - TBI

Yes, some things have changed. But they were all physical changes necessary to meet the needs of students, from 30 states and more than 20 denominations, who find their way to the campus in North Dakota where they receive an old fashioned charismatic education in a progressive atmosphere. The peaceful prairie surroundings contribute to an ideal, relaxed atmosphere for study and prayer. They receive the finest academic preparation for their choice of area:

Ministerial, missions, music, business, secretarial, communications, Christian education or elementary school teacher training.

The Bible is still the textbook at TBI. A highly trained staff of born-again, spirit-filled instructors teach the students how to integrate their faith and academic discipline.

Missionary Prayer Bands still meet each week, and the annual missionary convention brings the needs of the world to the TBI doorstep.

Musical and Ministry teams still travel on weekends and during the spring break.

Classes are still interrupted as the Holy Spirit takes over and students worship and praise the Lord.

Students still come to study to show themselves approved unto God, rightly dividing the Word of Truth, to develop their minds that they may give to all men a reason for the hope that is in them.

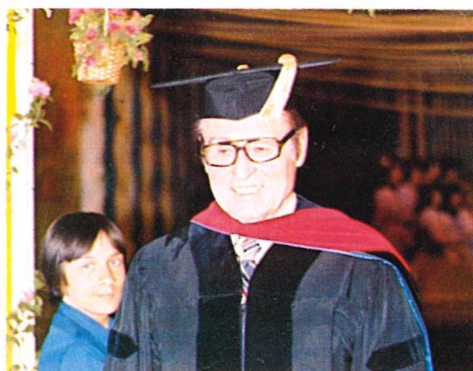

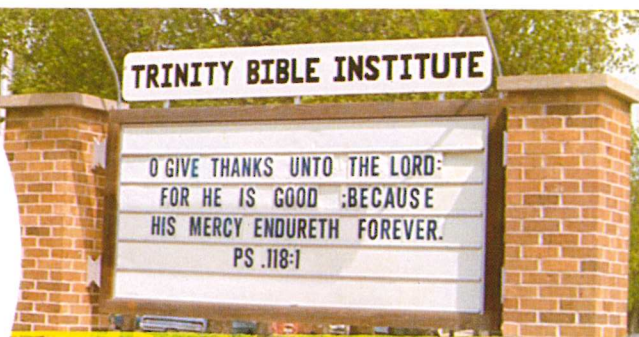

In 1982, President Ron Hastie picked up the mantle and now leads the institution on to new goals and accomplishments as he follows the dream God placed in his heart.

The early days of TBI have become obscure, but the dream and vision God planted in the heart of a man who obeyed him continues to grow brighter and clearer.

The 3,500 students, who have passed through the portals of Lakewood Park Bible School in Devils Lake, Hub City Bible Institute in Aberdeen and Trinity Bible Institute in Jamestown and Ellendale, continue to march as a mighty army because an unknown man, tucked away on the North Dakota prairie, dared to follow his dream.

## James Hernando

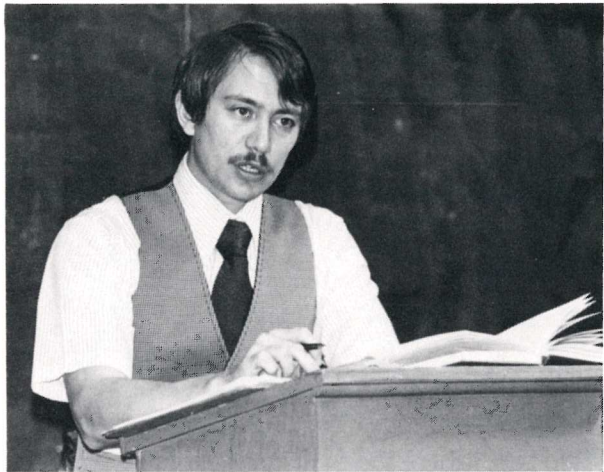

In preparing for a race, many hours are put into rigorous training as a man disciplines himself for the memorable event. James Hernando's many days of training have prepared him for the roles he fills at TBI, where he is a model for young lives preparing for the ministry, and eventually family life! His deep understanding of the Word of God is displayed in his classroom presentations and sermons as he fulfills the roles of teacher and preacher. He truly proves the test of a "workman . . . rightly dividing the word of truth." Through his exegesis of the Living Word, many young men and women have been challenged and changed as spiritual and practical aspects of ministry are brought into focus.

His roles of father and husband are also portrayed as genuine love is manifested towards his immediate family. Many times during his teachings and sermons, tears come to his eyes as he shares a special event in the life of his son, Matthew.

He also is a special friend to the students and faculty. Even with his busy schedule, he is willing to talk or counsel with a friend in need. He continues to press forward; he is an excellent model in the spiritual realm by his disciplined lifestyle. He is also a good example in the physical realm, coming in first in the 300 mile club.

**DAN  
MILLER  
IN  
APPRECIATION**

Staff member, administrator, business manager, preacher, teacher, father, husband, and community leader sum up all the positions that create Dan Miller. A man with much versatility, he flows into the responsibilities that his leadership roles require. With many roles to fill, some simultaneously, he keeps a level head and shows God-given attributes.

Dan is a man dedicated to a cause, faithful to his responsibilities, loving to others, calm in times of pressure, understanding in his dealings, and patient even under stress. As TBI's business manager, he handles the financial aspects of TBI life and keeps the money flowing. He is a member of the Administrative Committee, and with them helps direct the policies of the school.

When it comes to ministering, Dan again shows those qualities which make him a man of God. As he freely leads in praise and worship to his Heavenly Father, all participants are brought into spiritual realms which allow God to take His course in the service.

At home, Dan is a faithful husband and father who shares love and understanding in a peaceful life with his family. During the summer he sheds his business suit to become Dan the athlete as he participates in slow-pitch softball.

Love, joy, peace, meekness, longsuffering, goodness, gentleness, temperance, and faith certainly do shine from this man as he lovingly serves the Lord and follows His principles. We appreciate this versatile man, Dan Miller, as he helps lead TBI onward.

# HASTIE ACCEPTS PRESIDENCY

The Rev. Ronald Hastie of Peoria, IL, accepted the presidency of Trinity Bible Institute, Ellendale, ND. Assuming the position on June 30, Hastie succeeded the Rev. Roy H. Wead who retired. In the announcement to the student body, Wead highly endorsed the Board's selection. He noted Hastie's practical experience as significant to the the office.

Hastie was senior pastor of the First Assembly of God, Peoria, IL for the last five years. The church had a membership of 740 with Sunday attendance exceeding 1,000. He worked with a multiple church staff of ten and the Assembly's Christian school and day care center staff of 25, servicing 200 children and youth.

Besides serving as vice president of the Board of Directors of Evangel College, Springfield, MO, Hastie is a member of the Board of Directors of the Assemblies of God Graduate School, Springfield, MO.

After attending Central Bible College, Springfield, MO, Hastie entered the ministry in 1952. Since that time he has pastored six churches, served as an associate pastor, and ministered as an evangelist.

The Rev. Hastie and his wife Janice reside in Ellendale. They have three grown children.

# Message from our President . . .

## "Building a Strong Foundation at Trinity . . ."

An engineer or contractor knows that the strength and longevity of a structure is determined by the kind of soil and foundation that is under the building. This information is gathered by first testing the soil in order to determine what kind of foundation should be built. Then, only after detailed planning is the foundation constructed, with great investments of labor and finance.

These statements best describe the motivations, goals, and work of our administration. We have been busily engaged in testing, evaluating, calculating, examining, constructing, preparing, asking, deciding—doing all the essential things that will build a strong foundation for Trinity Bible Institute—now and for the future!

The longevity of Trinity depends upon the Lord's miraculous supply of finances and students through its constituency. Historically, Trinity has generated 97¼ cents of every dollar internally. Only 2¾ cents of each dollar came from an external source. Now the time has arrived in today's economy when we must raise \$250,000 annually in order to keep the college in a strong, healthy fiscal condition.

We are dependent on our constituency to help us raise these funds. We have no other source! The foundation is presently being laid with inspired programs of fund-raising being initiated this year—programs targeted towards our constituency to raise \$250,000 annually. Look at the list of our resources:

SEED (Student Enacted Endowment Drive)  
Laymen's Council  
Board of Directors  
Faculty/Staff/Students  
Alumni  
District Councils (TBI Day) Sectional Goals  
Appeal letters and "Tidings"  
Ellendale Business Community  
Regional "Here's Trinity" Dinner Rallies  
Trinity 300 Club  
Churches and Missions Budgets  
Private and Corporate Gifts

We have seen a miraculous response already this year! Funds have come from nearly all the sources listed above and people are responding in a positive way to the needs of Trinity Bible Institute. I'm both humbled and grateful for the incredible response. God is faithful—so are His people!

What are the other elements in building a strong foundation? at Trinity? I would be remiss if I didn't pay tribute to Trinity's . . .

Cooperative Board of Directors  
Outstanding Administrators  
Dedicated faculty and staff  
Sharp, beautiful growing student body  
Concerned, supporting parents  
Stong, accredited Bible curriculum  
Spiritually alive atmosphere  
Spacious campus  
Beautiful buildings

. . . all of these are essential blocks in the foundation that is being laid at Trinity.

But really, the foundation was begun many years ago by such pioneers as L. E. Engler, W. H. Kessler, and Dr. Roy H. Wead. They did the hard and difficult tasks, the spade work, the pioneering of Trinity. We salute these brethren!

I feel a debt of gratitude to all of them but especially to my predecessor Dr. Roy H. Wead, who invested 13 years of his capable life and ministry in developing Trinity and bringing it to a place of accreditation with the Assemblies of God and with the American Association of Bible Colleges.

Foundation laying is important work, but it is to no avail if the structure is never built! An idle foundation is a poor testimony! So the challenge is now before us in the eighties to build upon the foundation that has already been laid. That is our God-given task—to build the kind of Bible College that will be attuned to the spiritual needs of our church and our world.

I believe we will build such a college even in the midst of great economic difficulty and satanic opposition. We will build this college because its foundation is built upon THE ROCK, Christ Jesus. I forecast the most exciting days ever for Trinity Bible Institute as we labor together, building for His eternal glory.

## SPIRITUAL EMPHASIS

### FALL SPIRITUAL EMPHASIS

Missionary Mark Buntain of Calcutta, India and Evangelist Gary Lemberg of Minneapolis, Minnesota were the spiritual emphasis speakers during the opening week of the fall semester.

Evangelist Lemberg set the spiritual atmosphere as he led the body of Christ in worship and praise with his vocal solos accompanied by instrumental sound tracts or guitar.

Missionary Buntain, a man totally devoted to the cause of Christ and the salvation of souls, challenged the listeners with his example and daily messages on prayer, servitude, trust, and commitment.

# SPIRITUAL EMPHASIS

He stressed the practical spiritual truth of using the "now" as preparation for future opportunities for service. Only time, and eternity, will reveal the fruit of spiritual emphasis week as young men and women dedicated themselves to the service of the Lord.

# C. M. WARD

Dr. C. M. Ward presented a series of teachings on the techniques of preaching and pulpit ministry in early October. Ward, using colorful illustrations, held his audience's attention as he demonstrated three types of preaching: expository, textual, and biographical. Practical aspects of ministry were brought into focus by Ward as he shared various ways of touching people. Ward's presentations were humorous, compassionate, and colorfully illustrated as he shared his servant's heart.

To provide for an atmosphere of  
Christian growth

To aid in preparing students for  
ministry

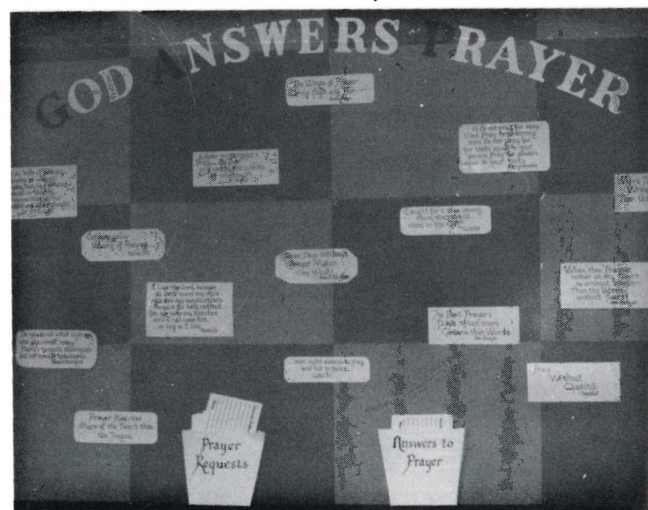

To create an established outlet for  
the ministry of intercession by in-  
dividuals both faculty, staff, and  
student

To aid students in establishing their  
own life of prayer

To establish what is normative for  
the Kingdom of God

# SPIRITUAL EMPHASIS

"I want the Cross" was the cry that echoed throughout the chapel and in the hearts of students as they stood and genuinely committed their lives to service for Christ in the culminating service of a 3-day spiritual emphasis with Rich Wilkerson and Greg Hardcastle.

Wilkerson ministered with the anointing of the Holy Spirit bringing a message to deeper consecration and holiness to God. Rich travels and ministers throughout the United States in churches and rallies and to youth in junior high and high school assemblies.

His brother-in-law, Greg Hardcastle ministered in song in each service. His consecrated delivery of Gospel music made a deep impact on each one.

The temperature hovered in the 40's as 23 candidates for water baptism waited to be immersed in the chilly waters of Pheasant Lake. Even though people huddled together, draped with blankets and coats as the wind whistled through the throng, the candidates never thought of canceling the service. The warmth of God's love seemed to compensate as they publicly identified with Jesus Christ in baptism.

# MISSIONARY CONVENTION

The annual Missionary Convention was combined with Alumni weekend in the fall semester. Brenton Osgood, Light for the Lost Director, was the convention speaker. Music was provided by the Music Department. The Missionary Prayer Bands constructed mission booths to depict the message of the theme, "To Be Used of God". Faith promises were made to meet the proposed missionary budget. Students responded to the moving of the Holy Spirit and the call of God to missionary service.

## MISSIONARY - IN - RESIDENCE

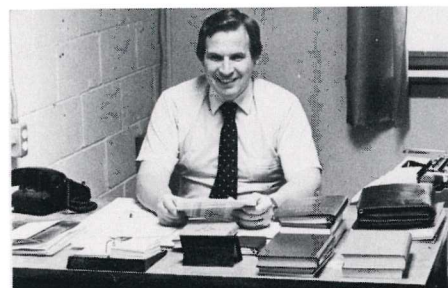

A missionary family is selected each year to serve as teachers and leaders of the missions program. Gary and Avaneil Carlson and children Gary and Kirsten walked into the hearts of the TBI family this term. The Carlson family are missionaries to the Republic of South Africa. In South Africa he served as District Superintendent and was a teacher and principal of a Bible College. Avaneil, who is active in music ministry, has her B.S. in Music and Elementary Education. Gary, 13, and Kirsten, 11, attend public school in Ellendale.

## TRINITY CHORALE

The Trinity Chorale of Trinity Bible Institute in Ellendale, ND toured a wide area in Montana, North Dakota, South Dakota and Wyoming in the 1983 season. The ministry of the Choir appeals to people of all ages as music is presented ranging from the Classic greats throughout history to the most up-tempo Gospel styles.

The director, Rev. Gary D. Lewis, brings a high tradition of choral music from experience touring with the famous Concordia Choir under Dr. Paul Christiansen. The Trinity Chorale reflects that finest of choral traditions combined with the Christian, Pentecostal message of the Assemblies of God.

In addition to holding an advance degree in music, Rev. Lewis is an ordained minister and Chairman of the TBI Music Department.

## CHRISTMAS CONCERT

To bring glad tidings of the Christmas season to the TBI family, the Trinity Chorale, College Choir, Sunday Praise Choir, Instruments of Praise, and the Trinity Christian Center Youth Choir presented a Christmas concert entitled "Rejoice In Your King." Congregational singing began the program which was followed by a musical presentation giving glory and honor to Jesus Christ, our King. As director Gary Lewis said, "Each song was chosen by the Holy Spirit," and His presence certainly was felt throughout the program.

## "Spokesmen"

### TRINITY BIBLE INSTITUTE

The "Spokesmen", consisting of Andy Sands, Brad Purfeerst, Loren Sandoz, Jeff Nelson, and Troy Evans will travel by bicycle to Florida during the month of May. They will hold services featuring music and mini-skits to tell the story of God's love. Their goal is to communicate the love of Jesus to friends they make as they bike throughout the South.

The "Lifesavers", consisting of Candy Braunberger, Renne Jost, Jill Zimmerman and Joy Zimmerman, will spend two months during the summer of 1983 ministering in the South Pacific countries of Fiji, Vanuatu and Tonga. They will be conducting children's and youth services in various national churches in a program designed to offer both practical missions experience and academic credit. The group, directed by Lavonne Larson, is also working in cooperation with the Mobilization and Placement Service (MAPS).

The Gospel Sounds

An accident in Poplar Bluffs, MO, Sunday, August 15, took the lives of two young women from Laurel, Montana. Melodie Unterseher, 27, was killed in the accident and her sister, Valerie, 32, died 3 weeks later from injuries received. They were enroute to Springfield, MO in their travel bus, when it collided with a tractor trailer on a rain slicked highway. Also killed in the accident was another member of the group, the Rev. Grace Marr, whose 14 year-old-daughter also suffered serious injuries. Listed as a third fatality in the accident was the driver of the tractor trailer.

Both girls attended Trinity Bible Institute and were licensed ministers of music. They devoted their lives to singing and spreading the love of Jesus. Melodie was pianist for the Troubadours for 3 years while at TBI. Survivors include their parents, Emil and Florence Unterseher of Laurel; two sisters, Emilie Williams of Laurel and Vickie Riojas of Lambert; and three brothers - Richard of Casper, Wyo., Rev. Robert of Hettinger, ND and Raymond of Watford City, ND.

This book is unique in that it was produced without an official yearbook staff. As the need was there, a person to do the job was there to do it. The Missions Minor is a logical combination with the Biblical Studies major for those students wishing to pursue full time missions work. In the Assemblies of God Foreign Missions program it is necessary to have completed successfully, two full years of active ministry and to take further training through the Assemblies of God graduate school or other programs sponsored by the Department of Foreign Missions before going to the mission field. For this reason, the courses in missiology and related courses in sociology, anthropology, and cross-cultural communications are preparatory for post baccalaureate study.

# SISTERS

A thrilling beginning of the year brought together the new and returning students at the Big/Little Sister Party. Jokes were told, songs were sung, refreshments were served, and the Lord was lifted up as the party ended with praise and worship. As the night continued, the "sisters" stayed in the armory and had a get acquainted slumber party.

"Celestial Christmas" was the theme which transformed the armory into a heavenly sphere as the TBI family gathered for the annual Festival of Christmas. A manger scene portrayed the story of Christ's birth and the visitations by the wisemen and shepherds. The old and the new were brought together as carols were sung, singing groups ministered, and communion was served to God's TBI family. Rev. Phil Joseph, alumnus from Harlem, Montana, missionary to the American Indians, was honored with a special love offering of gifts and food.

# FACULTY CHRISTMAS

It was time for love and blessing as the faculty/staff gathered in the beautifully decorated armory for their annual Christmas celebration.

A delicious buffet of cold cuts, salads and desserts was served followed by an evening of entertainment and worship planned by Ermalene Bentz.

Sadie Hawkins week is a time for fun and laughter. Ribbon Day and Tie Day, Candlelight supper with Marryin' Sam, Dating Game for both Bachelors and Bachelorettes, Nearly-Wed, Newly-Wed, Oldie-Wed and Goldie-Wed games provide entertainment. These events have become a traditional part of life at TBI to let off a bit of the spring fever steam that seems to build up.

Naughty, naughty

The Student Association of TBI consists of representatives from each campus organization, class representatives, and faculty advisors. Student Association exists for the purpose of fostering spiritual, scholastic, and social growth and development as well as functioning as a liaison between the student body and the faculty and administration. Student Association also directs efforts to support student orientated community relations projects as a form of outreach.

Fall Festival is sponsored by SA to provide opportunity for social intergration. Three fun-filled days encourage friendly competition in various categories and prizes are given to the winners.

# SWEETHEART CANDIDATES . . .

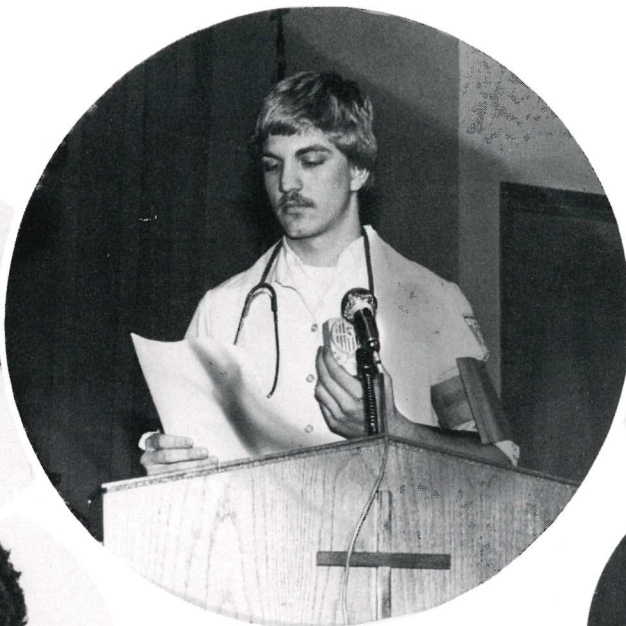

## "This is your life"

Decorating began on Monday for the theme supper and the candidates were revealed. While LaVonne, Brad, Merry Jo, William, Janette, and Brad were busily preparing for the week, the cafeteria was being transformed into a dreamland of love. "Once Upon A Dream" was the theme for the Wednesday banquet and friends shared Christ's love as they ate in the enchanting surroundings. A review was held after dinner which gave us a glimpse of the candidates as their lives were revealed before all.

For the more daring students, a roller skating party was sponsored in Aberdeen on Thursday night. Nearly a hundred people participated in this event as they fellowshiped and skated to Christian music. This provided a release for the energy that was building up as many anticipated the announcement of the Sweetheart King and Queen.

Friday morning arrived and anticipation filled the air as the students made their way to the chapel for the announcement of the winners. As the love theme prevailed, each was a winner in being chosen for their love, dedication, and service to God. Amidst festive decorations, praise and songs floated forth to give our love to God.

Love is the theme of February and such was the case during TBI's Sweetheart Week. Festivities were held that showed and shared the love of Christ that flows freely on campus.

The announcement was made and Merry Jo Wilberding and William Richardson became the 1983 Sweetheart King and Queen. The Royal Court received congratulations and the week ended that night with a reception in the snackshop after the basketball game.

### **APPRECIATION - Dale Hvistendahl**

The yearbook was dedicated to Ermalene Bentz who is a teacher in the business department at Trinity.

Everyone was surprised when the Appreciation honoree, Dale Hvistendahl, was not present to receive his honor. Since he rarely misses chapel, it was assumed he would be present. However, he was on his way to Oakes for a load of flowers to decorate the campus.

# CRUSADERS

The Trinity Crusaders worked through a rebuilding year of basketball competition. The team improved consistently through the course of the year. Newcomers Scott Spivey and Dave Becker saw starting roles and developed something to build on for the future. Trinity is a member of the Northern Intercollegiate Christian College Conference, also participating in the NBCCA, and NLCAA organizations. Through ministry off the court in various churches, the Crusaders saw many souls reached for the Kingdom of God.

# CROSS COUNTRY CHAMPIONS

Coach Jim Hernando

Trinity Bible's Cross Country team paced out an upset over St. Paul Bible College in a National Intercollegiate Christian College Championship meet in St. Paul.

Eighteen runners lapped the 5.0 mile roller coaster course on a cold, rainy day.

St. Paul nailed down the first two spots and Jon Richardson from Trinity brought home a 3rd place medal running a time of 32:24. Individual placement helped Trinity edge St. Paul 29 to 28.

Jim Hernando, coach and Theology professor at Trinity, was excited about the potential of the team after their first year.

The main emphasis of Cross Country at Trinity is not just competition, but includes promoting fellowship, conditioning and balance for the race of life.

## Jog-a-thon

The Trinity Bible Institute Cross Country team was victorious as they paced fifteen miles in a jog-a-thon from Frederick, South Dakota to Ellendale, North Dakota.

The 12 members earned nearly \$400, enough to cover expenses for their remaining meets.

Also running was Norm Shuert who raised \$350 for the missions program at Trinity.

Jim Ryun, the former World Record Holder in the ½ mile, mile, and 1,500 meters, was featured in the Maranatha Challenge of April 9, 1983. This 10,000 meter road race was sponsored by Trinity Bible Institute as a school fundraiser. The race was run at 10:30 a.m. Saturday. An Awards Luncheon followed, during which Jim Ryun was on hand to present trophies and ribbons to the winners and top placers of the different age groups. Runners (male and female) of all ages participated.

## EASTMAN

Lives were changed on the TBI campus as the result of Dick Eastman's "Change The World School of Prayer" seminar held in April. The focus of this six-hour seminar centered on the "Intercessor in Prayer". Students were challenged to develop their prayer life to its fullest potential. The climax came as Dick led in prayer and students selected a particular nation to intercede for, so that the "strongholds of evil forces in our world would be torn down."

The "Building Blocks" presented a musical drama for Campus Days II in April. The presentation was excellent and a second performance was requested.

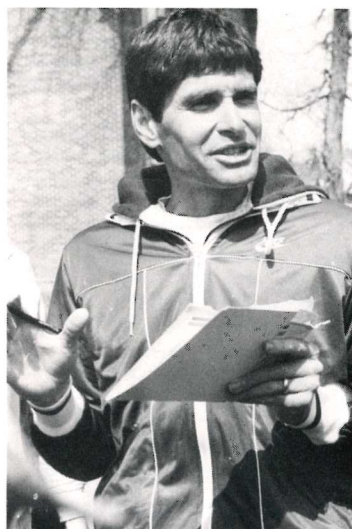

Members of the cast were Rick Nelson, Julie Playle, Melody Solmes, Steve VanKampen, Mike Nowatarski, William Richardson, Kathy Wagner, and Jacob Bock.

## MARANATHA CHALLENGE

The Maranatha Challenge race was run by 267 participants. The first TBI runner in was Jonathan Richardson in 10th place with a time of 36:51 for the 6.2 miles. Charlotte Hvistendahl walked the 10k in 2 hrs and 57 minutes.

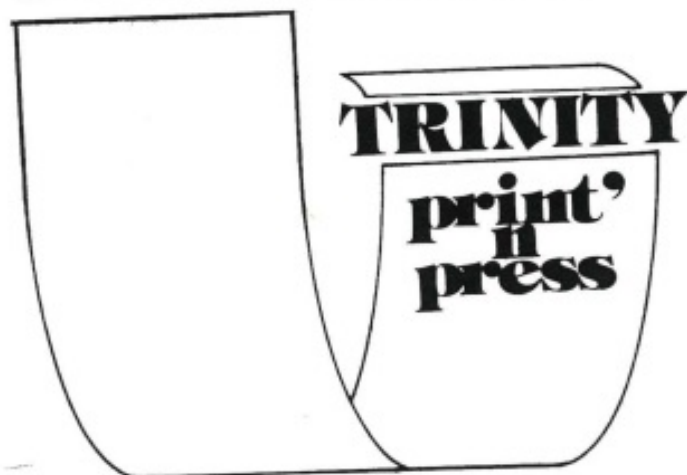

## FACULTY APPRECIATION

Bob and Kaye Garrison received their floral tribute and expression of appreciation from the Student Association. The Garrisons who came to TBI when it was in Jamestown in 1968 have resigned their positions as faculty members to go into a pastoral ministry.
