APPRECIATION

VIOLA MIDDLESTEAD

Viola Middlestead was employed at Trinity Bible Institute in 1973 and since that time has helped cook and serve thousands of meals in the cafeteria. Although generally viewed as a quiet and reserved person, Viola's ready smile and gentle laugh has won her many friends. Her love for the students, dependability and love for the Lord has made her a valuable employee.

We want Viola to know that her work here has been noticed and appreciated!

25th Anniversary (1972)

MEMORIAL THELMA CORNELL

Walt and Thelma Cornell came to T.B.I. from Belton, Kansas in 1974.

Walt was employed in the maintenance department and Thelma served as snack shop manager for about a year and one half.

Thelma was loved by the students and known for her good cooking, but even more for her Godly attitude.

Because of the many hours Thelma spent in intercessory prayer for the college and individual students, the glory of God was evident in her countenance and in her actions.

In June of 1983, we received word that Thelma had gone to her reward after a brief battle with cancer.

In loving memory, we remember Thelma Cornell.

A warm welcome to Lundstroms ...

Governor Allen Olson welcomes the new president.

Lowell Lundstrom

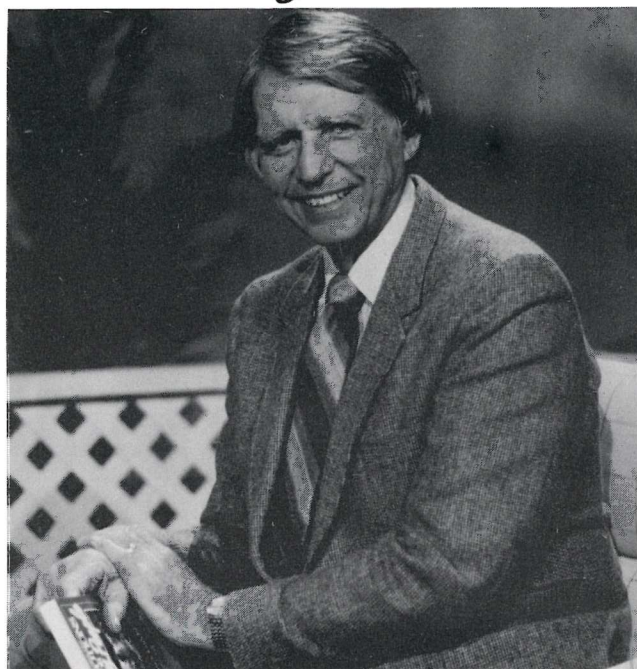

Lowell and Connie

Lowell Lundstrom, by a unanimous vote of the Board of Directors, was invited to be president of Trinity Bible College following Brother Hastie's resignation. Brother Lundstrom has been a well-known evangelist, composer and writer in the upper midwest for the past twenty six years. An alumnus of Trinity, President Lundstrom is vitally interested in the college and brings with him his burning desire to see souls brought into the kingdom of God and a creative vision for the future of T.B.C. Brother Lundstrom continues his crusade and seminar ministry in addition to being President of the college.

and to Carl Malz!

Carl Malz, a close friend and associate of Brother Lundstrom, and former faculty member of T.B.C., was appointed Executive Vice President by President Lundstrom.

Carl Malz

A farewell tribute to Hasties!

Ron and Janice Hastie

President and Mrs. Hastie served Trinity with distinction during their tenure here. However, "God's ways are higher than our ways," and in November the Lord called him to pastor Evergreen Christian Center in Olympia, Washington. The Hasties left many friends and memories of their time with the Trinity "family."

LEFT: President and Mrs. Hastie admire the clock given to them from the Board of Directors.

BRINGING YOU THE BEST ...

FACULTY AND STAFF

What do you expect of your students?

"I expect my students to approach the subject matter and their own ability with a positive attitude, not contemplating phrases like, 'I can't do that'; 'That's too hard'; 'I'm not good enough'. I can do all things through Christ who strengthens me. Phil 4:13 (That even includes Music Theory or learning to play the piano!)"

Virginia Bakke
Instructor - Music

"One-perfect attendance unless they're ill; Two-Getting assignments in by deadline dates; Three-Doing the best they're capable of doing."

Ermalene Bentz
Instructor - Business

"Attend class and absorb all they can during that time. They should do every assignment and strive to have their performance represent the very best of their ability, then they should put to practice what they have learned."

Avaneil Carlson
Instructor - History

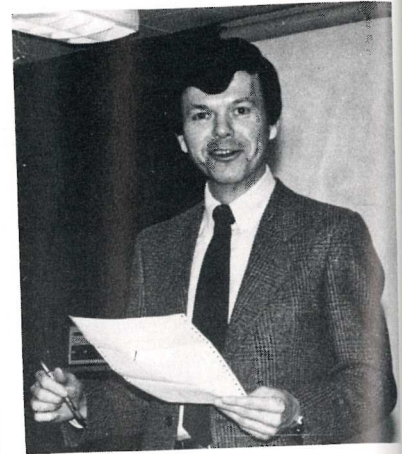

"One-attentiveness; Two-promptness; Three-effort."

Gary Carlson
Missionary-in-Residence

Rob Counts

This means on their part a daily reading of God's Word for their personal lives, and an earnest study of the Bible subjects which I teach, so that they have a clear understanding of God's Word, not only for their own benefit, but for the benefit of others."

CHAPEL GUESTS

This year in chapel, we have been bountifully blessed, feasting on one "banquet" after another. People were saved, filled with the Holy Spirit, and many were healed physically, as well as emotionally. It has been a great spiritual year and we are grateful for the chapel guests who came to minister to us, in many different forms.

THE LUNDSTROM TEAM

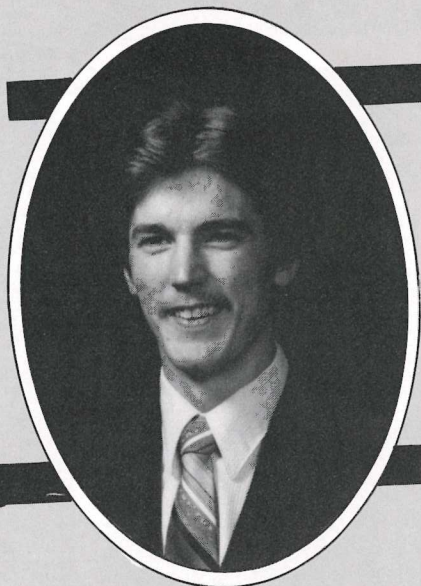

Along with the other fantastic chapel guests, we were especially privileged to have the whole Lundstrom team with us. The 3-day rally was extra meaningful to many students, as they had come to know the Lord in previous Lundstrom services. At the climax of the rally, and indoor baptism was held with over 20 students being immersed.

***MUSIC
MINISTRY!***

"CHORALE"

"Chorale" is a 22-voice musical group that tours on weekends throughout the school year as well as over spring break. They present a wide variety of music-anything from choral masterpieces to up-tempo contemporary pieces.

The versatility of the "Chorale" allows them to minister through many different kinds of presentations, appealing to both children and adults.

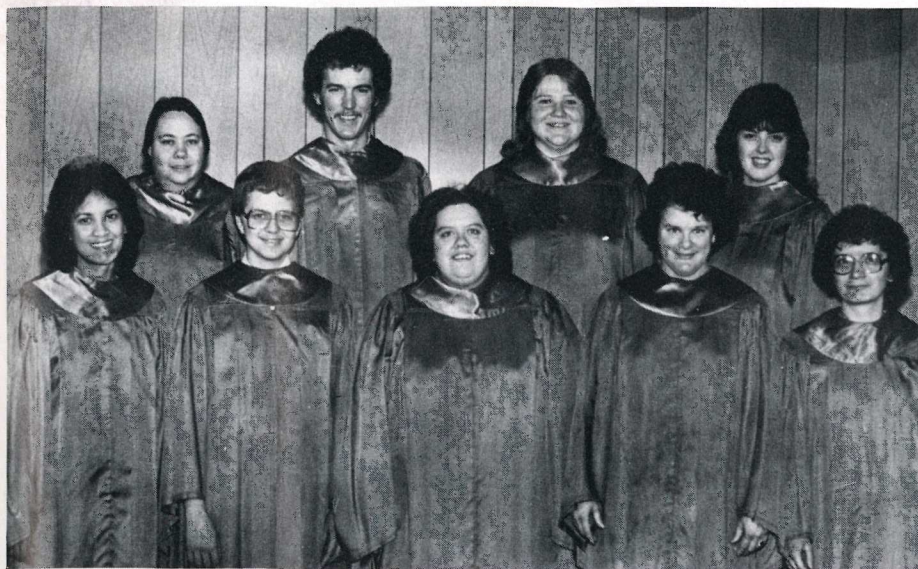

Their tours and week-end ministries include North and South Dakota, Wyoming, and Montana.

Director - Gary Lewis

"CHAPEL CHOIR"

"Chapel Choir" ministers on campus because of involvement in other travel groups or various obligations. This choir uses their talents singing as a group in concerts and church services for the glory of God.

"SUNDAY PRAISE CHOIR"

Director - Virginia Bakke

Pianist - Berdie Kovacs

"Being in the Lord's will is the most important thing in my life. Looking back over the past four years at TBC, I can see how the Lord was always blessing in my ministry of music. Being under the direction of Berdie Kovacs in Nova Choir and Redemption has been a special treat and in our many travels and tours we have seen God miraculously work in the lives of the people we ministered to. In return for my dedication to the Lord's work, I have received countless blessings and love that only Christ can give. I am thankful for the opportunities I have had to represent TBC and to be able to share just a portion of the wonderful things God has done in my life while attending Trinity. *"And the Lord hath put a new song in my mouth, even praise unto our God: many shall see it, and fear, and shall trust in the Lord"* (Psalm 40:3). This is my prayer—that people shall see and know the Lord through the songs that we sing and that He will be glorified."

The "Silas-Midnight Players", under the direction of Jeff Nelson, have performed a series of musical-dramas in chapel. The young people, comprised of faculty, staff and married student's children, use their talents in drama and song to express the Gospel and glorify God.

The "Wind of Heaven" consisting of Reginald Dunston (leader), Colin Makoni, Jonnee Donyes, Esther Vela, Shane Myers, Ryan Foresman, John Rambo, Anita Hays, Ed Bok, and faculty chaperone Ermalene Bentz traveled 17,000 miles and held 35 services promoting Jesus Christ and Trinity Bible College from July 2-August 7, 1983.

They ministered in churches; teen, tween, and family camps; senior citizens homes, and outdoor tent meetings in North Dakota, South Dakota, Minnesota, Iowa, Illinois, Wisconsin, Montana, and Wyoming.

They were privileged to minister in three black churches in the Chicago area. They were also privileged to minister in many churches pastored by TBC alumni.

As the Holy Spirit moved in the services, the "Wind of Heaven" witnessed people giving their lives to the Lord and being baptized in the Holy Spirit.

"FRESH SURRENDER"

"Fresh Surrender", consisting of Nadine and Dwight Sandoz, Sonya and Clive Shryer, Bill Whitson, and Melody Solmes, traveled from the end of June through the first week of August last summer.

Their travels took them through North and South Dakota, Nebraska, Iowa, Minnesota, Wisconsin, Illinois, Ohio, Kentucky and Indiana with 6 camps in their itinerary.

Their main ministry was in the area of worship and a deeper walk with God as presented through their songs and testimonies.

"LIFESAVERS"

Candy Braunberger, Jill Zimmerman, Lavonne Larson, Joy Zimmerman, Renee Jost

The "Lifesavers", a TBC MAPS team, spent two months during the summer of 1983 ministering in the South Pacific island nations of Fiji, Tonga and Vanuatu. The group, lead by Lavonne Larson, consisted of Joy Zimmerman, Jill Zimmerman, Renee Jost and Candy Braunberger. While in Tonga the Lifesavers ministered in the new Tonga Bible Institute as well as in village Children's Bible Clubs and churches. A highlight of the Tongan stay was a feast prepared in their honor complete with octopus and root vegetables prepared in an earth oven.

Speaking in schools, to women's groups, youth groups, to S.S. teachers, and conducting evangelistic services kept the group's schedule full and exciting. Puppet stories, special music and short drama presentations attracted children and adults. The thrill of seeing lives changed and touched surpassed inconveniences or fatigue, as when Anna, a hotel receptionist, found Christ.

In spite of cultural differences and speaking with an interpreter, there was an awareness that the Holy Spirit was at work. The Lifesavers returned, after 58 days and a total of 87 services, feeling enriched by many memories of committed missionaries and national workers, of exotic tropical scenery and strange cuisine, and of loving people, hungry for spiritual food. But most of all, they had deeper conviction that God will use whoever and whatever is dedicated to Him.

The "Spokesmen for Christ" completed their 2,500 mile biking tour last summer in 41 days. Troy Evans, Jeff Nelson, Andy Sands, Brad Purfeerst and Loren Sandoz left Ellendale on April 10 and arrived in Miami on June 10. They ministered in 30 churches along the way, using drama and sign language to present messages about salvation, the Holy Spirit, or parables like "The Good Samaritan".

The team had many wonderful experiences, made many friends, and considered their "Gospel Trek" a complete success.

An explosion and fire in the home of Paul Ward took the lives of Dawn (Vik) Ward and their daughter, Kimberly, on March 16, 1984. Paul and Dawn lived in and operated "The Refuge", (a halfway house for troubled boys) in Aberdeen, South Dakota.

Dawn had attended Trinity Bible Institute in 1976-77, then transferred to Northern State College in Aberdeen. She was a loving and dedicated Christian and the loss will be felt deeply by all who knew her.

***** IN MEMORY *****

Sam Waldner came to Trinity Bible Institute in 1981-82. Being of Hutterite background, his salvation meant excommunication from his church unless his new-found faith was renounced. He came to college knowing a vast amount of scripture, but with a thirst and sincere desire to learn more.

Sam went to be with the Lord in February of 1984 when his life was taken in a car accident in Sioux Falls, South Dakota.

TOTAL RELEASE PROGRAM

Biblical Basis:

Romans 8:29 "For whom he did foreknow, he also did predestinate to be conformed to the image of his son, that he might be the firstborn among many brethren."

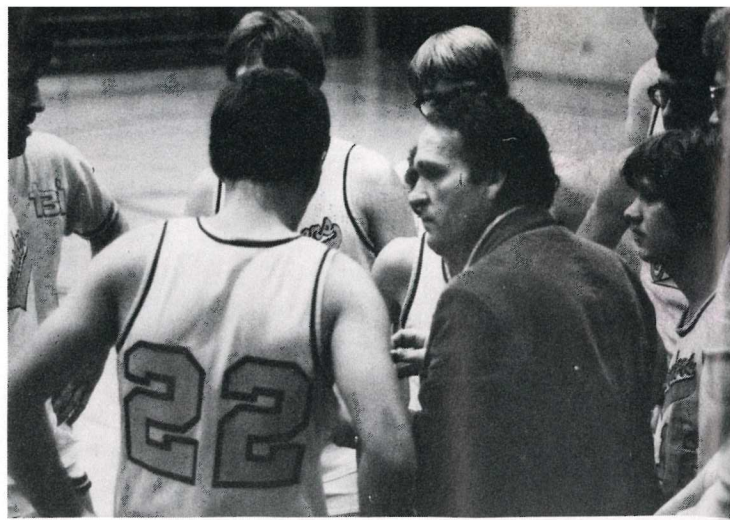

Colossians 3:17 "And whatever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him."

Colossians 3:23 "And whatever ye do, do it heartily, as to the Lord, and not unto men . . ."

Definition of Total Release:

Winning is the total release of all that you are toward becoming like Jesus Christ in each situation. Losing is *not* releasing your entire self toward becoming like Jesus Christ in each situation."

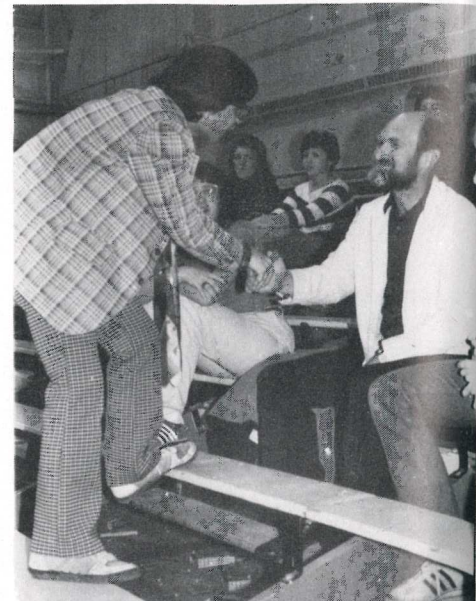

Along with the Total Release program being in effect, Gap leaders were also appointed. Charlie Knipe, Dave Becker, and Norm Richter were to be examples to the other players, encouraging in the area of grades and attitudes as well as serving as a go-between and sounding board between the coach and the team.

CROSS COUNTRY

The cross-country team showed great improvement this year, competing in one conference meet, two dual meets, and three invitational meets. They took second place in the conference meet.

Personal improvement has also been shown with 6 runners being able to run 5 miles in 32 minutes or less.

Karla Knutson won the women's division at the St. Paul meet, but because she felt the greatest all-around improvement had been made by Tammy Collins, presented her with the medal.

Ron Kosel welcomes the students to the barbecue and Ellendale

Ron Kosel was the chairman for the 1983 Community Picnic given to honor and welcome TBC college students. The annual event is sponsored by the TBC foundation comprised of Ellendale merchants. 82 pounds of wieners, 68 dozen buns, 10 gallons of pork and beans, as well as 7 quarts of pickles were purchased for the occasion. Jeff and Crystal Liechty from Jamestown and TBC's "Wind of Heaven" provided music.

In spite of the chilly weather, there was a very large turn-out and the "indoor picnic" was enjoyed by all who attended.

DONKEY BALL

On November 15th, four different teams tried their hand at playing basketball while attempting to stay astride a donkey. The teams competing in the mini-tournaments consisted of TBC faculty and staff, TBC students, Ellendale businessmen, and Ellendale High School students.

The event was sponsored by the college cheerleaders with about 350 people in attendance. The Ellendale High School "Cardettes" performed at half-time.

After many spills and much laughter, the TBC students came forth victorious.

Steve Tvedt was awarded "most valuable player".

During a general session with Bob Tatum, Dr. Kingsriter and Blane Huston, the challenges and changes at TBC were presented.

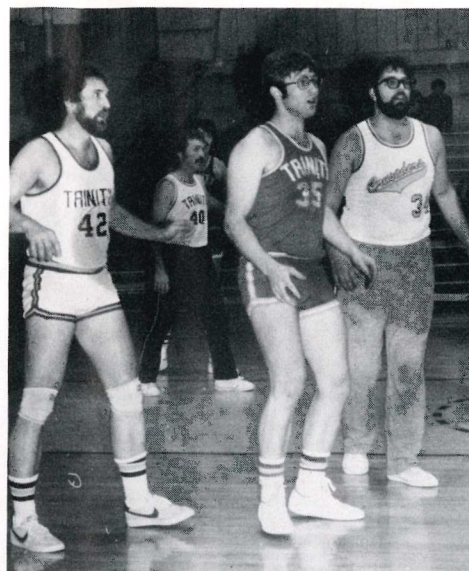

After brunch, Bro. Davidson gave a devotional, then the 1983-84 alumni officers were elected in the Business Meeting. They are as follows: Mike Rose - President, Dennis Noble - Vice President and Becky Hibbets - Secretary/Treasurer.

An exciting basketball game followed, with the Lady Crusaders defeating the female alumni. Later in the evening, the male alumni played the Crusaders, with the alumni winning, 84-76.
