

Pastor Dean Scott, 1992 graduate of Trinity, died November 9, 1995 while attempting to save a potential suicide in Canton, S.D. Dean, 33-year-old husband and father of four, was the senior pastor in the Canton First Assembly church, in addition to being a staff pastor with a local chemical dependency center.

Dean served as associate pastor with Pastor Jones in Trinity Campus Church from 1992-1994 as well as being a carpenter with mainte-

nance. Involved with numerous Dean lead a ministry team to Monter in 1993.

In everyone's college experience there is a shining light; a person that spurs encouragement in and out of the classroom. A person that not only successfully communicates a grand amount of knowledge to his students, but who also communicates wisdom, discipline, and a positive attitude toward all people and life itself.

For the past twelve years, Professor David Jones has been that shining light to hundreds of students that have passed through Trinity

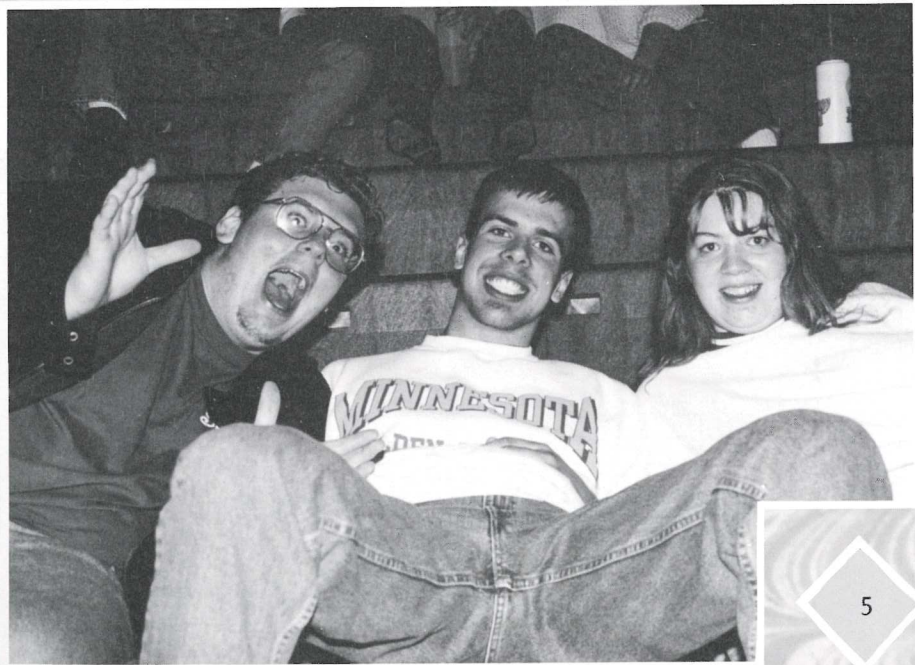

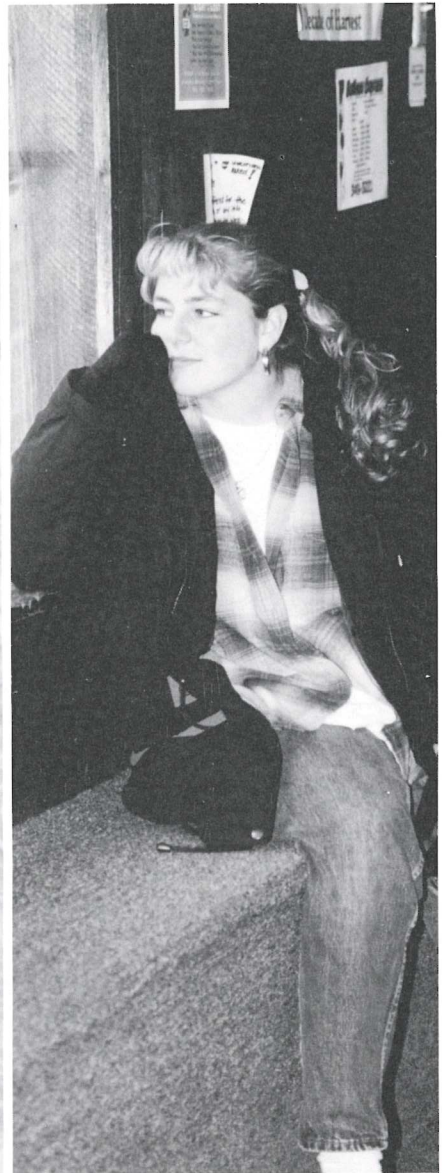

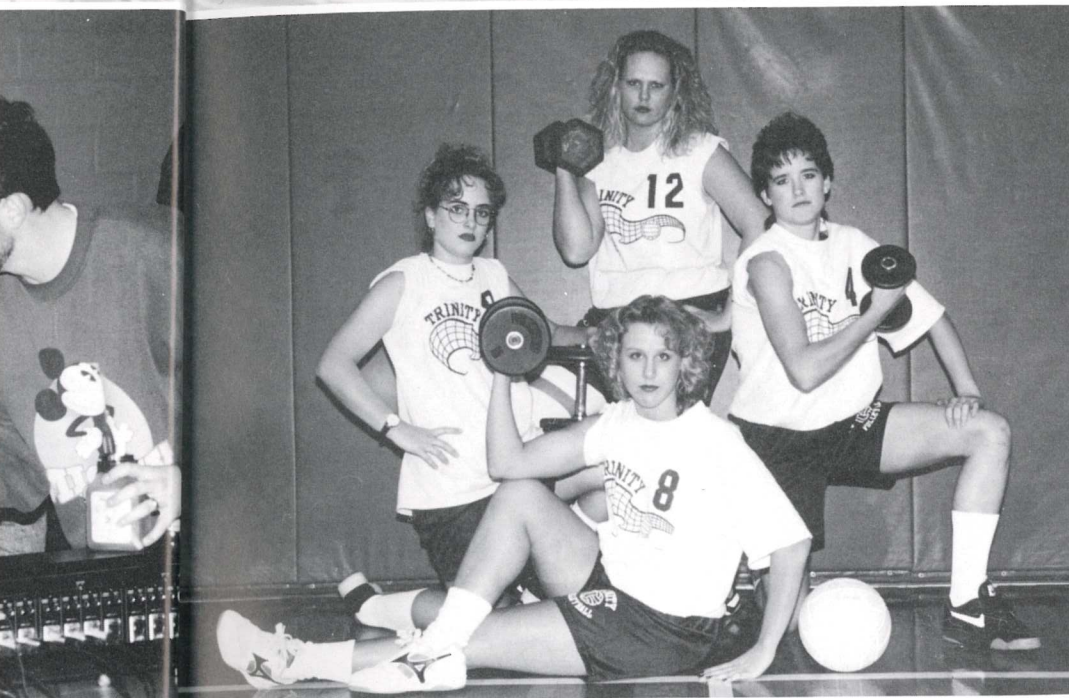

corridors. As a teacher, counselor, and friend, he has been Christ's tool in shaping the lives of future and Christian leaders. Therefore, the Senior Class of 1996 would like to dedicate this annual to Brother Jones. It is a small token of appreciation to a man who has definitely grasped the reality of what a Christian educator and example should be. For his presence during the last four years of our lives at Trinity, we all say "Hallelujah to God!"

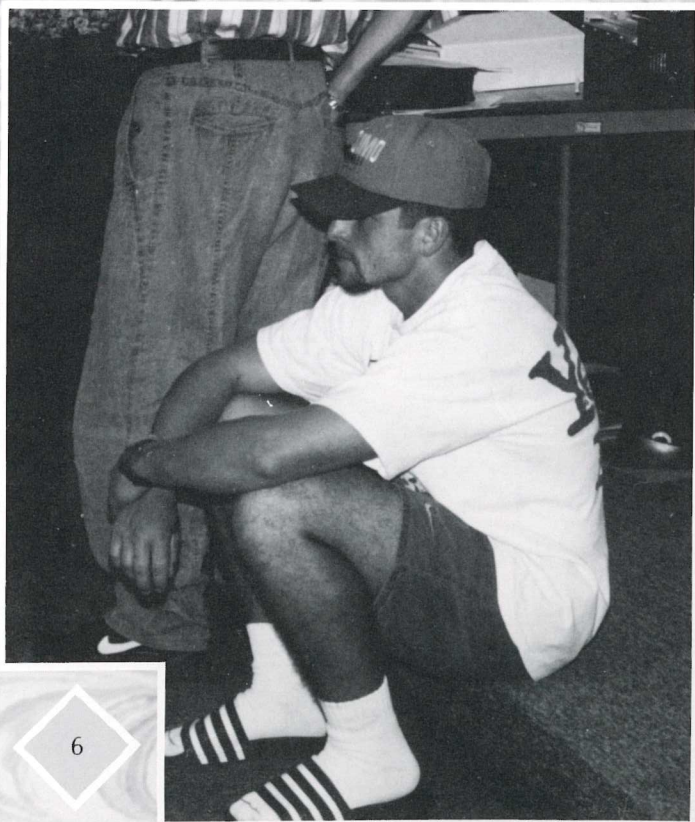

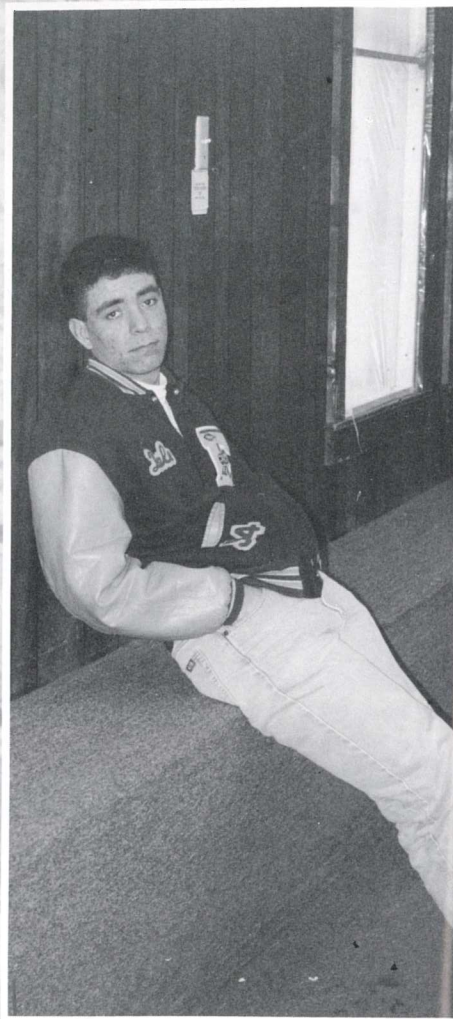

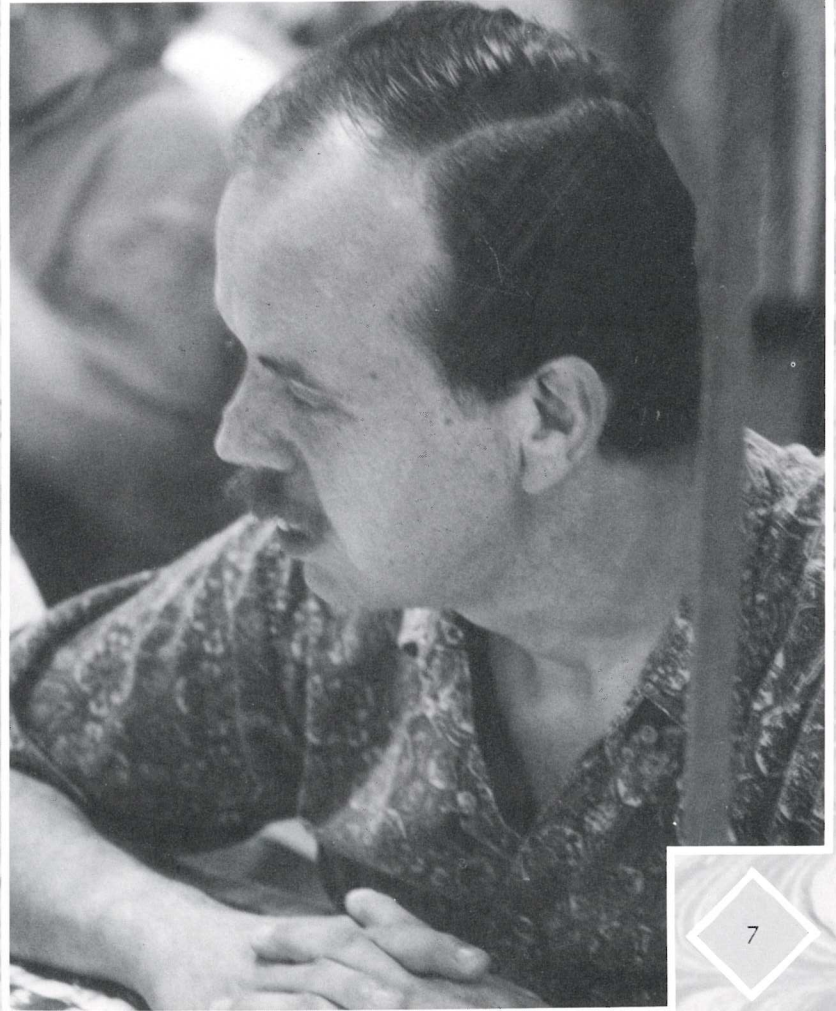

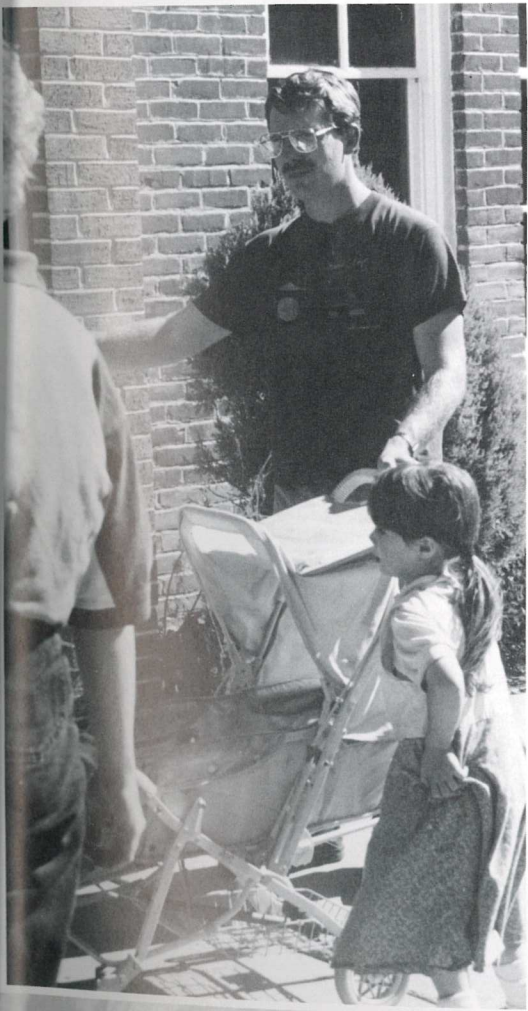

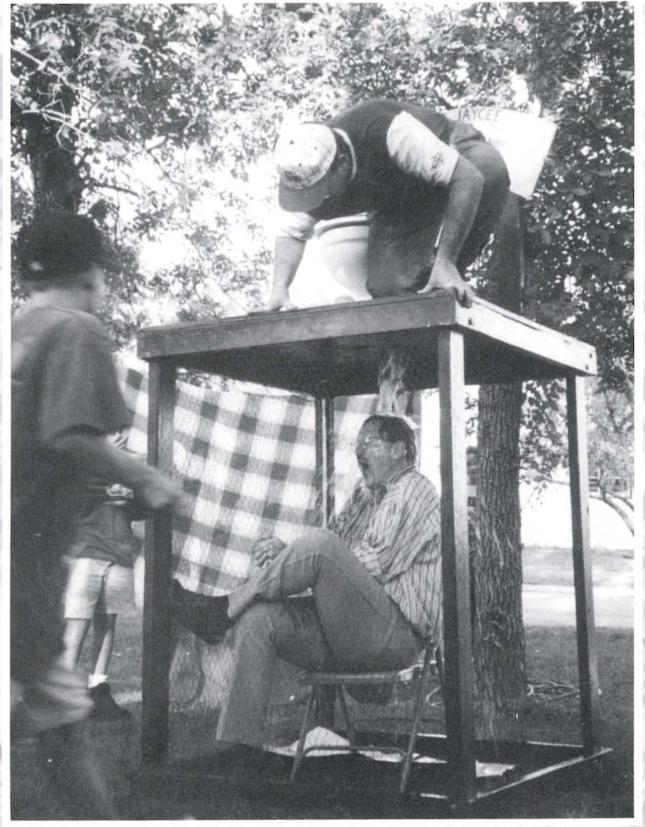

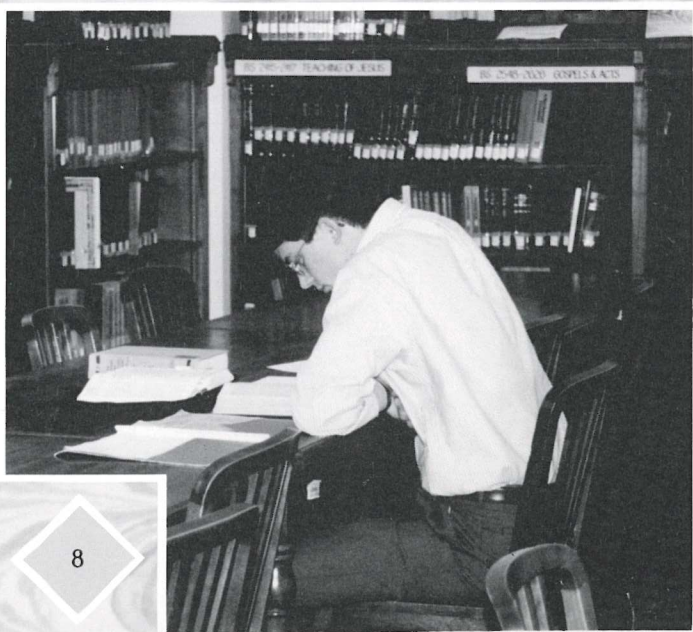

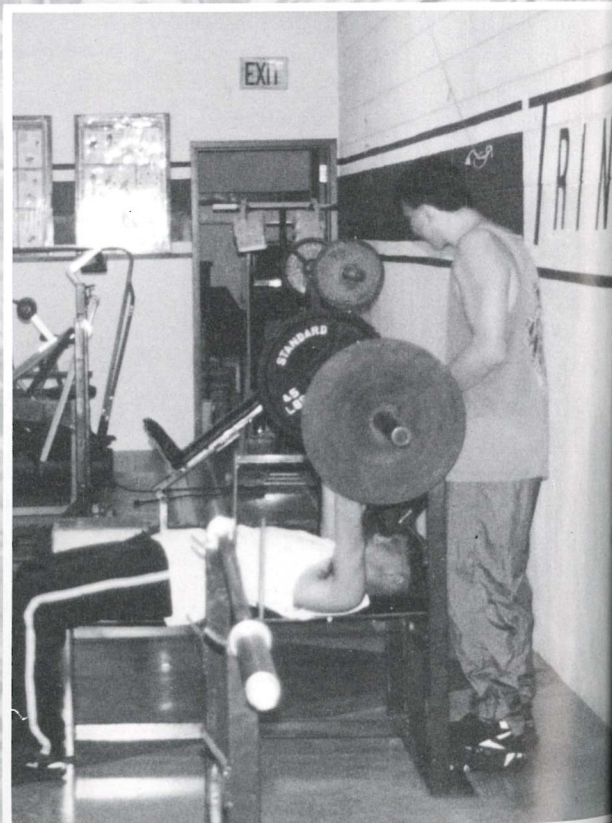

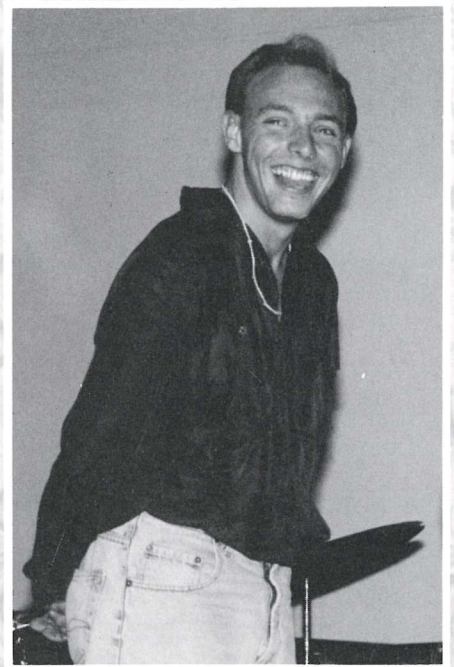

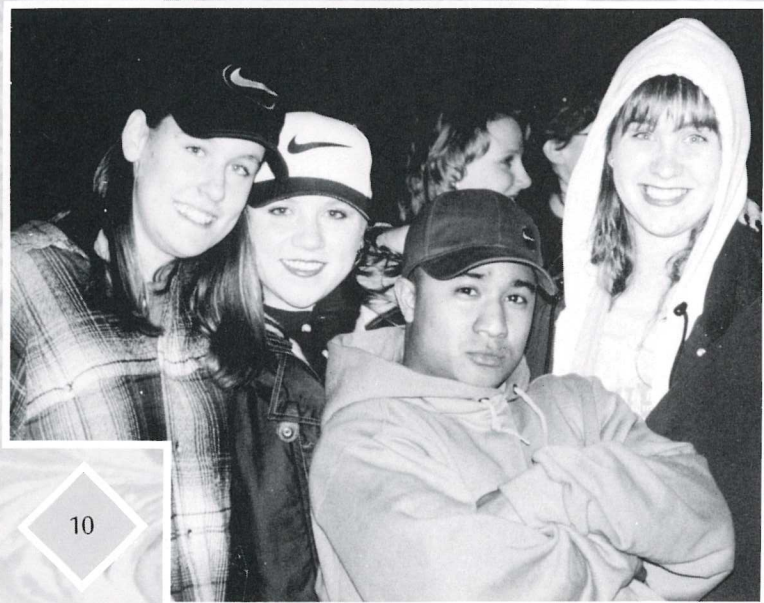

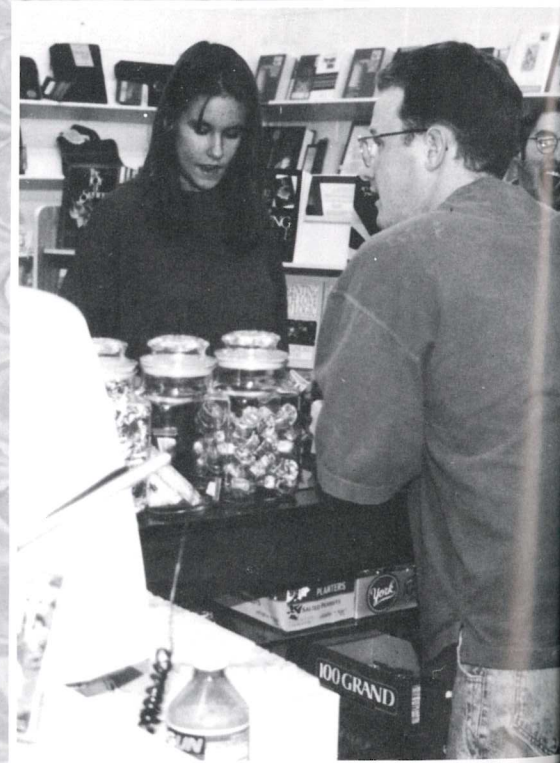

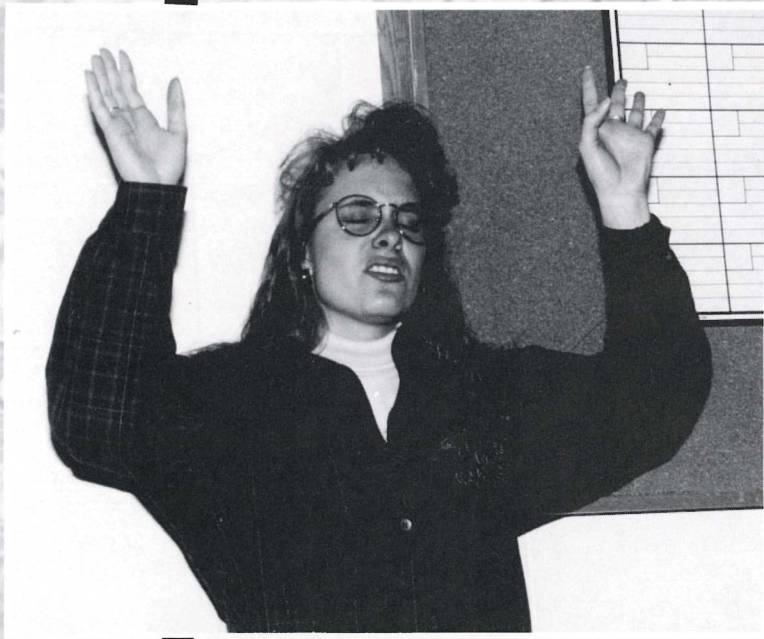

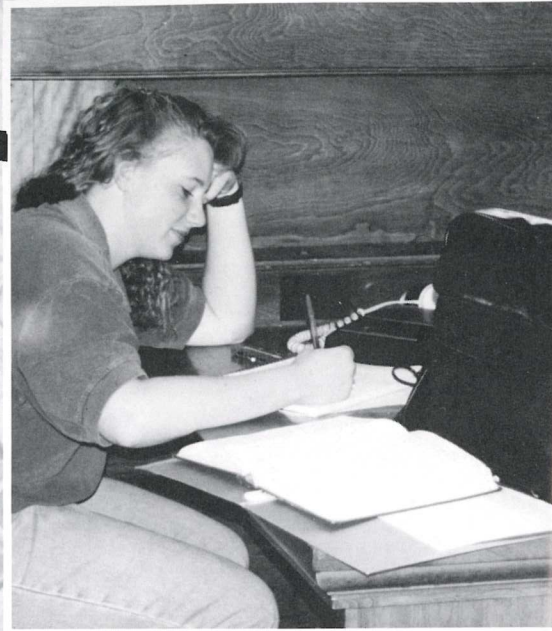

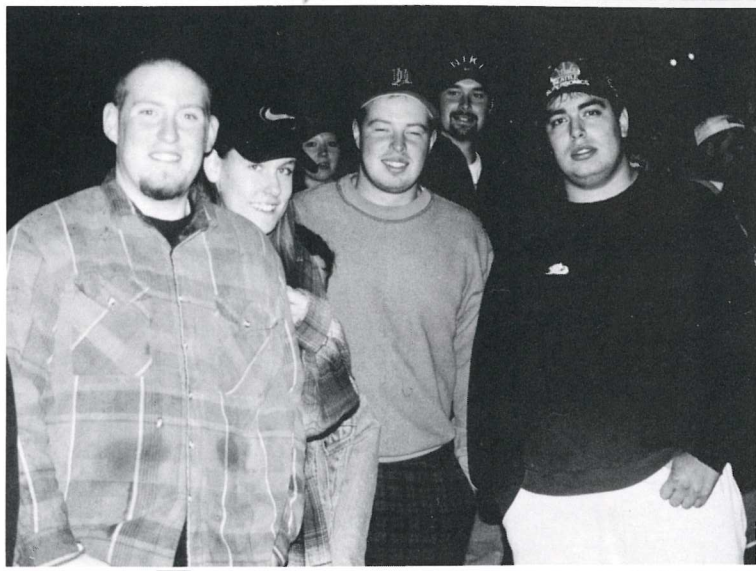

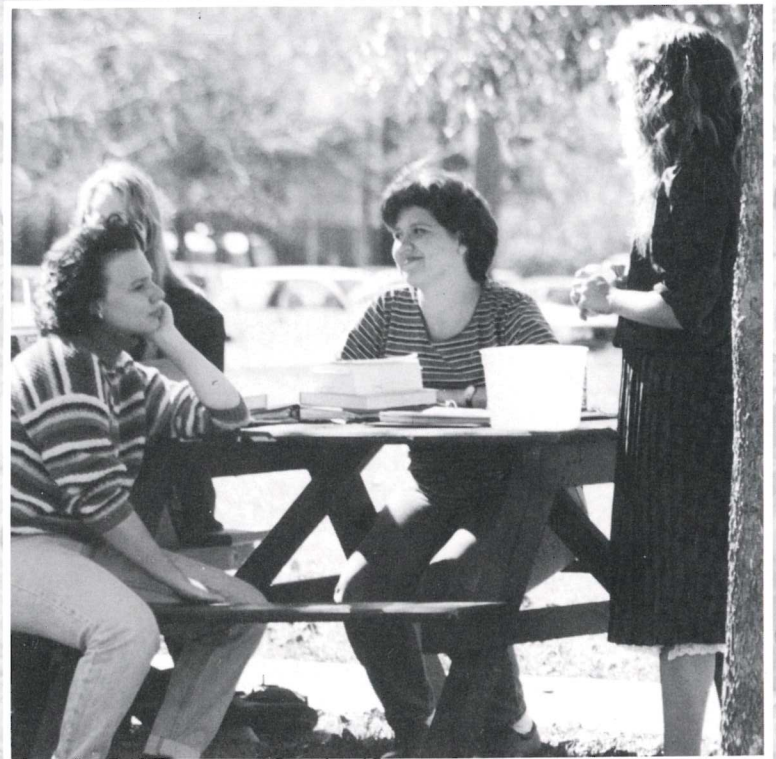

*"Carry each other's burdens, and in this way you will fulfill the law of Christ" Galatians 6:2. Trinity's student life is the essence of what Paul meant by these words. Friendship is, perhaps, the most important part of a person's college experience, and true friends carry each other's burdens without question.*

*Students from many different walks of life enter the doors of Trinity not knowing quite what to expect. Within a short amount of time, they are swept away in a cloud of strangers who will soon become their greatest friends. Strong, life-long relationships are formed during these college years.*

*On or off campus,*

**Friends are  
friends forever  
when the Lord is  
the Lord of  
them ...**

**Michael W.  
Smith**

*dorm or apartment trailer or duplex, Trinity students pray, study, eat, shop, laugh, and cry together. Some like the excitement, others the quiet. Some want to play while others prefer to sleep. Some have spouses, others have sweeties ... some have children and others just act like them!*

*No matter what the differences, these God people call Trinity Bible College their home. As they are gathering wonderful memories to take with them when it is the time to leave this place. And because of the playful, Spirit-filled lives they have lived here, each one will be able to leave the halls of Trinity a true "world changer".*

# Davidson

Through Thick & Thin Friends Forever. For most of the Davidson Women, College is a fresh start, a new adventure and a challenge. The thought of being away from home, a roommate, cafeteria food, community bathrooms, late night studying and exams, brings fear to some and excitement to others.

When things get a little too stressful there is always an ear ready to listen, a prayer room waiting to be used, and a friend to cry with. On the other hand, there are always people staying up late talking, phone calls to return at 3 a.m. and music being played a little too loud. But God always is the center point of everything we do; from poster parties, girls night out, floor parties, hall prayer, secret sisters, Louis and Clark drool-a-thon, the mice running at midnight.

# The Wings

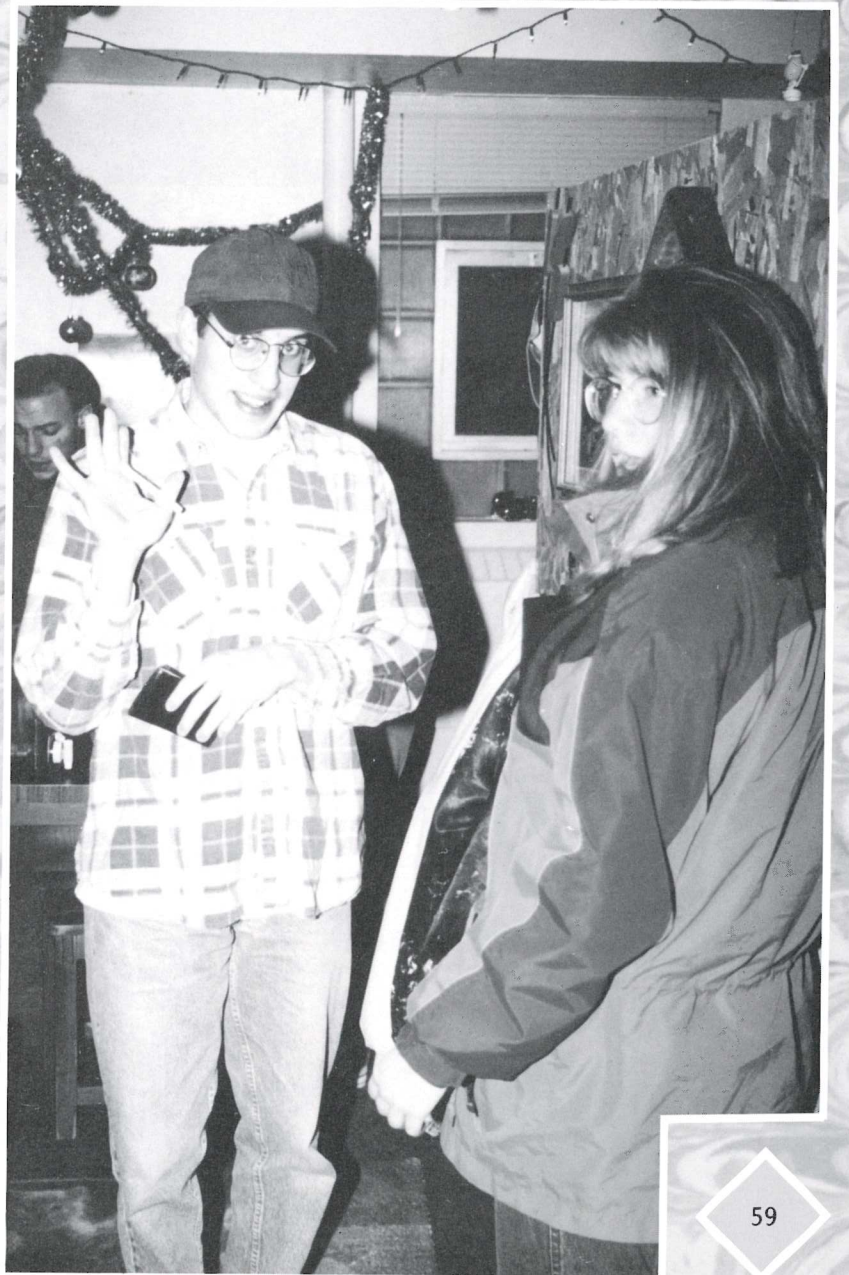

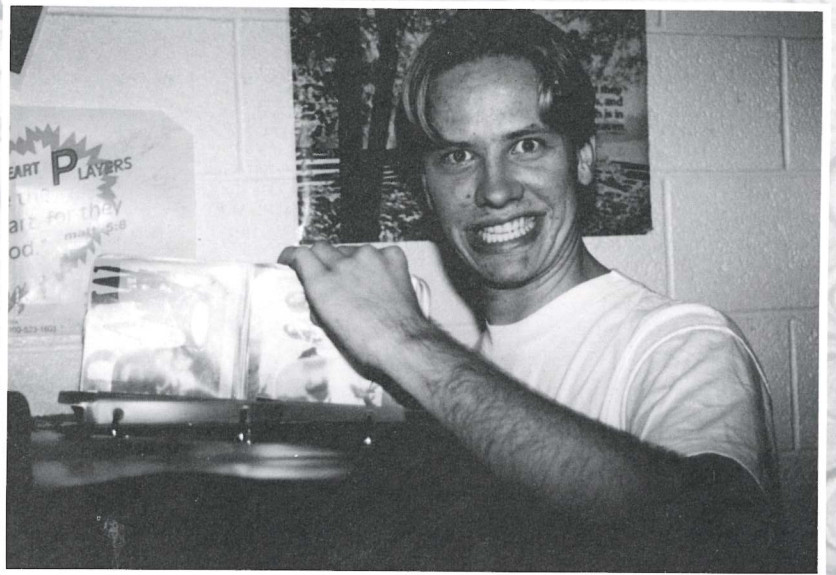

Written by Meri Alice Bomeling W/help of Brad Meidinger

The Wings: Home of the conservative "older" men, but not anymore. The younger crowd is moving in and taking over. With this comes a different type of excitement. Of course, there still is fishing at Pheasant Lake, taking in a show at Aber, or playing computer games all night. But now-there is window shopping and pizza. Not to mention watching sports on T.V. or eating "junk" food. A Co-Ed t.v. lounge is being added this year to the Wings. A wall knocking-out party was held. Both North and South Wings worked to do the damage. Together they knocked out a wall with their bare hands and heads. Let's just hope the new lounge doesn't cause a "headache" for anyone.

All in all, the Wings are a good place to share a great friendship while joking around w/your buddies. With Joey and Corey as RA's, everything is sure to be under control and problems are rare, until someone runs in yelling, "Ahhhhh" to release their stress.

The 1995 Volleyball team will be remembered as a year of achieving. It's true we didn't win the District or National tournament; however, with three juniors, two sophomores, and four freshmen receiving the majority of the playing time, to finish the season 10-19 and earn 5th place at Districts can be considered a major accomplishment.

The team was lead this season by juniors Tammi Long, Michelle Rath, and Jennifer Murch. Tammy and Jennifer were nominated for all-district honors.

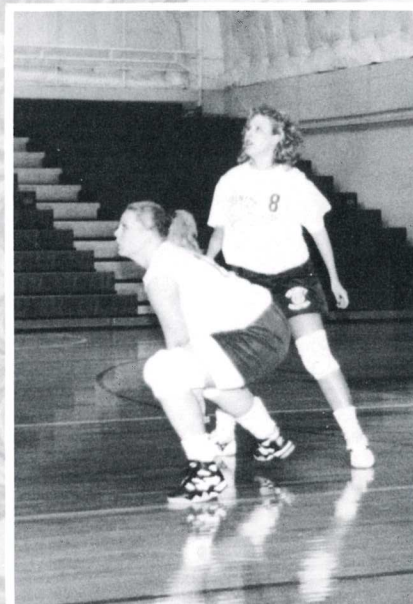

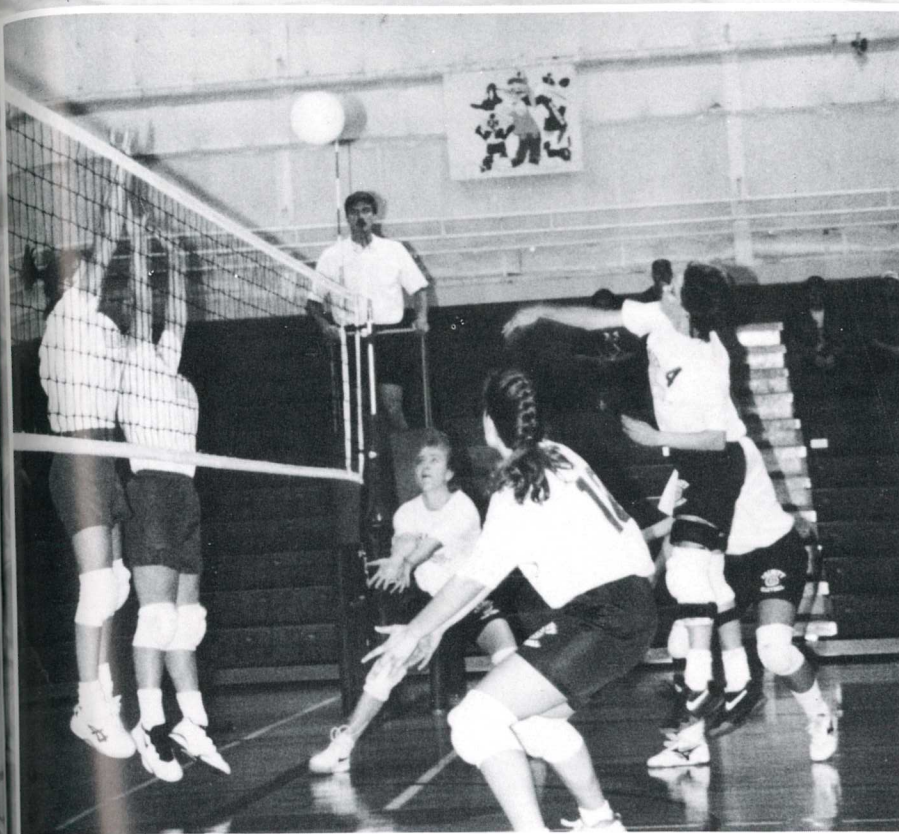

Next year would appear to be a strengthening year as all of the players are eligible to return. Building upon the confidence and skills learned in 1995, excitement is growing for the 1996 volleyball season.

Competitive. That one word summarizes the entire 1995 football season. While the Lions did not come out on the winning end as often as they would have wished, they took huge strides towards respectability with competitive efforts against quality teams.

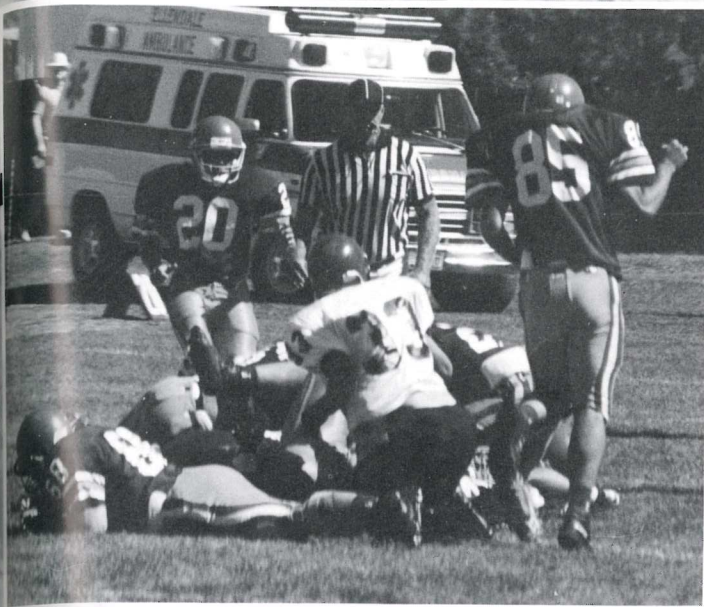

At the beginning of the season, coaches met with an eager team. They asked, above all else, that the team compete on level with all the opposition. This group of men rose to the challenge put before them and began a new era in Trinity football; characterized by hard training, solid team unity, competitive spirits and a "never give in" attitude. Most will see this year as the starting point of a solid program here at Trinity, as sights have been set on a talented group of returning underclassmen and new recruits. Expect to see great things in the future of Trinity football.

After a turbulent and shaky first half, Coach Wagler organized Wednesday night prayer meetings to strengthen and unify the team. It worked! When the players started playing for Christ and for each other, team spirit flourished. The Trinity Lions finished with 8 wins this year (6 of them second semester!), and expect to win even more next year!--L. Scoffield

The 1995-96 women's basketball team completed the season with a 7-13 record. At one point during the season the Lions record stood at 7-8. However, injuries at the end of the season contributed to a 5 game losing streak to finish the year. The team was led by co-captains, Deidra Miller and Jennifer Murch. Their leadership and maturity contributed immeasurably to the success that the team enjoyed.

A special thank you goes to assistant coach Mike Vennard who was completely unselfish in his willingness to spend countless hours helping the team prepare.

## Volleyball

The TBC Men's Volleyball Team competed in the Aberdeen "A" division city league. We started the year as a bunch of inexperienced guys playing a game, but ended it as a team of competitors, winning the respect and acknowledgement of the other teams in the league. With Joey Martinez as most valuable player, and Joe Ybarra as the most improved player of the season, the guys made great strides in their skills and abilities as players. I've greatly enjoyed playing with each of them. Keep up the good work guys, I'll miss you all.--Eric Kerr, Team Coach

▲ Hey, Martin can still jump!

Trinity's 1st annual Homecoming was an overall success! It was a time of stress-relieving, playing, and fun. There was something for everyone—from pie throwing to alumni basketball; from movies to football; from a rootbeer float social to class competitions in the gym; and from a gong show to a tailgate party. Reigning over the festivities were Homecoming King Doug Bryce and Queen Kaylene O'shanyk. The king and queen were nominated by the Senior class and chosen by the spin of a wheel during the alumni basketball game, Friday night. Saturday was packed with activities starting with a parade in the morning, followed by a tailgate party hosted by food service and the Homecoming football game. The week ended with a wonderful concert given by Pam Thum on Saturday evening.

*Just as the disciples were commissioned by Christ to spread His saving message, Trinity students are sent out to reach a lost and dying world with the Word of God.*

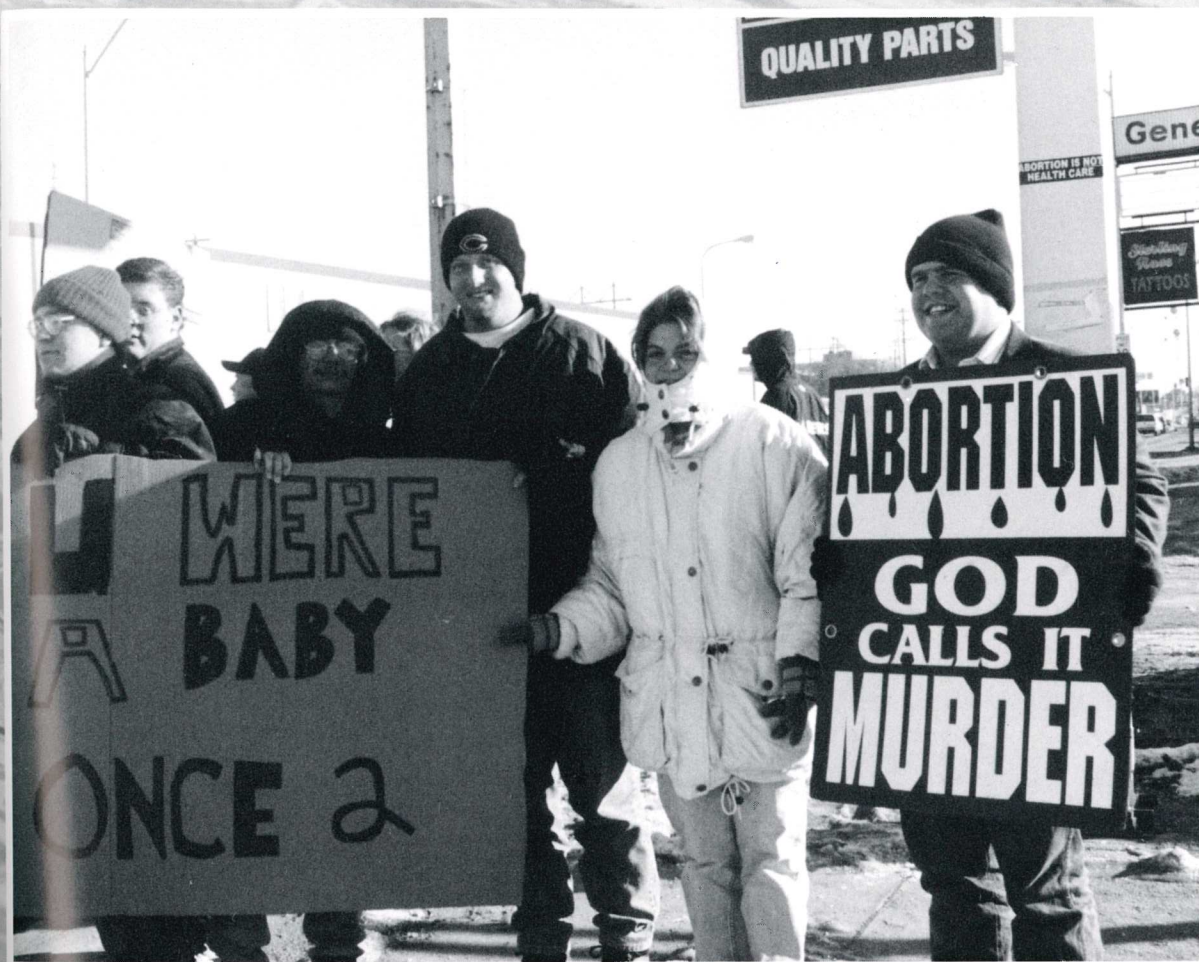

*Student Ministries, a required part of every student's program of study, is Trinity's most important and effective tool in spreading the Gospel to the surrounding areas. Aside from ministering here in Ellendale, students travel to many different areas. Teams go to cities in both North and South Dakota such as Jamestown, Fargo, Aberdeen, and Plankinton to serve people in those communities.*

**"For what is seen is temporary, but what is unseen is eternal." II Cor. 4:18**

*There are a wide variety of ministries for each student to be involved in. Several ministries can be done without traveling. Some students like working with children during TBC Super Church, Missions, or Royal Ranges, while others prefer visiting Evergreen Place, Ellendale's retirement home, for a time of visiting and singing and reading God's Word. Of course, help is always needed at the concession stand at the Ray Ulmer Fieldhouse during its many activities. And for the music enthusiast, KTBC, our own radio station, is the place to find some of the best Christian DJ's.*

## Students bear the cold weather at a CSSA abortion protest in Fargo, ND.

and sports announcers around! Family fellowship offers activities for married students, with or without children, single parents, and more mature singles to participate in.

Besides being a way to reach out and show God's love to people

who are dying to find it, the Student Ministries program is a true blessing for all who participate in it. Jesus said, "I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me." -Matthew 25:40

--Lori Scoffield

## Nursing Home Ministry

The Nursing Home Ministry consists of two ministries that are different, yet the same. One group goes to the Britton Manor on Sunday's, while the other ministers here in Ellendale on Thursdays. But, both minister in building friendships and showing God's love through a smile, a kind word, or a hug. The elderly are a mission field who need Jesus!

## C.S.S.A.

C.S.S.A. is a group of Christian students that encourages them to become involved with the affairs of public life in areas such as Politics, ministry to the elderly, and social work for communities and churches, for the glory of God. It is an interesting way to become knowledgeable about many of the areas of life that directly affect Christians and their families.

Royal Rangers is a ministry to boys ages 5 to 17. The purpose of the Royal Ranger program is to REACH, TEACH, & KEEP boys for Christ. Our aim is to instruct, challenge, and inspire our boys in the area of Bible doctrine, Christian service, moral conduct, and basic beliefs of our Church, through interesting activities the boys enjoy. The past year the boys have been involved in activities such as: Bible studies, gun safety, winter survival, camping, the pinewood derby, recreation, and much more.

## ROYAL RANGERS

We have a group of about 20 to 25 girls which meet weekly. The Missionettes main focus is to train girls in the scriptures and give them some interest in the Assembly of God Missions Program.

## MISSIONETTES

Acts 29 is a ministry of action, not words. It is showing love to people in a unique situation. This ministry provides an opportunity to extend Christ's hand and reach out to people by spending time with them and being their friend. Who needs to be shown love more, than those in the state hospital.

## ACTS 29

What is Prison Ministry? It is a group that takes the Gospel of Jesus Christ to those who are locked either in the jail or the penitentiary. Gus Cray, the chaplain of the State Training School, Plankinton, S.D., goes every Saturday to have chapel services; and once a month he takes a group of students with him. They have a chance to share with the kids and minister in praise and worship, as well as preaching the word and seeing JESUS SET the CAPTIVE FREE!

## PRISON MINISTRY

## Gap Ministry

Gap Ministry consists of one main aspect: *PRAYER*. This year was spent in intercessory prayer by individuals who want to stand in the Gap for their fellow believers in Christ.

## KTBC 99.1 FM

They may not be powerful, operate multi-million dollar equipment, or be heard all over the upper midwest, but they are however, fun-loving, talented and have good taste in music. Most importantly, they have a heart to minister the Gospel over the airwaves. They are the KTBC DJ's. KTBC is TBC's own radio station, reaching both the mini-community of the campus, and the town of Ellendale. Operating within FCC regulations, KTBC broadcasts sporting events, teaching programs, chapel services, music shows, and the occasional cheesy joke.

## Power Source/Pure Heart Players

Power Source and Pure Heart Players are two traveling drama teams that minister in drama sketches and one act plays. They travel on weekends during the spring break, during the month of May to churches, youth events and other various functions.

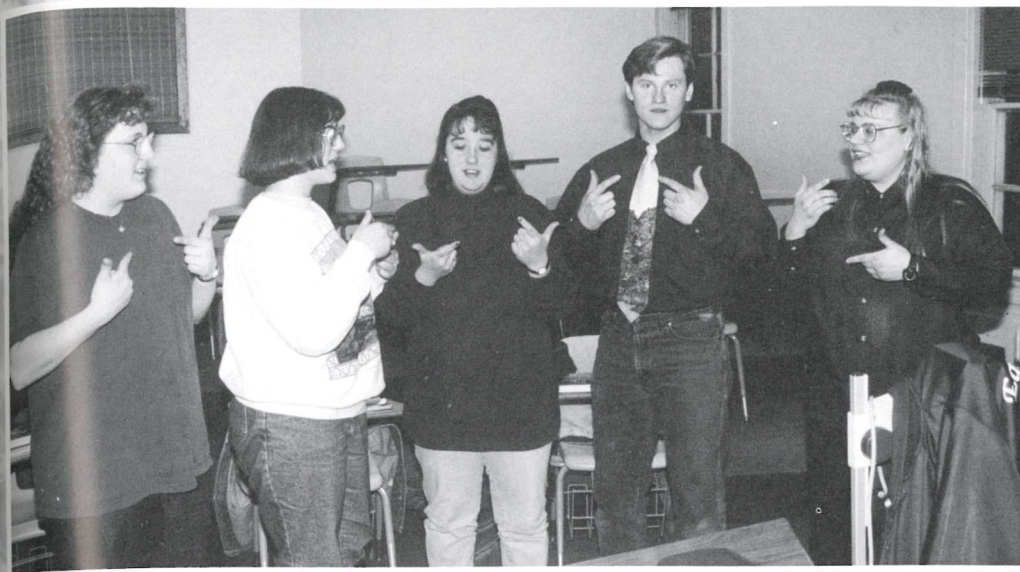

## Servent's Heart

Servent's Heart is a group of students that travel and minister with the gift of their voices. Like the drama teams, they travel on the weekends during spring break, and during the month of May. This year they even put together an album of various songs.

## Deaf Ministry/Signs Of His Love

This is ministry of sight, not sound. Actions and not words. Deaf Ministry/Signs of His Love reach out to those who can't hear the gospel through words, but through the hand signs of these students. Throughout the year this ministry interprets during chapel and travels to churches to minister the gospel to the deaf community.

## Youth Ministry

Late night activities, wild and crazy games, drama sketches, praise and worship, one on one talks; all of these describe the things that the Youth Ministry team takes on each year as they reach out to the youth of this age.

# Fine Arts

The Music Department and the Drama Department make up the scope of Trinity Fine Arts. Within each department are various aspects of ministry. The Music Department has two choirs, the Luther's chorale which is an audition ensemble consisting of community, faculty and students; and the College Concert Choir which is also an audition choir. Both hold concerts during the school year. Also within this department is the wind ensemble, known as "Praise Band", which is a volunteer ensemble that plays in church once a month.

The Drama Department holds around two to three productions each year. Students, faculty, staff, and community audition for these plays and spend many long hours rehearsing. This year a new aspect was added: Chuck Stowe who became the "New Drama Guy" of the Drama Department.

# Children's Ministry

Super Saturdays, Super Church, and Super Kids describe Children's Ministry at Trinity. It all takes time for students to "clown around", play games, and act like a clown again. Most of all, everyone involved in Children's Church or the travel team is given the opportunity to teach young children about God. As they learn to walk with Jesus, they will impact other lives because of the seeds planted through Children's Ministry.

## Big Brother/Big Sister

Big Brother/Big Sister is a ministry that involves students taking on the role as brother or sister to a youth in the community. Each week the student spends time with their "brother or sister" and has a chance to impact that youth's life.

## Concessions

The Trinity Concessions stand is a service to the college, the local high school, and the community. Its purpose is to provide the finances that allow the various student ministry groups to function. It is also an asset to the Business Department by providing practical application for the Business Management students.

## Spring Missions Convention '96

Spring Missions Convention '96 was an inspirational time for everyone who had the privilege to attend. Chapel was beautifully decorated with the achievements of each prayer band. Members from each of the six representative prayer bands worked fervently on their banners, booths, and badges. Their efforts resulted in an atmosphere where one could not help, but be moved by the urgency of the needs on the mission field. Because the theme for this convention was chosen to be "Light Your World", there were many different ideas representing the light upon the world that we are all called by God to be. Everywhere you looked there were lightening bolts, burning candles, lighthouses, and rays of sunlight radiating the awesomeness of Christ's love for the lost.

Speakers for Missions Convention week included Terry and Diana Dwelle, Glen Berry, and Lincoln and Pam Engelbert. Through the grace of God and by the words of these dedicated servants, many lives around Trinity were touched and refreshed. A new desire to reach out to those who have never heard the gospel, beat within the hearts of students, faculty, and guests.--L. Scofield

## College Days/SNA

College Days '96 was a huge success this year thanks to the dynamic and spirited messages given to us by Rev. Pat Donnellson. To end an exciting week of prayer and worship, students were treated to the music and comedy of Bryan Duncan. Of course, SNA '96 was the crowning glory of College Days week!

# Junior/Senior Banquet

Mmmhhh ... Aaahhh ... This food is great! This was echoed all throughout the ballroom at the Holiday Inn. This year's Junior/Senior Banquet was a time to remember. Although the live band "broke out" into a few untimely, unseasonal Christmas songs, the night was still herald as a smashing success. From the humorous slide show--to the "Pentecostal Pillar" G. Raymond Carlson--and right on down to the cherry cheesecake dessert--it was a delightful event. A definite "two thumbs up" for Junior Class President Tom Brantner and company for their superb work in constructing a memorable evening for everyone.

Finals week ended in style this year with Baccalaureate on Thursday and Graduation on Friday. The Board of Regents, special speakers, and many proud family members were present on campus for the final event of the year. Rev. Paul Goodman, Montana District Superintendent, was the commencement speaker, Rev. Lowel Lundstrom gave our special group of seniors a distinctive charge and prayer, and Rev. Samuel John Shamala from India, father of graduating senior Timothy John, gave the Benediction. The Ray Ulmer fieldhouse was full of smiles and tears as these remarkable men and women of God received their degrees and went forward to change the world with their love and dedication.

### TO KAYLENE, LYNSEY, JOSHUA, RACHEL, AND HANNAH DETWILER

Thank you for being the most wonderful family a dad could ever ask for! Thank you for your support and encouragement through the tough times, and remember all the good times we had at Trinity Bible College. (i.e. playing games & singing in the car on the way to Aberdeen, playing baseball, going sledding, building our snow family, going to Storybook land, the playground, and our picnics in the park - most of all - remember all the prayers that God answered and how He provided our every need beyond measure)

Kaylene - the Proverbs 31 woman.

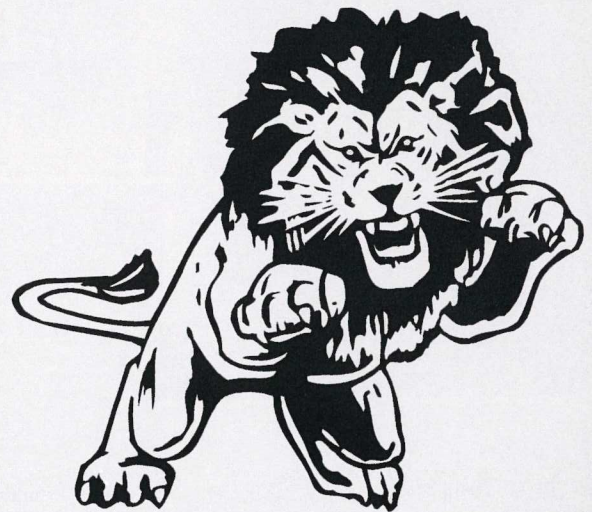

Thank you for being the encourager/supporter you were and helping me get through school. Thank you for being the godly woman you are, and my best friend. You have helped me to fulfill one of the desires that God has placed in my heart. I Love You All!

May God's face shine upon you,  
may His countenance be lifted up to you,  
and may He guide you in His righteous paths.  
Love Your Husband and Dad

Terry

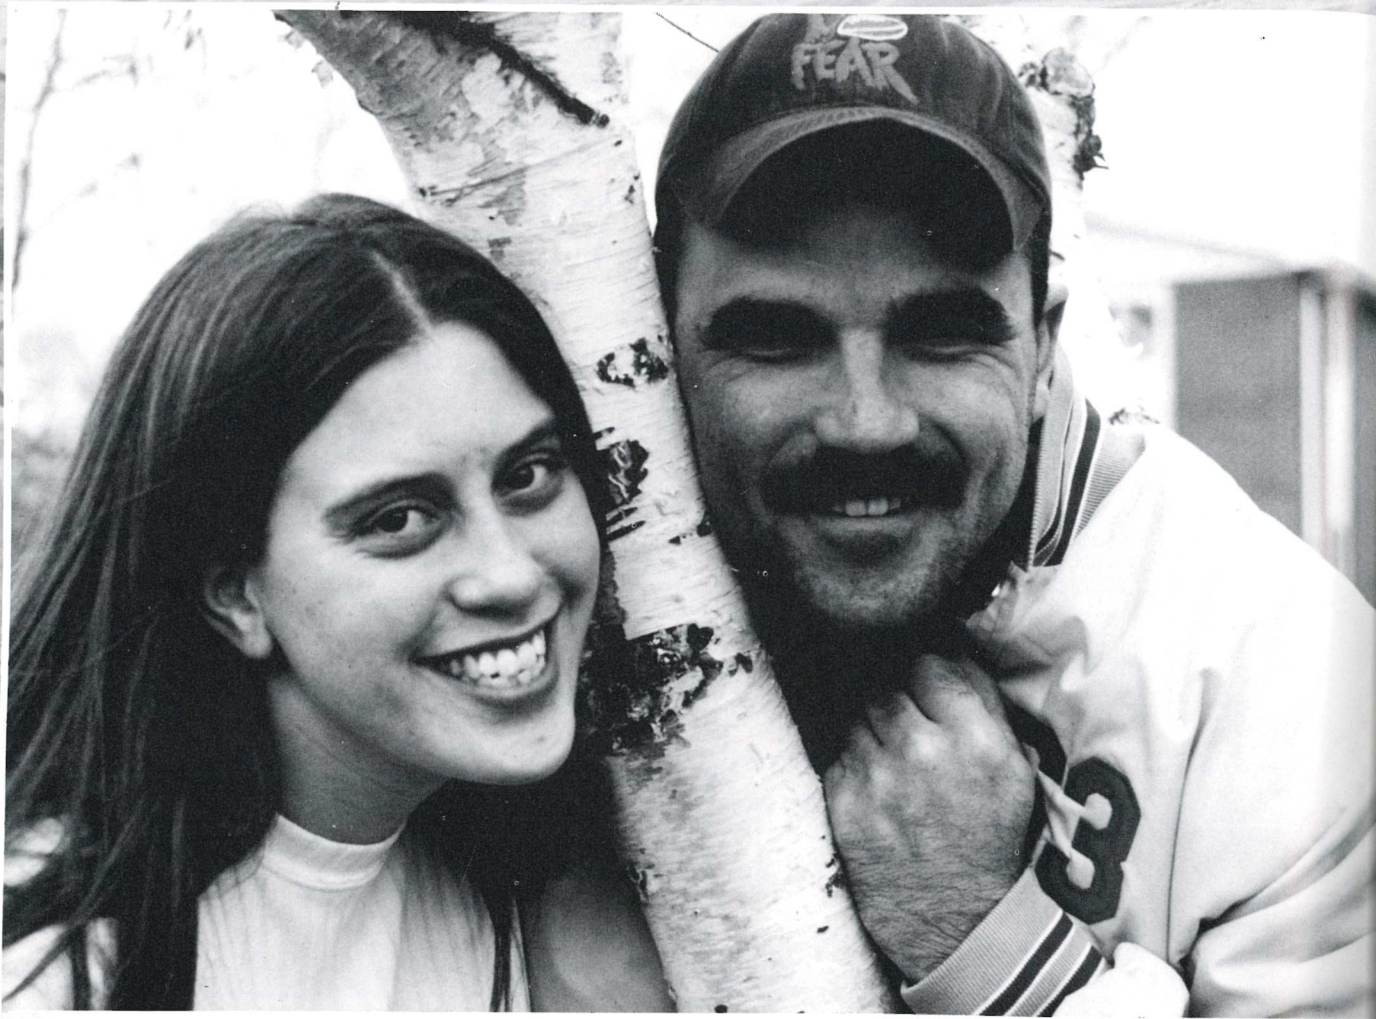

Thank you Faculty, Staff, Administration, and Class of 1996 for making our years at TBC so wonderful and challenging. May God Bless each one of you as you endeavor to follow His will and way! Prov 3:5-6
