SENIOR CLASS DEDICATION

While we have lived the past few years in a bubble we call Trinity, we have been honored to share this space with a man dedicated to God, his family, students, and the Gospel truth. He has spent many hours in preparation in order to teach us to be hermeneutical, exegetical, and theological.

*As Freshmen we were taught to fear and revere this man who stood before us in Methods of Bible Study. We sat in awe as he spoke in Hebrew, wrote in Greek, and explained proper English grammar.

*As Sophomores we realized that this man was human and even told jokes in class! We quickly learned to appreciate the abundant supply of information he had to offer.

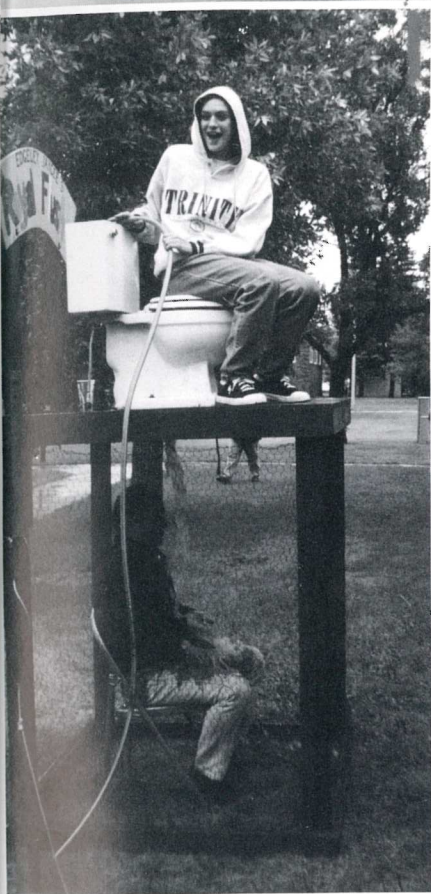

*As Juniors we began to know this man as a godly example, mentor, and friend. He helped each of us grasp the importance of our preparation time at Trinity.

*As Seniors we cannot fully express our appreciation for this beloved professor. His diligence in studying has demonstrated his love for students and his desire to see them understand the foundations of ministry.

In recognition of all he has given to the students of Trinity Bible College during his 7 years of teaching here, the Senior Class of 1997 dedicates this annual to Brother Timothy Munyon!

Your faithfulness to God and His Word has impacted our lives forever. May God bless you and your family as you now follow His leading outside of this Trinity "bubble."

YEARBOOK APPRECIATION

We enter the doors from all over the world; the experience of our lives lies before us. We long for the presence of the Lord to empower us so that we may spread His love. We are the students of Trinity Bible College.

No college could exist without its students, and TBC is no exception. These very special people are what makes this place seem more like home.

Everywhere one turns, there are students standing, sitting, laughing, crying, playing and praying. Unique friendships are formed here that will last a lifetime, even an eternity.

"I charge you therefore before God and the Lord Jesus Christ, who will judge the living and the dead at His appearing and His kingdom: Preach the Word! Be ready in season and out of season. Convince, rebuke, exhort, with all long suffering and teaching.

For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers; and they will turn their ears away from the truth, and be turned aside to fables.

But you be watchful in all things, endure afflictions, do the work of an evangelist, fulfill you ministry."

SCRIPTURE: Matthew 16:24-
 Then Jesus said unto His disci-
 ples, if any man will come after
 Me, let him deny himself, and
 take up his cross, and follow
 Me.

COLORS: Emerald Green, Gold, White

MOTTO: "No Sacrifice can be too great for Him who gave
 His life for me."

As freshmen we were overwhelmed by homework, rules, and the upperclassmen. As sophomores we developed friendships that helped us through every year and will last forever. As juniors we devoted every ounce of strength to preparing and presenting the Junior/Senior Banquet. Though we never thought we would make it, as Seniors we are graduating!

Many hours and much wisdom have been given at Trinity to prepare each one of us for ministry. We will go our separate ways, but the friendships we have made, and our devotion to God will always keep us close wherever our paths may lead. We will give our all to the one who gave His life for us.

MINISTRIES

AREOPAGUS

Areopagus is a Christian college group that promotes rational discussion of relevant issues concerning the world today, with the hope of causing self-examination of Christians and non-Christians alike as to what one believes and why it is believed. This discussion leads to the realization that the Christian faith is indeed rational and true, thus leading the non-Christian into considering the reasonableness of belief in Jesus Christ.

KTBC 99.1 FM

It has been another year of success and ministry for the campus radio station. Anywhere from today's top Contemporary Christian music to in-depth teaching programs, the primary goals of KTBC 99.1 FM are to glorify God and edify its listeners. Managed and operated by students of Trinity, KTBC is a positive source of encouragement and entertainment for the campus and the community of Ellendale. Student D.J.'s work hard to produce high quality radio shows with music, teaching, and even humor. As equipment upgrades and student interest continues to fuel constant growth, KTBC has great hope for what God has planned through its ministry in the future.

Hearts A'Flame is an inner-city ministry. Twice a year (Fall Break and Spring Break) this ministry travels to a city in the United States. This ministry seeks to bring awareness to the students who participate, of the need to evangelize and minister to the inner-cities of America.

HEARTS A'FLAME

The Big Brothers/Big Sisters ministry program offers TBC students the opportunity to befriend and model Jesus Christ to children and youth from the community of Ellendale and the TBC campus. The benefits of this ministry are rewarding and numerous for the TBC students, children and youth. The children and youth receive long-term friendships and an opportunity to feel important. The big brothers and sisters learn to have a burden for children and youth, and to be a godly role model who gives positive influences to these children and youth.

BIG BROTHERS/BIG SISTER

EVANGELISM

The Evangelism Ministry is established primarily to equip students in varying evangelism techniques so that they might freely share their faith with others. This is done through traveling to various communities and implementing door-to-door evangelism. In so doing, we also seek to help strengthen local churches through canvassing their communities.

PRISON MINISTRY

This ministry is designed to take the gospel of Jesus Christ to those who are incarcerated in some sort of institution, whether it is a county jail, state prison, minimum security or maximum security, or youth correction facility. It is the intention of all those involved to be a light in an otherwise dark world, to give the people there a hope that God really does still love them in spite of what they have done. This ministry is very diversified in that you minister to varied ages and races of people. There is opportunity to minister in a drama traveling group, through musical talents that God has given you, go to a youth correction facility and minister one on one with teenagers ages 12-17, or be involved with a group setting.

GAP

GAP is a time of prayer or, in another word, intercession. Every week, the members of GAP come together to present the needs of the campus before the ever-listening ears of the Lord.

CHILDREN'S MINISTRY

Where could you find elephants, giraffes, zebras and lions? In room 150! The Trinity Super Church went on a prayer safari through the Kingdom of the Son to learn more about their relationship with God. The Children's Ministry leaders were encouraged and stretched as they came every Sunday morning to minister to the children of Ellendale. This love for kids was amazingly able to get college students out of bed early for Super Saturdays with energy and a smile. Super Church, Super Saturdays, Travel Team, and Children's Choir make a busy schedule for Children's Ministry, but it is all worth it when you see the kids growing in their love for God.

--Joyce Baergen

Senior outreach travels to Ellendale's own nursing home each week to minister to the residents as well as employees, and even guests who stop in to visit. This is a very rewarding ministry and a true privilege for those students who take advantage of it.

Words cannot even begin to convey the feelings of respect and admiration for these elderly people who have lived full lives and who are in their final years. Nothing is more fulfilling than to be able to share Jesus Christ with them and to see the look of relief and peace when they find out that He loves them and cares about them. This is the ultimate goal of the senior outreach ministry, to share Christ with people who need Him the most.

ELLENDALE NURSING CENTER

This discussion leads to the realization that the Christian faith is indeed rational and true, thus leading the non-Christian into considering the reasonableness of belief in Jesus Christ.

AREOPAGUS

Royal Rangers is a ministry to boys ages 5 to 17. Our mission statement is to Reach, Teach and Keep boys for Christ. We accomplish this by challenging and instructing our boys in areas of Bible doctrine (Bible study), Christian service, moral conduct and basic beliefs of our church. By working on advancements in each area of Rangers, they learn scripture verses, how to live a Christian life, how to have a relationship with Christ and with others. They also learn camping skills, first aid, survival skills, gun safety, and are included in recreation.

ROYAL RANGERS

MISSIONETTES

Missionettes is the auxiliary program established by the Women's Ministries Department of the Assemblies of God. There are five clubs that make up Missionettes. Rainbows is for ages 3 to Kindergarten girls and boys. Daisies is for Kindergarten and First grade girls. Prims is for Second and Third grade girls. Stars is for girls in Fourth through Eighth grade. Ys is for Ninth through Twelve. The purpose of Missionettes is to win girls and boys to Christ, to teach them Bible-based guidelines for Christian living, helping them grow and develop spiritually, socially, and physically. We acquaint them with both home and foreign missions, challenging them to reach out and meet the needs of others. In Missionettes, girls develop Christian relationships and consideration for others.

SANCTIFIED

Sanctified is the newest member of the Student Ministries department. We are a traveling human video team that travels from church to church ministering to those congregations. Throughout the year we have seen God move mightily through our team and we are praising God for this. As we arrived at each church, there always seemed to be a need for love. So, this became our theme for the year. We want to show the love of God to everyone we can.

The Concession stand this year was run by Heather Butler. Student Ministry worked in the stand during many volleyball, basketball and football games. It was a fun year selling candy and snacks to fans and athletes!

COMMUNITY ACTION

Community Action began as a ministry to the people of Ellendale, in the hopes of improving rapport between the college and community, and to be a godly witness in the process.

Community Action's motto has been, "A Heart to God and a Hand to Men." We've devoted ourselves to letting our light shine before men through physical servitude, especially to the elderly, in an effort to reach the hearts of those we help with the love of Christ in our action. We shovel driveways, rake leaves, paint homes, and are currently working to make the city a more beautiful place through planting flowers in the community.

As we seek to create greater rapport between the college and community through our service, we are thrilled to see the many faces of gratitude from those happy to see someone cares for them. And with this in mind we press on to continue ministering to the people of Ellendale.

Our theme for this year could be summed up in one word: Servitude. We devoted ourselves to giving TBC's Senior class a great Senior banquet in honour of their hard work in school and their dedication to Christ. In the process we became a more unified class through our cooperation in organizing this banquet. We have a great class. Every member is willing to make sacrifices for the sake of others. The Sophomore class of '97 has involved itself in many activities: sports, student ministries, and class fund-raisers, such as our student volunteer auction. Others have engaged themselves to be married. We have found ourselves in the midst of many papers, with a myriad of books to read and deadlines to meet. But we welcome this challenge with open arms because God is stronger and bigger than our circumstances. Struggling, we will overcome by Christ's power, for we are not simply a class with potential, but perseverance as well.

ATHLETICS

Coaches L to R: Jesse Godding, Steve Gans, Diana Swalstad, Martin Burry, Mike Vennard, Keith Wagler

"Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last forever" (I Corinthians 9:25).

There's not an athlete in the world that doesn't want to win when he or she competes. Competition and determination are what it takes to score. Trinity athletes are diligently training to compete, not only in their sport, but against the darkness of the world. Their goal isn't only the winning of the game, but the winning of souls.

FOOTBALL

The 1996 football team and season cannot be judged solely on the basis of wins and losses. The team, numerically dominated by freshmen and sophomores, progressed throughout the season, and by the final games of the campaign was displaying its new-found maturity on the field. Late season games against Minnesota-Crookston and Jamestown College's J.V. team showed just how far the young lions had come. In both games, the team fought adversity and difficult conditions to battle their opponents to the very end. The youth of the team, while producing challenges in 1996, bodes well for the immediate future.

VOLLEYBALL

The 1996 season was one of new and old players, new and old positions coming together. The ladies handled the transitions well as the season progressed and were very competitive throughout, ending with a 10-18 record. With only two seniors and one junior on this squad, the sounds of "just wait till next year" can be clearly heard.

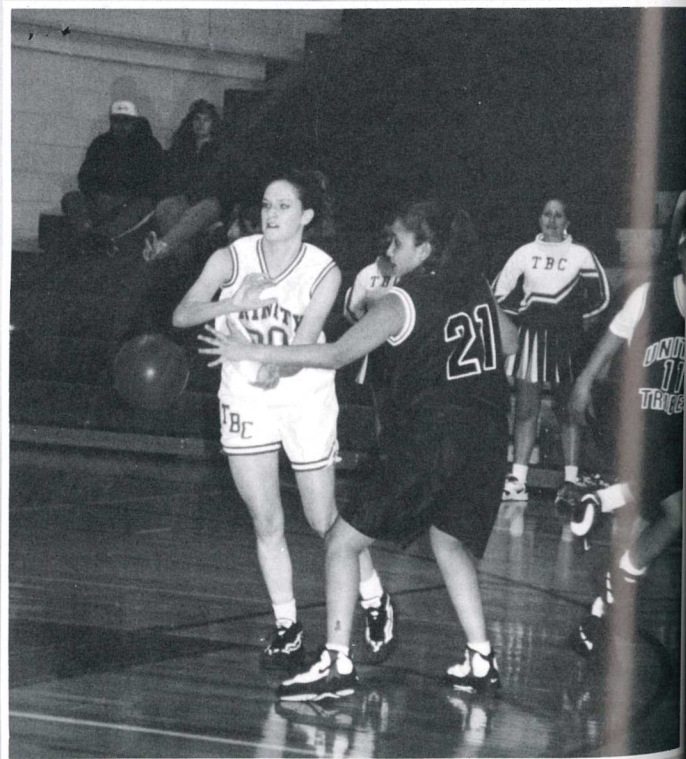

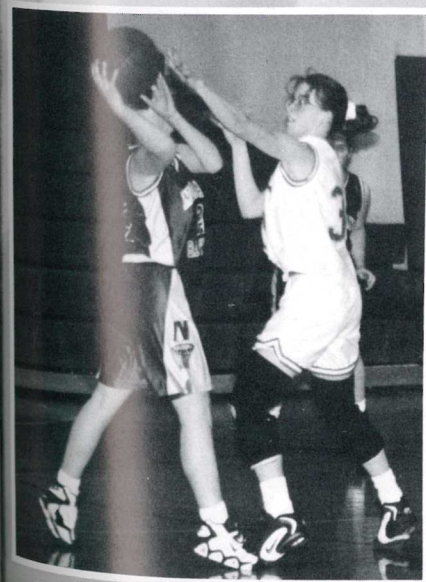

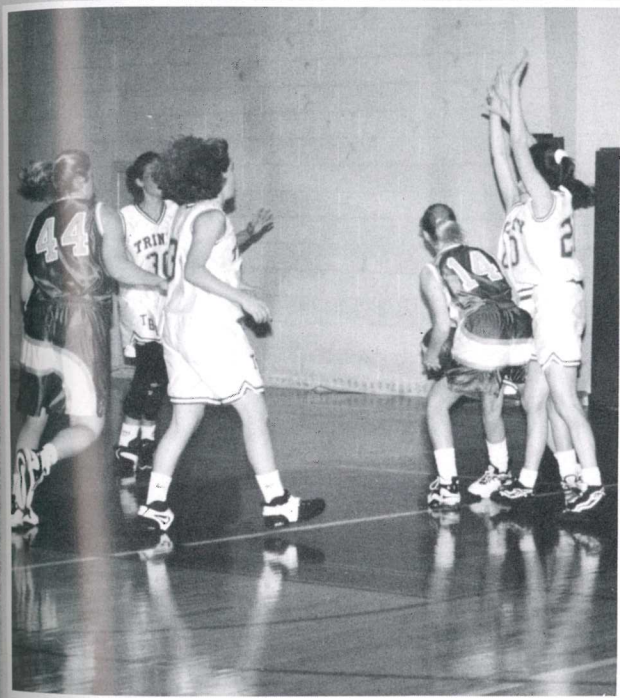

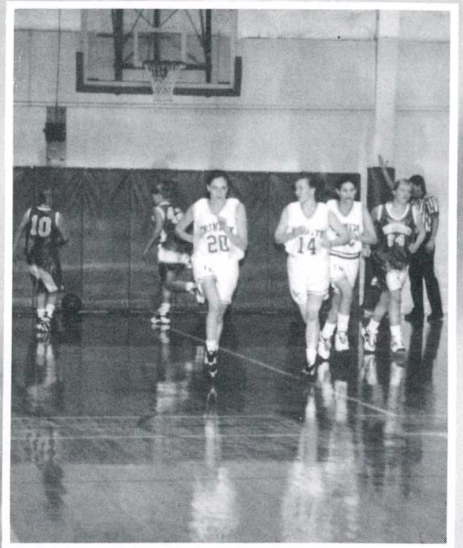

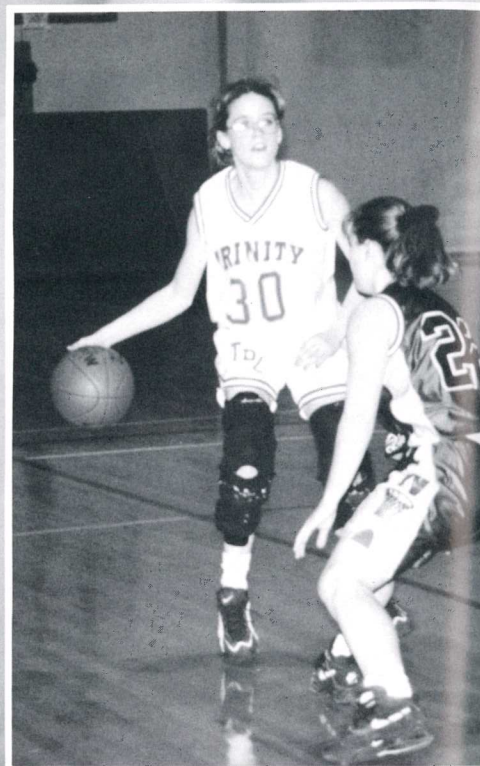

Row 1, L to R: Diana Swalstad, Andrea Blanchard, Dannette Mettler, Helen Krumpus, Keith Wagler; Row 2: Jason Swalstad, Kenda Johnson, Jennifer Hukill-Murch, Jodi Akins, Joyce Baergen, Amy Schaffer, Joey Taylor

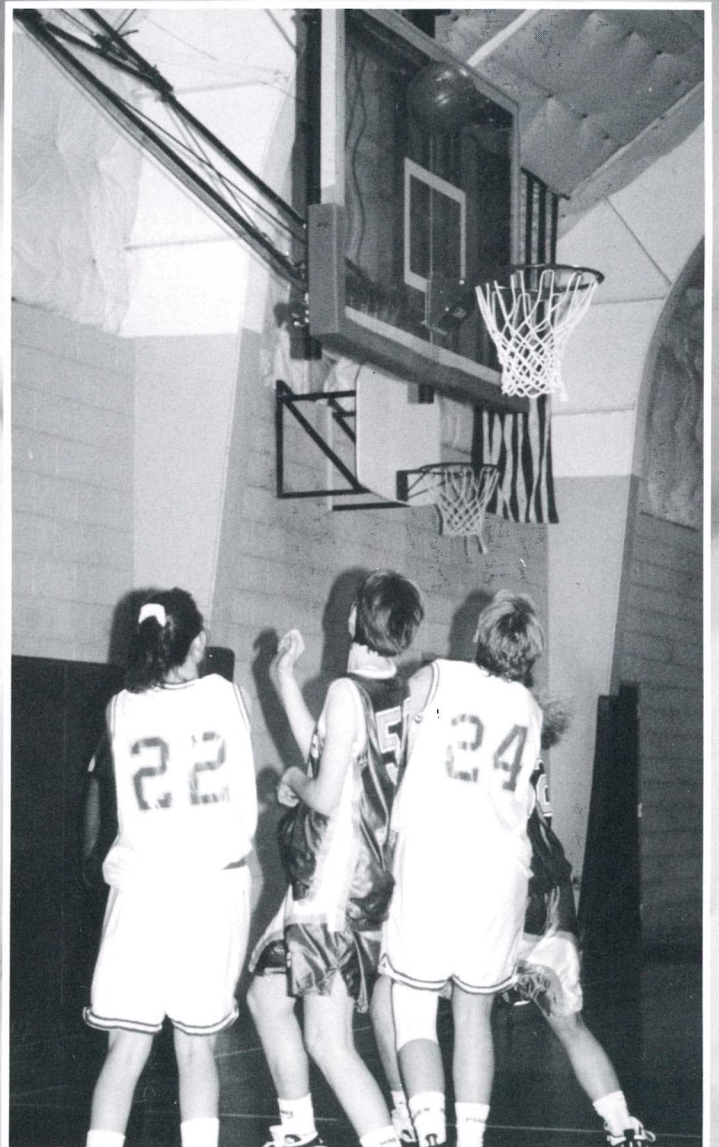

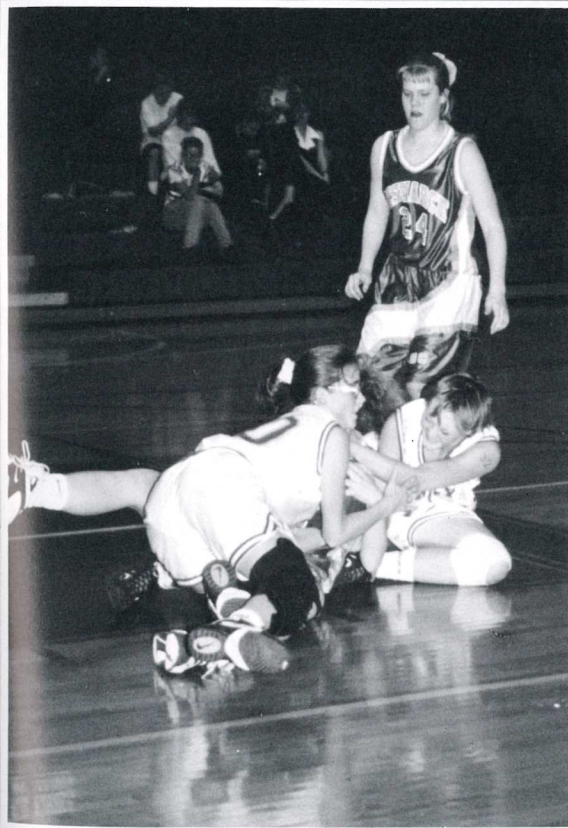

WOMEN'S BASKETBALL

Some new/old Coaches, some new, some old and some new/old players, provides for some interesting moments. Regardless of new or old, the focus is to conform to the image of God through hard work, self denial, and a commitment to the cause of Christ.

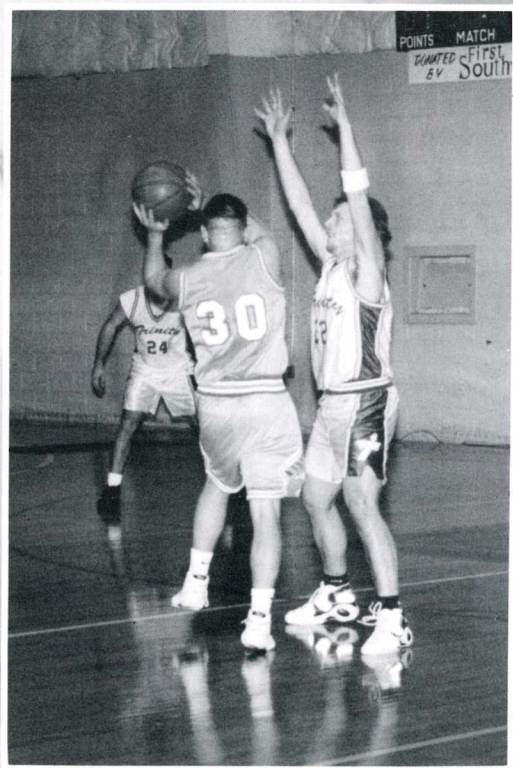

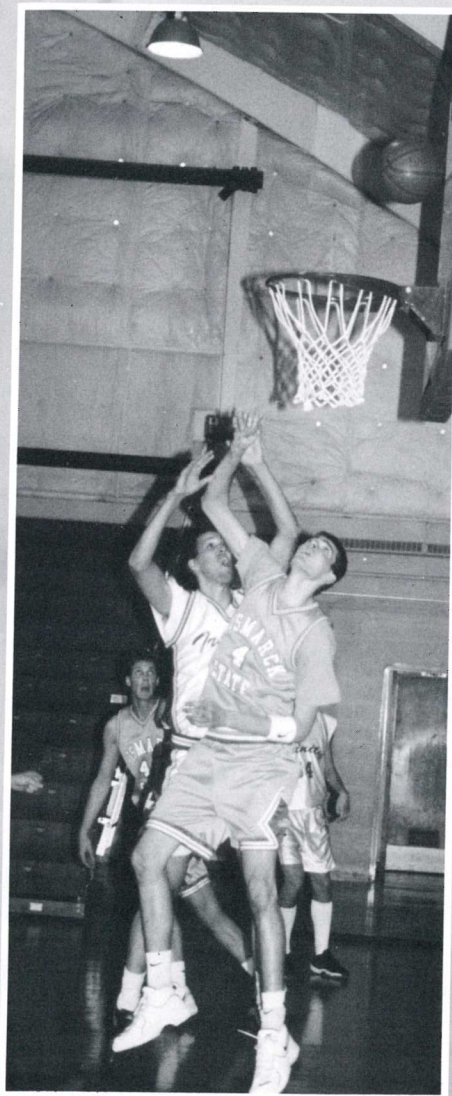

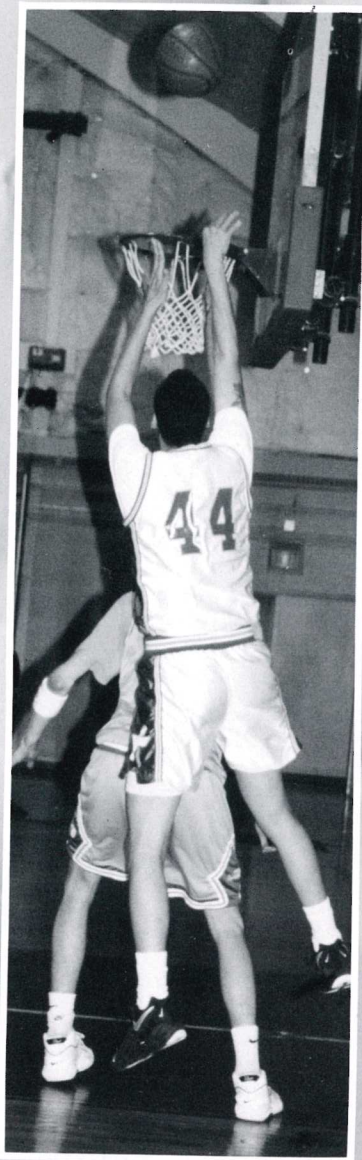

Row 1, L to R: Coach Keith Wagler, John Schwartz, Gerry Bass, Sheldon McGorman, Benji Arias, Kim Bohlmann (Student Mgr); Row 2: David Johnston, Jeff Clark, Bill Jackson, Bill Scoffield, Andrew Gunther

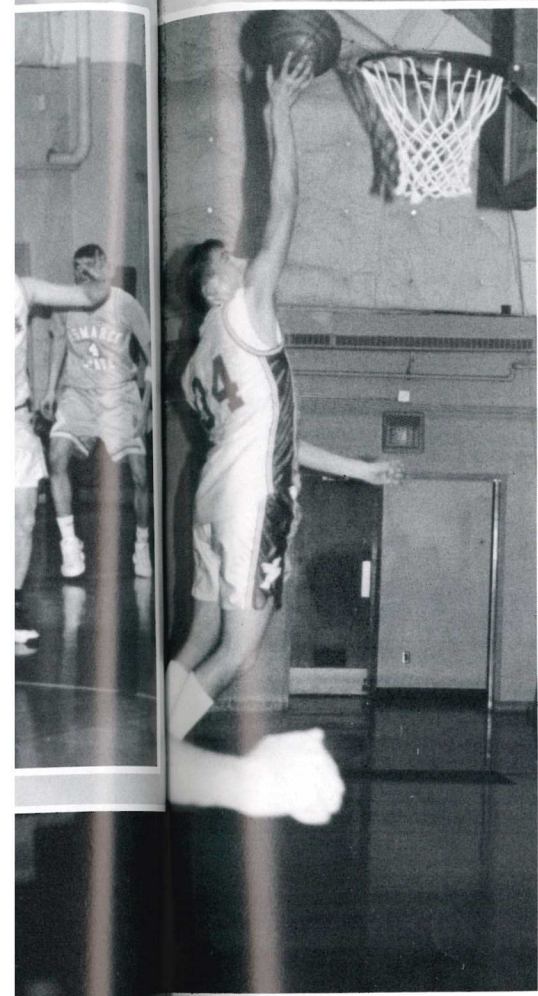

MENS BASKETBALL

Expectations ran high as all but one starter from last year's team returned. There was no pressure, only a knowing that one must prepare well and commit to excellence in order to meet and overcome the challenges the season would present.

CHEERLEADERS

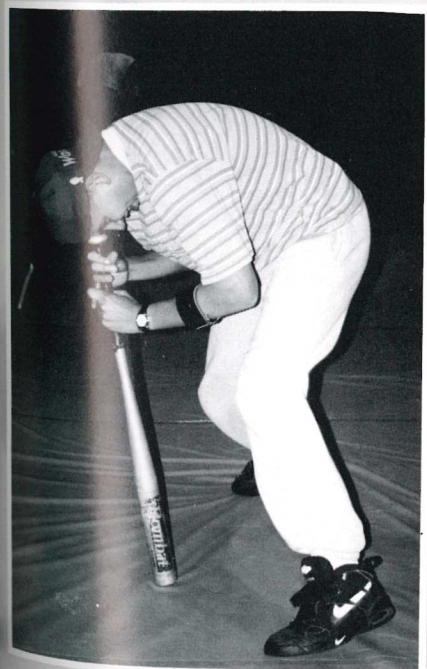

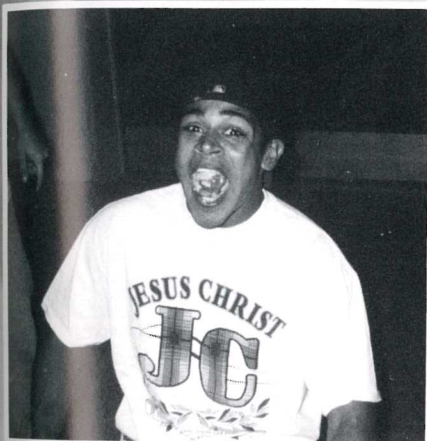

HOMECOMING

Homecoming. A tradition that added a little extra spark to College Days and a little bit of fun to the otherwise serious, study-filled days of the average TBC college student. This year students enjoyed the many days of dressing up (clashing), indulging with root beer floats, watching the hilarious Gong Show, and of course, the bonfire. Other activities consisted of a concert by Tammy Trent, the Alumni basketball game (which our home team, the Lions, won), the tailgate party to finish the week off, and the whole reason for Homecoming, an exciting football game. Unfortunately we lost, but none-the-less our team played hard. The end of Homecoming Week makes one long for the thrill of next year.

STUDENT LIFE

DAVIDSON HALL

Davidson. A place for new beginnings. The excitement of being away from home. And of course, the thrill of community bathrooms! Your first year in college is usually the most memorable, especially for freshmen women, and Davis the center of it all. Who can forget the all-nighters, late night support groups, the 2 a.m. prank phone calls, the engagement "showers," secret sisters, Thursday night devotions, and lessons on how to make Ramen. Besides all the fun stuff, friends for life are made and spiritual growth begins. One thing is for sure-the girls of Davidson Hall won't leave the way they came.

"How good and how pleasant it is for brothers or sisters to dwell together in unity."-Psalm 133:1

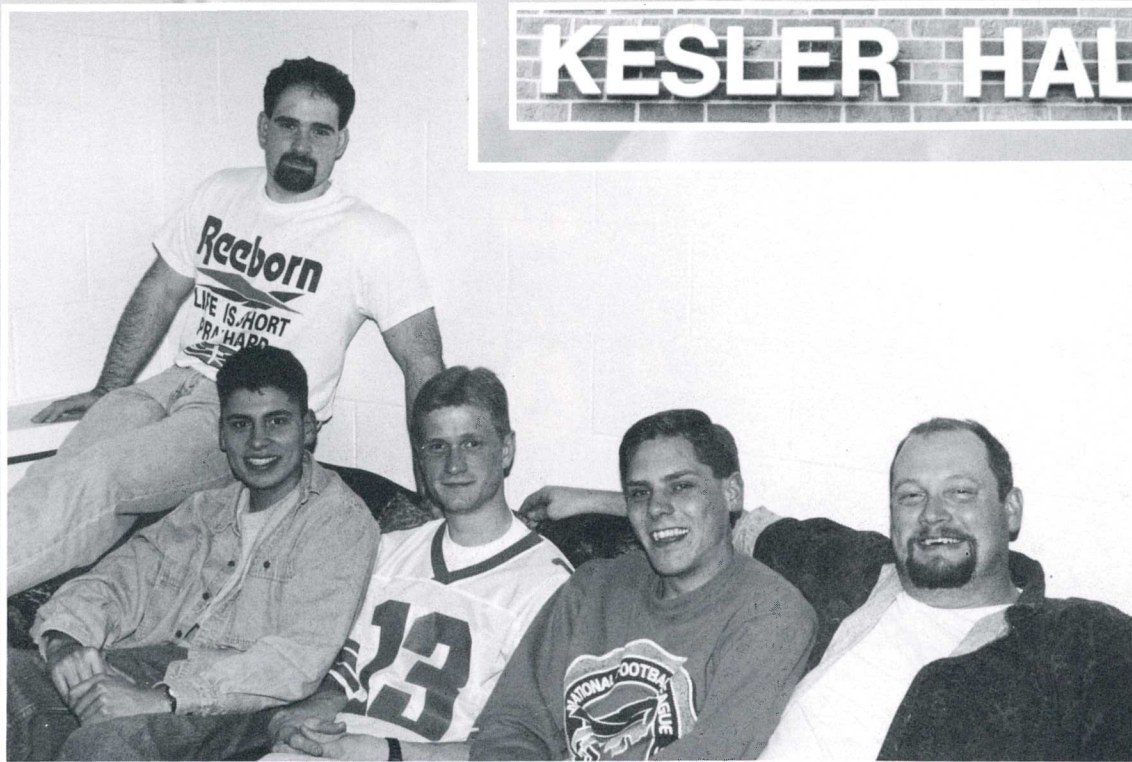

This year has been a special year for many of the girls in Liechty. There are always new friendships that are made; and for some there is the excitement of graduation and moving on in their lives and in what God has in store for them.

The men of Kesler are a group of guys who start off the year as individuals and end the year as a family. We gather together for prayer in the time of need and even when there is no need. God has laid His hand upon this dorm to lead and guide us through our stay here and to prepare us for what He has in store for our futures. The halls are alive all through the night as we learn and grow as a group and as men individually.

BATTLE OF THE DORMS

The Battle of the Dorms for the class of 1997 was about as exciting as it gets. Everyone had a fun time and put on some good skits. Kesler came out with the win in the over-all performance for the second year. The skit was one of great skill and comedy which enveloped the judges and audience in laughter. Liechty came in second with Georgio. Davidson came in third with Farmer Bob and his kidnapping the girls for water rights. The Wings came in fourth with their skit of the Pack attacking the U.S.S. Winger. All four groups did a great job and we all had a blast.

MISSIONS CONVENTION

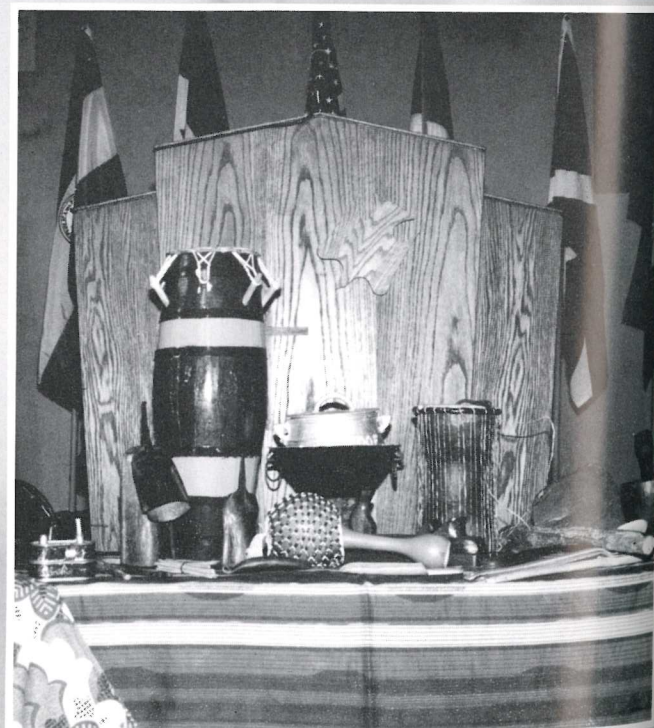

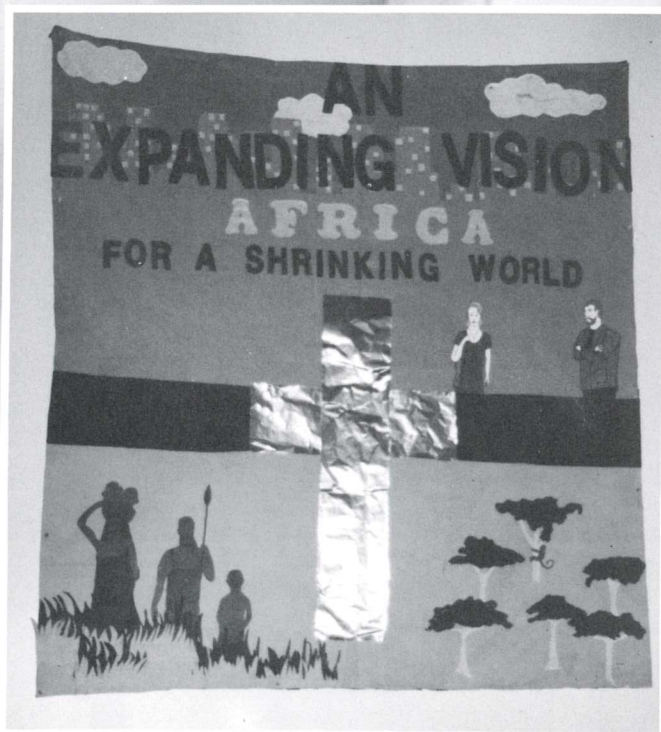

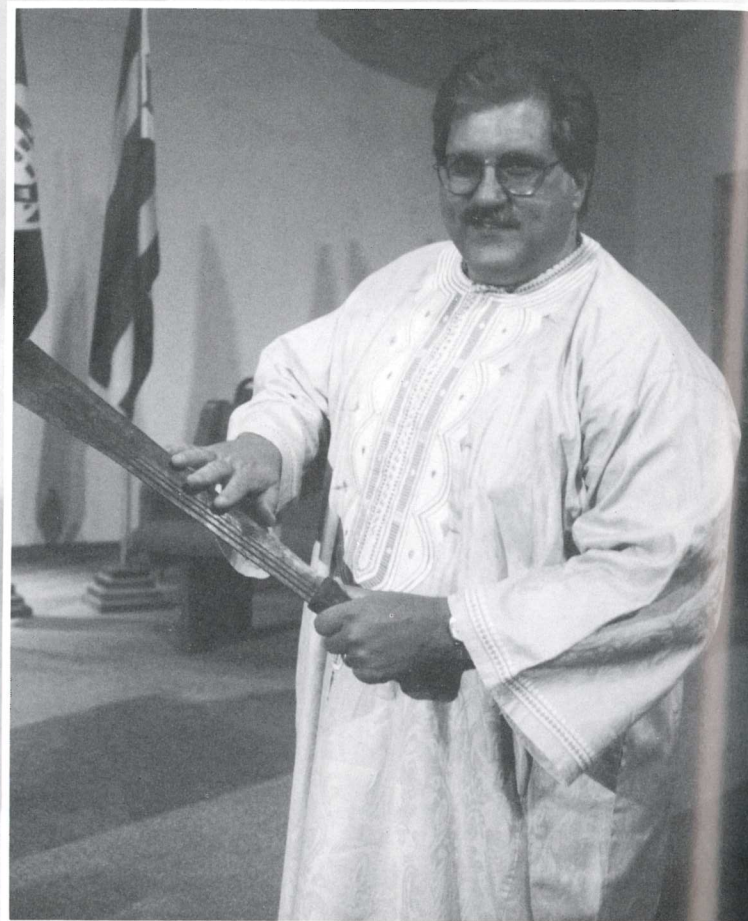

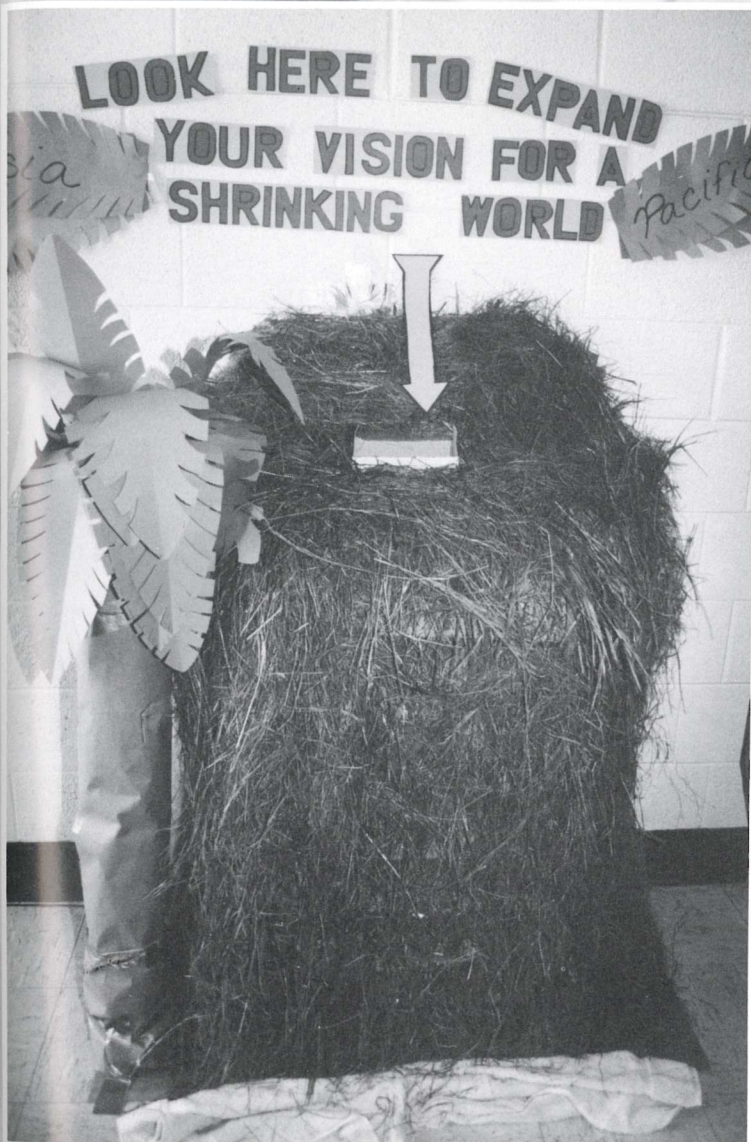

Missions Convention this year was a complete success as the speakers came forth with a powerful word. The sermons placed a heavy burden upon the hearts of people to go and preach the Word. Several people received God's calling on their lives to be missionaries and others found out where God wanted them to go. All were challenged to take the Word of God back to their families and friends.

FINE ARTS TRAVEL TEAMS

Trinity Fine Arts put four traveling ministry teams on the road again this year, and logged more than 18,000 to hold services in twenty-nine states. The music and drama teams minister in church settings, youth rallies, conventions and summer camps, public and private schools, special events, and even help with inner city outreach. Three of the teams lead workshops for churches in the areas of drama and human videos.

Traveling on weekends during the school year, three teams--SERVANT'S HEART, REDEMPTION, and HEART--held fifty-seven church services in North and South Dakota and western Minnesota. During March (over Spring Break) each team held ten services, and on May tour each team held 24-33 for a total of more than 100 services on tours and more than 175 for the school year.

The fourth team, VISION, traveled eight weeks in the summer, ministering in seven weeks of youth camps and the upper mid-west and Alaska. VISION primarily ministers through drama and human videos, but also uses live music in their services. This team held weekend church services as travel demands between camps would permit, and held a ten-day tour during the week of July Fourth.

Although many people at Trinity don't even know it exists, Trinity Fine Arts is very proud of its fifth team--SUPPORT. This team provides our program with hours and hours of behind-the-scenes work each week. Some do bookings and work in our office, others give administrative assistance with recruitment and public relations. Other team members keep our vehicles running the thousands of miles we travel each year. Our most important members are the hundreds of people, just like you, who have committed to regularly pray for our ministry. With these team members we would never make it to any of our services, much less have the privilege of ministering to everyone on SUPPORT, we want to express a huge THANK YOU from everyone you send to the front lines.

TRINITY FINE ARTS

Trinity Fine Arts is much more than just another academic department--although they do that quite well, too! Under the leadership of Ken Prettyman, Director of Music and Chuck Stowe, Director of Drama, Trinity Fine Arts produces and presents eleven major events for the campus and community each year. In addition to these events, they lend their support in a multitude of ways to other activities including the fall and spring Missions Conventions, Student Association events, illustrated sermons, special music and worship teams. The faculty and students of Trinity Fine Arts assist many of our student ministries teams with their efforts in music and drama, including One Voice (music), Sanctified (human video), Signs of His Love (sign language ministry), the Mexico outreach trip, as well as our children's, youth, senior adult and prison ministry teams. The department also assists churches and organizations in Ellendale and across the area with special holiday events and programs. Busy? *Yes.* Producing tremendous results? *Absolutely!*

"If any man will come after me, let him deny himself, and take up his cross, and follow me."
Matthew 16:24

Junior-Senior Banquet '97 will not soon be forgotten. All who attended were delighted with the ivy-covered room lit by candles and draped in white linens. Each detail was lovingly planned and arranged to honor the graduating seniors and their accomplishments.

The evening was filled with many touching events, including the annual slide show, a moving song by senior Valerie DiLuggo, and a heartfelt message. This year's honored guest speaker, Rev. David L. Jones, inspired, amused, and challenged each graduate to continue with their quest for Jesus Christ.

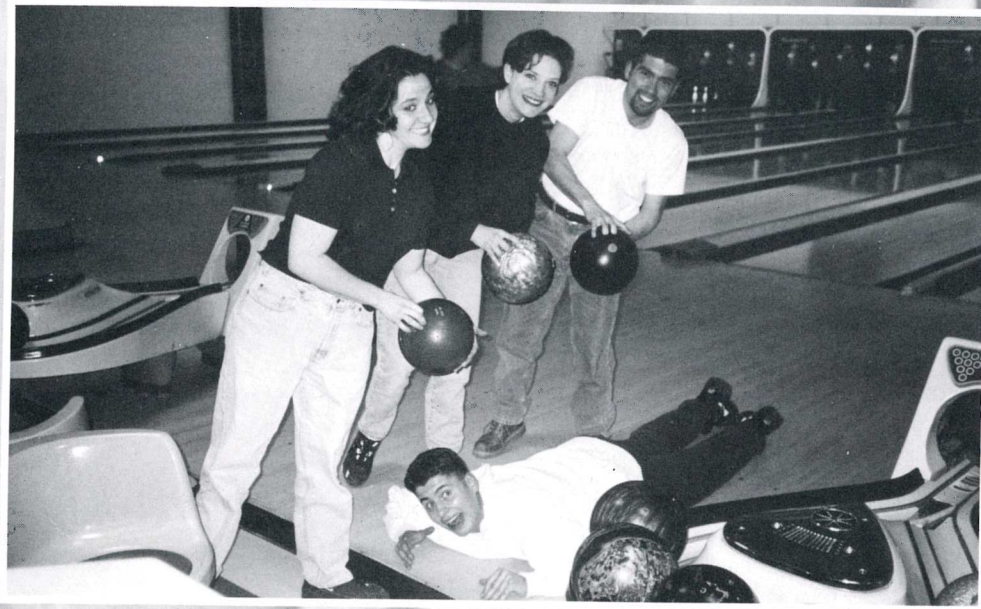

With their "No sacrifice can be too great to make for Him who gave His life for me" motto fresh on their hearts, the graduates of 1997 were sent out to sacrifice themselves and change the world.

5th Annual Sport's Banquet

MASTER OF CEREMONIES
Mike Vennard

"... A Lion, mighty among beasts who retreats before nothing ..." Proverbs 30:30

Some of the greatest athletes in the world were gathered in TBC's cafeteria for the annual athletic banquet on a snowy April night. Their greatness was apparent, not in their win/loss record, but in the strength, conviction, and endurance that each one displayed throughout the duration of the sports season.

Each and every mighty TBC Lion was challenged and reminded always to run, jump, and to serve, being conformed to the image of Christ through excellence in athletics.
