Memories Made!

© Tony Northrup, www.northrup.org

Trinity Bible College

Looking back over this past year
We will remember the good times, connections and
prayers

We have come from near and far places
With one goal in mind,
To focus on God and His plan for our lives

As we stepped onto this campus we didn't know
what to expect,
New school, new friends,
What would be next?

The Pictures taken with you and your friends,
The classes you thought would never end.
Ministry teams, sports, and plays
It seems like it was just yesterday.

Our time here is precious and we must be grateful
for every minute
Because it goes by so fast and before you know it,
You will be leaving and saying goodbye,
But we will take with us our Lion Pride.

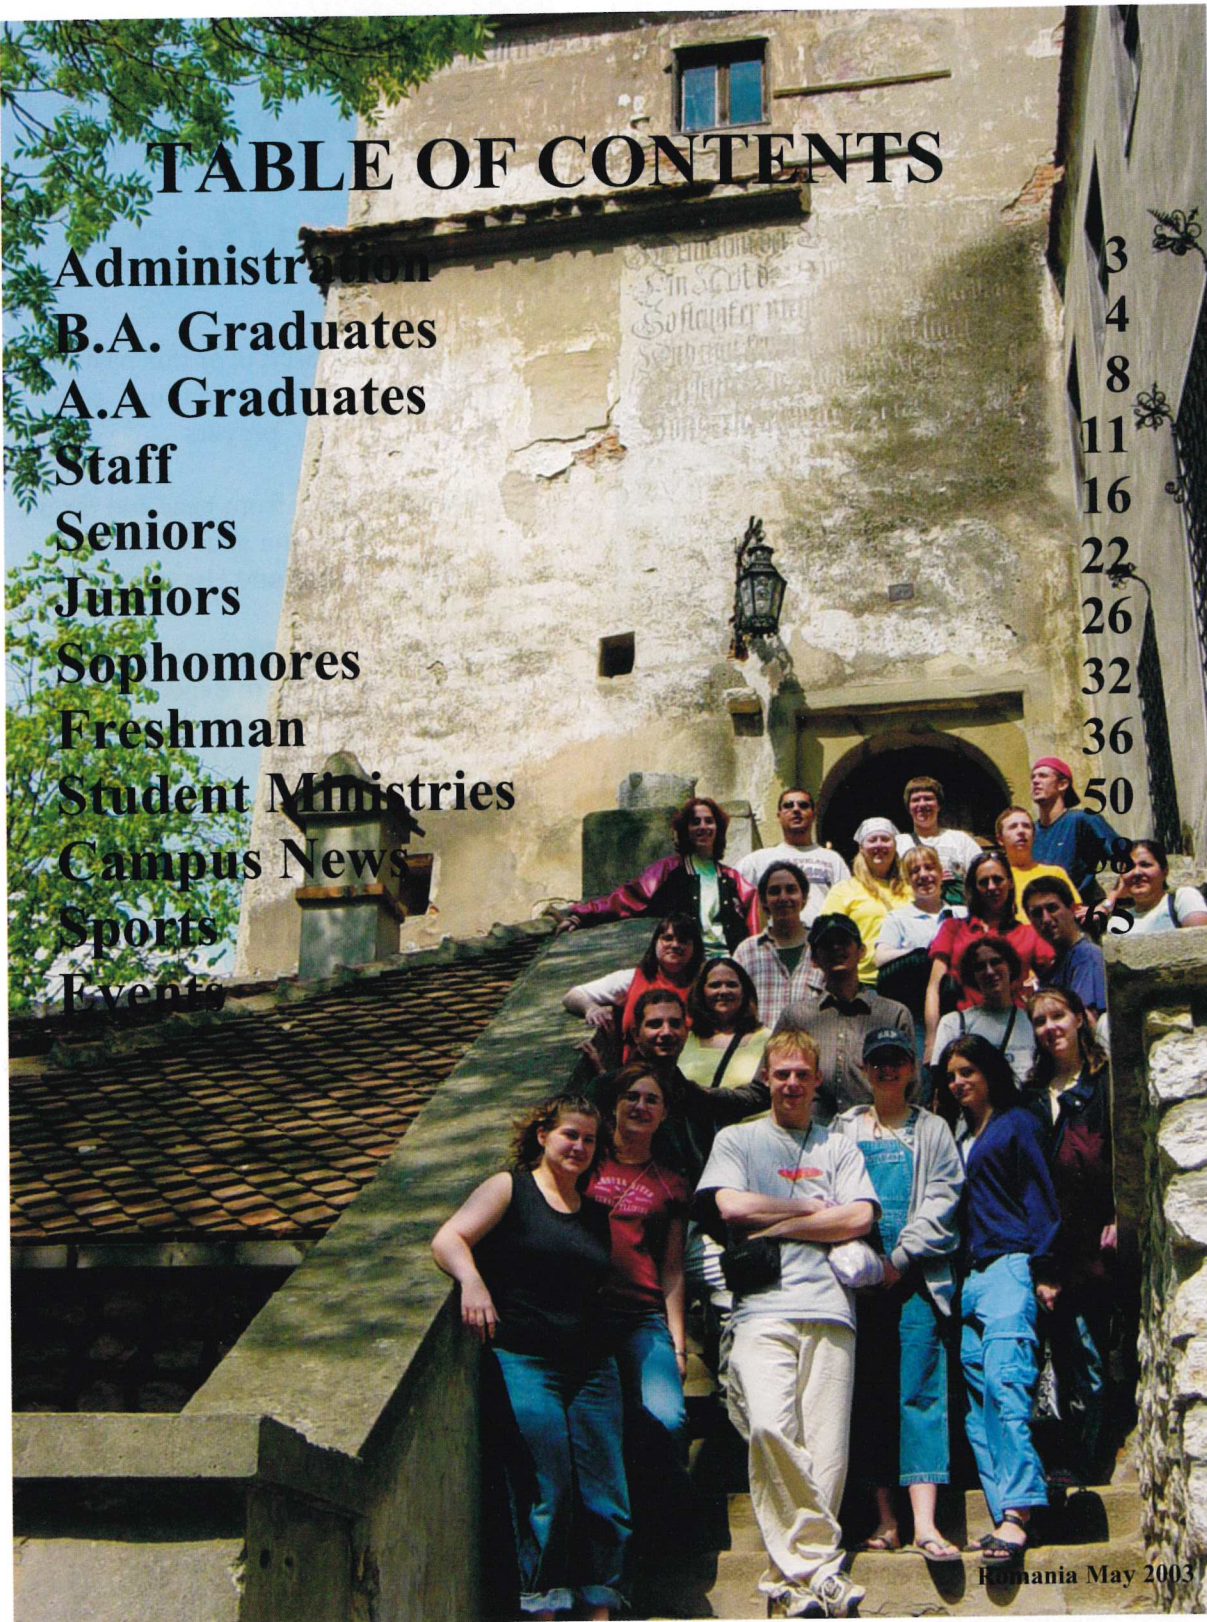

As this time comes to an end,
Remember our lives are about to begin.
And Even though we have school bills to be paid,
Never forget that these were
"Memories Made!"

Freshmen Walk

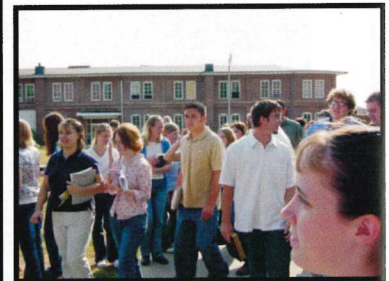

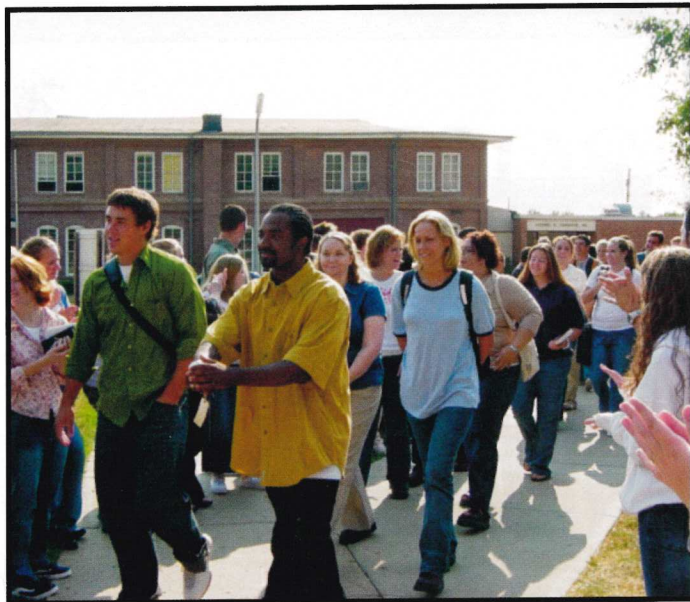

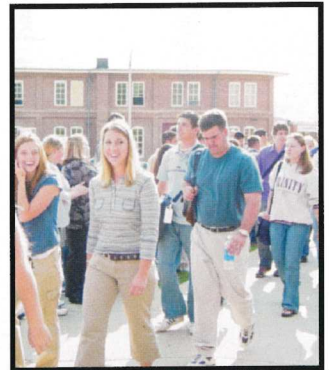

As the Freshmen take their walk, we are there supporting and encouraging them to be all that God wants them to be in their academics as well as in their spiritual and social lives.

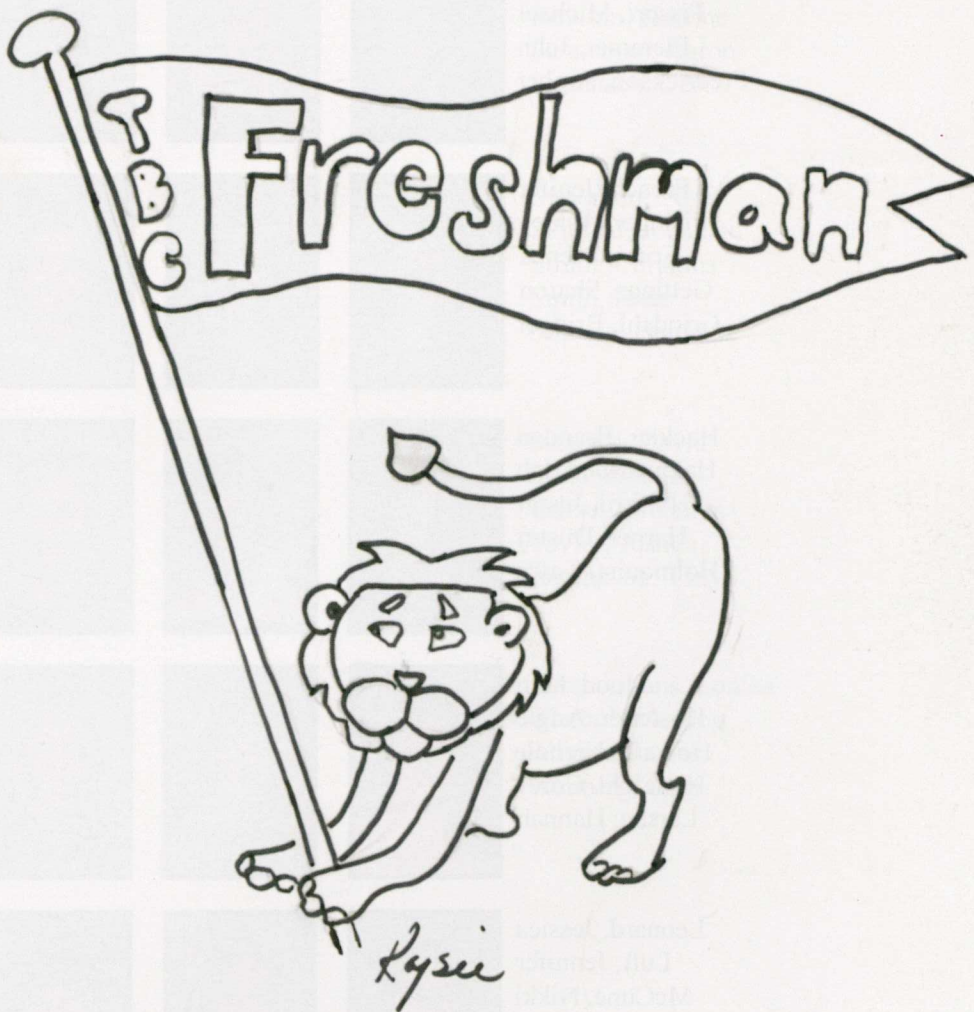

The professors take the lead, and in these next years they do become our leaders. Not only do we honor our professors but they honor us as well.

Of the many traditions held at Trinity Bible College, the Freshmen Walk is one of the most significant and important. All students stand to the side and watch while the Freshman take their first steps into a new life and a new world.

"for your love is ever before me, and I walk continually in your truth."

TBC Choir

Go out into the World and Preach the Good News!

Every student at Trinity is required to do some sort of ministry to fulfill certain ministry credits and to help students to fulfill this requirement, Trinity holds a Ministry Fair. In the fall it takes place in the gym. Every ministry team sets up a booth of who they are and what they represent. TBC offers a variety of ministry options for students to get involved with.

Student Ministry Fair

"But be sure to fear the LORD and serve him faithfully with all your heart; consider what great things he has done for you."
--1 Samuel 12:24

"You show that you are a letter from Christ, the result of our ministry, written not with ink but with the Spirit of the living God, not on tablets of stone but on tablets of human hearts."
--2 Corinthians 3:3

"For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do."
--Ephesians 2:10

Student Ministry Fair

ONE Hope

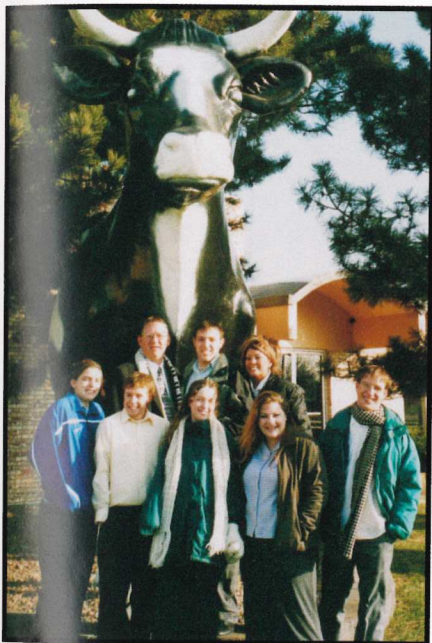

One Hope Ministry team's heart is for those students who haven't made the right choices. We minister to the trouble teens in group homes and in juvenile halls. Our goal is to show lots of love and God's hope for their lives.

Team Leader--Shannon Combs

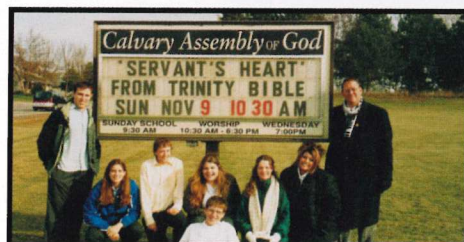

Servant's Heart

Servant's Heart is a team that travels to different areas to share in the ministry of worship and in preaching. This year they had the honor of providing the entertainment for the Valentine's Banquet hosted by Off Campus.

Having fun and doing ministry is what it is all about.

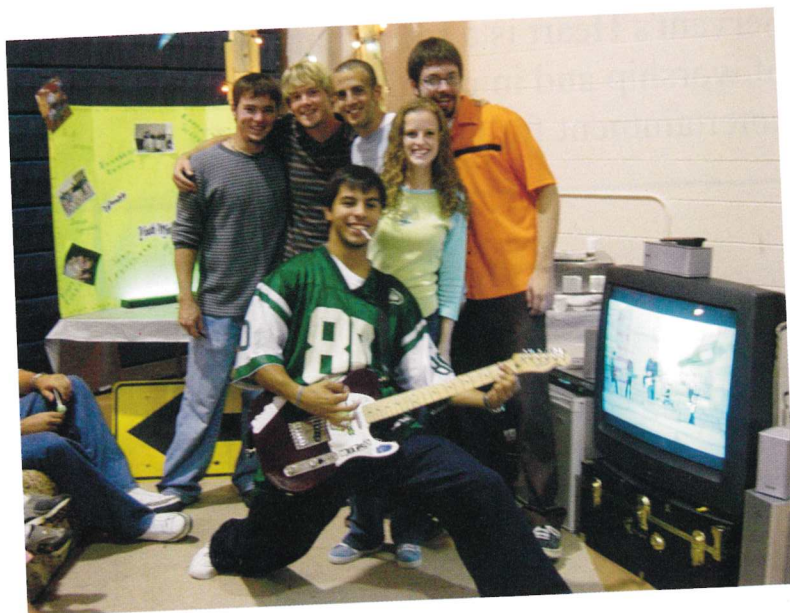

Chosen

Chosen is a youth ministry team with a passion to bring teens into a living relationship with Christ through worship, drama, the Word, and hanging out together. They minister in churches and at youth events.

John 15:16, You did not choose me, but I chose you and appointed you to go and bear fruit--fruit that will last.

Community Action

Community Action is a ministry that offers their services to the Ellendale community. In the fall they go around and rake leaves, they also put together a float for the 2003 Applefest parade and one of their biggest involments was the "TBC Work Day". Trinity students took part in painting, cleaning, and fixing up things around town.

The Focus of the Native American Ministry team is to reach the nations youth on the reservations. Through creative drama, children's ministry, preaching, music, and being a friend this group of college students are impacting our fellow nations right in the United States. This group has one mission and hope which is to raise up a representation of Native Americans that will one day gather around the throne of God. This year was the 2nd Annual Native American Convention-Trail of Hope-at Trinity which impacted another generation for Christ.

Pure Heart

03-04 was a year that challenged Pure Heart.

Pure Heart enjoyed a great year of growing and learning together. They traveled to ND and WY Youth Convention, Whapton and Tioga, ND; Douglas, WY; Ortonville, Willmar, Bemidji, Sauk Centre, St. Cloud, Moorhead, Nothfield and Mankato, MN plus a coming May Tour in Wisconsin and

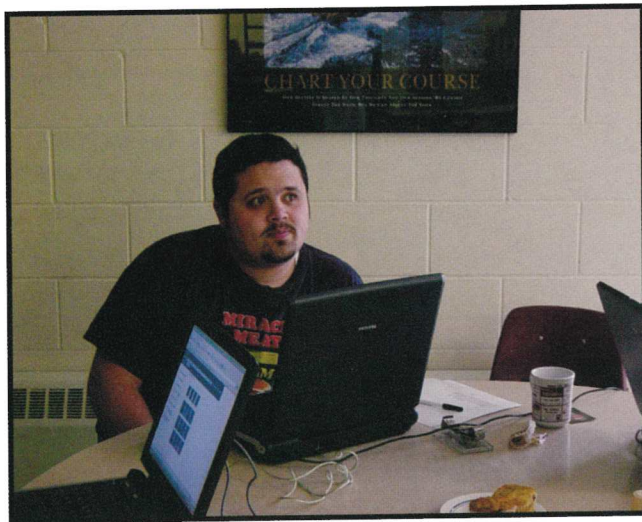

Illinois. Not only did they have to learn a one act play, but numerous skits. Traveling together was also another thing they had to learn how to do. Yet this did not stop them from ministering the gospel to God's people. One of the hardest things they had to deal with was losing a teammate. Justin felt God

leading him to the I.H.O.P (International House of Prayer) in Kansas City. He came back for one more service in the spring, and then departed. He is continually missed on the team. 03-04 came with its challenges, but they were met by the team, who saw God do incredible things in their lives.

YEARBOOK COMMITTEE

"The work and time spent on this book has really payed off. I am pleased with the outcome!"

Yearbook Chief and Editor--Kaysie Krueger

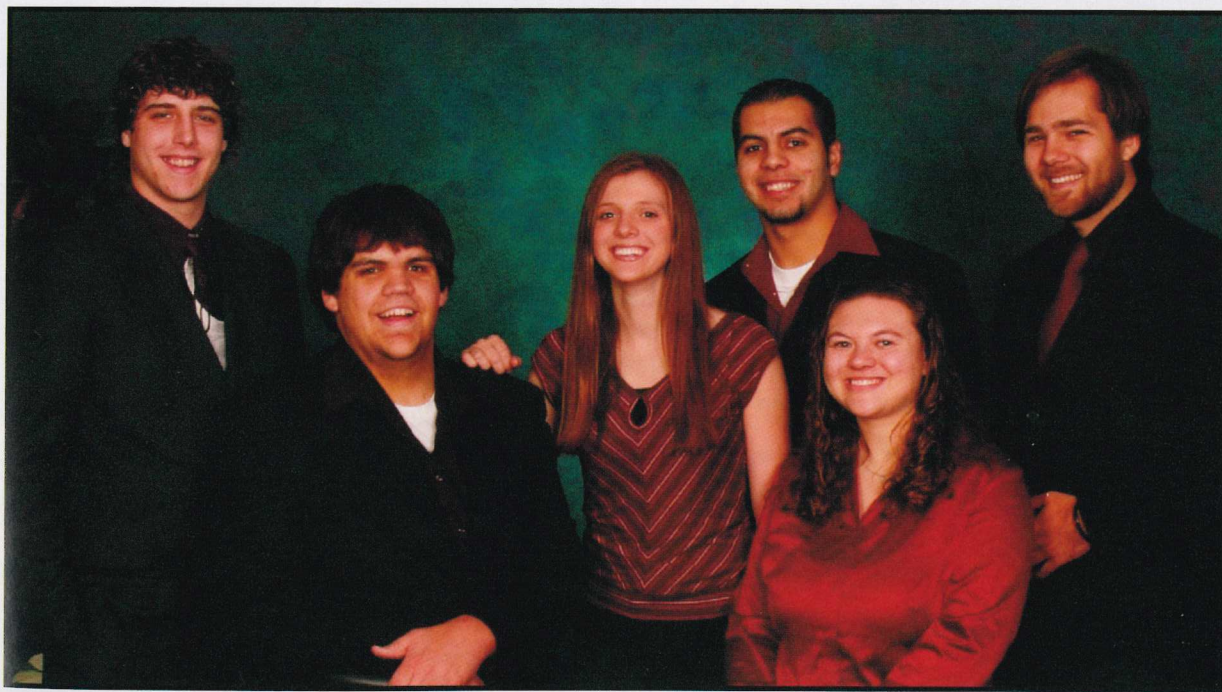

This year we have dedicated our time into designing a yearbook that TBC students can be proud of. Years from now you will look back into this book and remember the time you had here with your friends, professors, and with God.

REFUGE

Refuge's ministry is more focused toward the worship. They have had the opportunity to provide the worship for the sectional service led by Cal Thompson.

Hal Phoenix Attends NSTA Regional Convention

By Steve Tvedt

Hal Phoenix, Elementary Education Department Chairperson, attended the Regional National Science Teachers Association Convention in Minneapolis, Minnesota October 30- November 1. The purpose of the convention was to introduce new methods and provide new resources for the teaching of science in elementary, middle school and high school. The convention was hosted by the Minnesota Science Teachers Association to provide new avenues of professional development for teachers of science.

A variety of speakers in general sessions, field trips, and short courses were offered. Mr. Phoenix attended breakout sessions covering the areas of chemistry, physics, general science, earth science, (see below)

What Does The Future Hold?
By Dennis Niles

One of the questions I am frequently asked is: "What do you see for the future of Trinity Bible College?" We are endeavoring to establish our uniqueness as a Bible college---a rapidly vanishing entity in the Assemblies of God. We are pleased that a high percentage of our students respond to God's call for church ministry and missions. Our graduates are not afraid to take the small rural church and establish longevity and see it flourish!

Trinity Bible College
Continues 'Building on a Miracle'

Aberdeen News Paper
Posted on Sun, Jan. 25, 2004

By: Steve Tvedt
Vice President of College Relations,
Trinity Bible College

Trinity Bible College was founded in 1948 as a result of the vision and desire of the Rev. L.E. Englar. Many changes have been made to the location of Trinity and because the University of North Dakota, Ellendale campus, was closed due to consolidation efforts and a devastating fire and was up for sale. Trinity was able to miraculously purchase the Ellendale campus for \$1.00. This was the beginning of "The Million Dollar Miracle", written by Douglas Wead.

The theme, "Building on a Miracle," has been chosen to represent a campus-wide development

program for the expansion and growth of the Trinity Bible College Campus.

Master Plan: The regents, in the fall meeting, approved the initial master plan. New building, improvements and updated classroom are needed to accommodate the growth and expansion of programs. The initial projects include development of a new women's residence hall, a student life center, housing for married couples, remodeling of Davidson Hall, a new library addition, and further classroom upgrades.

It is the desire of the Trinity Bible College leadership to provide the finest environment where men and women are educated for leadership and ministry.

and biology. Some of the latest research on how the brain functions during learning was presented. He actually volunteered to be the guinea pig for some of the 'brain reaction experiments'.

The chemistry show was particularly impressive and Phoenix states, "I can't wait to try some of the experiments -- do our fire extinguishers work?" He was also able to attend a workshop where on the making of both paper and polystyrene airplanes (it's a elementary teacher thing). A great number of new ideas were presented during the conference and many will be implemented in the science in the elementary school classroom taught by Phoenix. Trinity elementary education students will no doubt benefit because of Hal Phoenix and his membership in the National Science Teachers Association.

Evan Lee Cummins Nominated for Nammy

Evan Lee Cummins, a senior at Trinity Bible College, has been nominated as Debut Artist/Group of the Year by the Native American Music Awards Advisory (NAMA) Advisory/Industry membership for the Sixth Annual Native American Music Awards. The awards event will be held Saturday, November 15th, in Albuquerque, New Mexico. Over 145 national music recordings were submitted for nomination consideration for the awards. Eligible recordings were submitted for nomination consideration for the awards. Eligible recordings must have been commercially released from April 1, 2002 thru March 3, 2003 and have national distribution by a domestic record company and/or an authorized distributor.

Evan Lee is from Poplar, Montana and is preparing to graduate with an Associate of Arts degree in Business Management and a Bachelor of Arts degree in Biblical Studies with a Ministry Minor. He is a member of the Trinity Bible Lions basketball team and a student leader of the Native American Ministries team. He was instrumental in hosting the Trail of Hope 02 native youth convention on the Trinity campus last spring. He is currently working on the Trail of Hope 03 to be held on March 18-20.

I want to be an encouragement to young people everywhere and use the gifts that God has given me to uplift them and see their lives changed by the messages that my songs carry. It is not my desire to make a big name for myself but to magnify the name of the Lord in the greatest way possible. "If you want to be great in the Kingdom of God, you must be a servant to all".

Answering the Call of God By Dennis Niles

The story is told of a prominent businessman who was giving a speech at a university. He was explaining how he had become successful and made more money than he had ever dreamed. He went on to say that he used some of that money to hire people to do tasks he did not like to do.

At the close of his address, he made a startling statement: "I have never been able to hire someone to do this one thing---find my own sense of purpose and fulfillment...I'd give anything to discover that!"

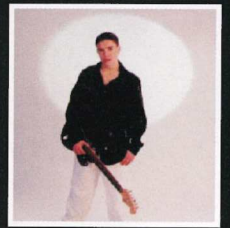

A major part of your journey in this search for significance begins now. Whether you are young or old, this search will help you discover a grand purpose for your life. God challenges us to discover the call of God for your life and allow it to be fulfilled.

Answering the call of God is the ultimate way of living. In that calling, you will make a dramatic shift in your pursuit for success to finding significance. It is more than looking for the perks and the paycheck, but a revelation of accomplishing something for God.

What is the call of God? It is a matter of God calling us to Himself in such a way that everything we are, everything we do and everything we have will be invested in living out His calling to service. Out of all the billions of people...God is calling you!

Evan Lee and his album, "Swept Away"

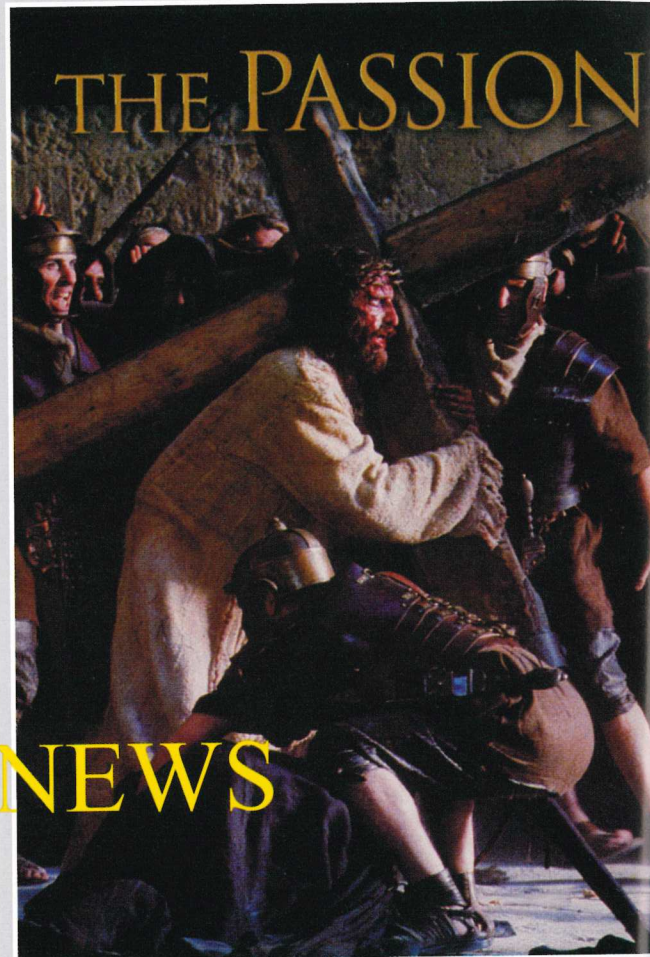

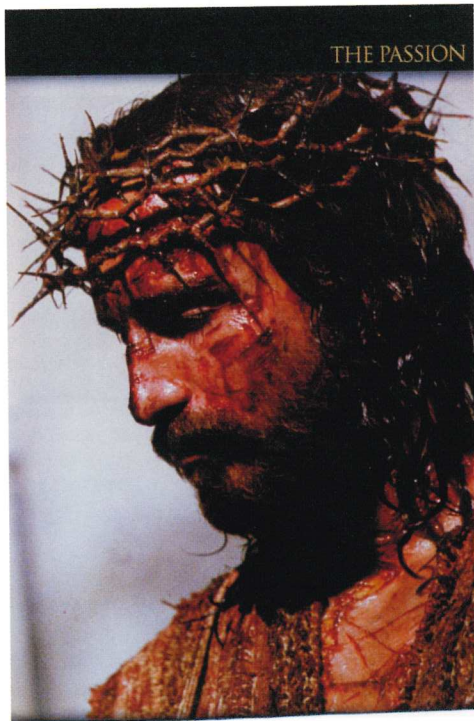

The Passion by Mel Gibson

Feb. 17 — At "the height of spiritual bankruptcy" more than a decade ago, abusing alcohol and drugs, the actor Mel Gibson said he once contemplated hurling himself out a window.

But instead, he turned to the Bible, which ultimately inspired him to direct his new movie, *The Passion of the Christ*.

"I think I just hit my knees," Gibson told Diane Sawyer in an exclusive interview on ABCNEWS' Primetime. "I just said, 'Help.' You know? And then, I began to meditate on it, and that's in the Gospel. I read all those again. I remember reading bits of them when I was younger."

"Pain is the precursor to change, which is great," Gibson said. "That's the good news."

By Roger Ebert Film Critic

If ever there was a film with the correct title, that film is Mel Gibson's "The Passion of the Christ." Although the word passion has become mixed up with romance, its Latin origins refer to suffering and pain; later Christian theology broadened that to include Christ's love for mankind, which made him willing to suffer and die for us.

Even though this movie is rated 'R', Trinity students have been given permission to see it and were even encouraged by the Administration to see it.

"Trail of Hope '04" Native Youth Convention

Hosted by Trinity Bible College

Trail of Hope" is the vision of the Native American Ministry team under the student leadership of Evan Cummins. They wanted to accomplish three objectives:

- 1)to provide an opportunity for Christian native youth to encourage each other,
- 2)to help them understand their value to Jesus Christ,
- 3) to help them catch a vision for their lives and their people.

Scheduled activities include a banquet, sports, dynamic worship services, workshops, and a concert. In addition, participants can attend classes and have positive interaction with the TBC student body. All of which will contribute to accomplishing the goals.

A number of special guests will invest in those who attend the convention.

BASEBALL

Words of Inspiration

The time has come for us to hear the sound of linedrives exploding off bats, the sight of curveballs dancing through the air, and the smell of grass on a fresh spring day.

Our team's numbers seem increasingly steady with 12 players and are looking to pick up some more players after the basketball season is finished.

The team is hungry to have success on the baseball diamond this season, but more importantly, all of us desire to be an effective witness for Jesus. It is exciting to think about all the opportunities we will have to share with other athletes and coaches.

---Coach Eric Slivoskey

"Wherefore, sirs, be of good cheer: for I believe God, that it shall be even as it was told me."
-Acts 27:25

Senior Mike Johnson decides to play baseball for the first time he has been here at TBC. He has decided to end his last year with this verse in mind...

"I can do everything through him who gives me strength."
Philippians 4:13

Freshman John Flemmer has never played baseball but with the help of his coaches and teammates, he is confident that he will do well and that his team will do well.

"I'm excited for the season because it will be a new and interesting experience for me."
--John Flemmer

TBC Campus Events

Trinity events are just one way to get students involved and to keep them entertained.

Come One, Come All, and join the fun!

Brent Enget gets students involved in drama with fall and spring productions, and student government is constantly brainstorming for new and interesting activities to allow for fellowship and fun. Whatever it is that you like to do, the leadership at Trinity tries to accomodate every student's interest and need for entertainment.

Cast and Crew

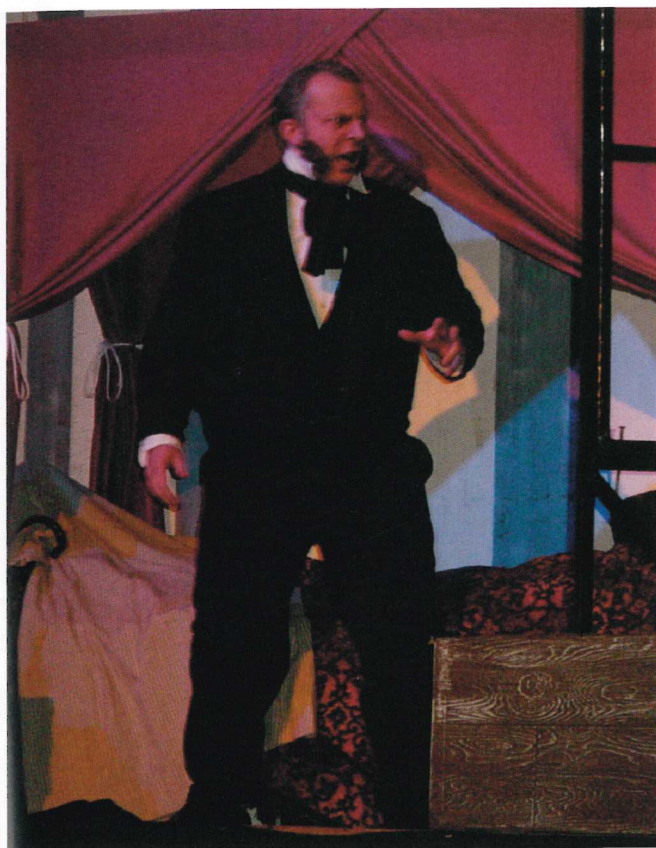

"This year's play is a classic work of theatre which has at its heart a very Christian message," wrote Brent E. Enget, producer/director, in the program. "A Christmas Carol illustrates one of God's greatest gifts to us—the hope of redemption. Just as Ebenezer was given the opportunity to see what he was and to choose to live differently, so we are given that chance daily."

Class Competitions

Part of Trinity Tradition is class competitions. The chance for each class to compete in different competitions to prove that they are they best. This years Freshmen came out strong and hard, the Sophomores weren't far behind, and the Juniors didn't give up all though they were outnumbered. The Seniors again proved that they are #1!

Class Competitions

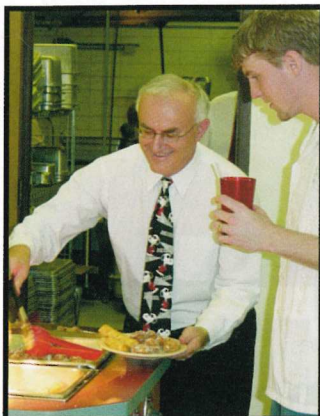

Every semester Student Government puts on theme dinners in the cafeteria. Members of SG serve their fellow students dinner. They work hard to make the evening something fun and relaxing for the students.

The Student Government representative, Leroy Kirschenman helps to serve along side Wade Janssen. Either that's what is happening or Wade is giving him a hard time like he does everyone else!

SHANGHAI NIGHT

Theme Dinner

Above, you can see students enjoying our fall semester theme dinner, Shanghai Nights.

These are the people that made this night possible, Student Government. They all enjoyed a quick breather and time for a group photo before they cleaned up.

Midnight Masquerade

Finals week can really take a toll on you so between all of that studying, it is nice to take a break. Midnight Masquerade is a time for faculty to make breakfast for the students and for the students to try and relax. Some students put on a talent show for this years entertainment.

Left: Phil and Kaysie caught on camera.

Right: TBC students enjoying the food waiting for the entertainment.

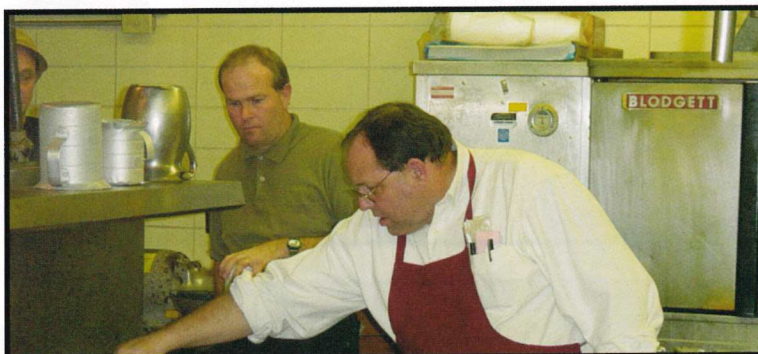

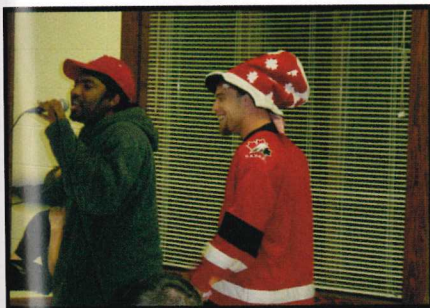

Top: Tanya and _____

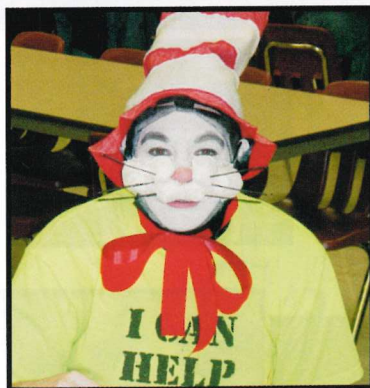

Right: Jen is looking as classy as ever.

Bottom: Neil shows us his dance moves while Marcus does his thing.

Bottom: Ken Smith is supervising Gene as he is grilling up some more food. YUM!

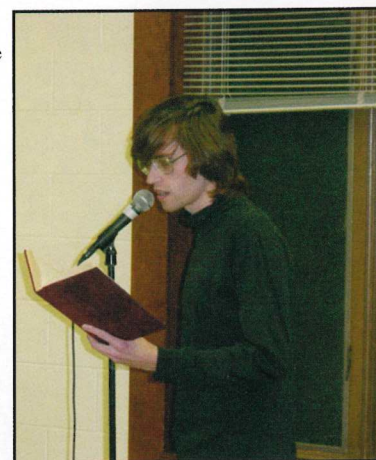

Becky pulls off a one of a kind costume with the classic cat in the hat. Kevin thinks she's purrrfect.

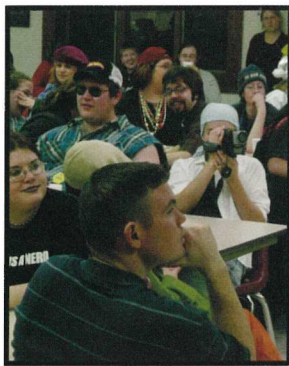

Left: Misty

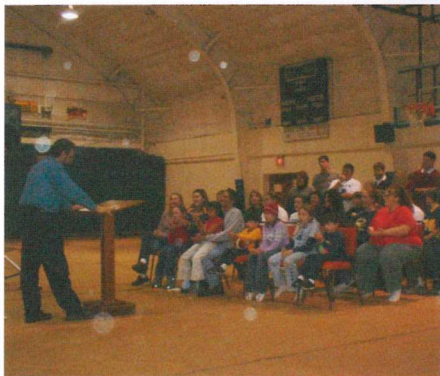

Right: Jason through a star performance with his poetry read-aloud.

Bottom: A Table full of hunks. Josh, Jorge, Lance, Sannon, Brandon, and Justin.

Right: Off campus students produced the story of The Curious Boy. It followed the misadventures in the life a curious young man whose curiosity eventually led him to Christ. The curious boy explored every aspect of bible college from the Theological Society, to the football team, to chapel.

The guys of Kesler approached Campus Conflict from a different angle this year. The majority of thier performance was pre-recorded and aired in a COPS theme with comical commercials between each episode. These guys walked away without a trophy, but with the understanding to never approach the subject of dress code again.

Campus Conflict

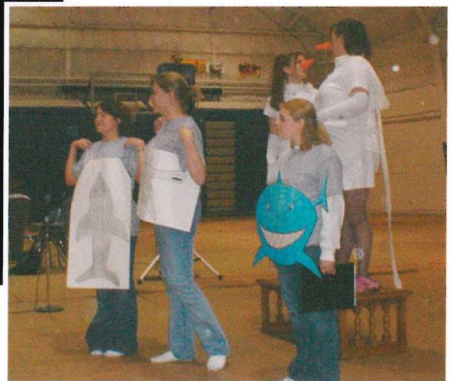

That's not a dead girl on the floor. Freshman Chelsea Deschene is playing her part as a starfish. Her freinds are behind her in their costumes made of cartoon fish drawn on paper. Their skit took youth group to a whole new level. Under the sea level.

The ladies of Davy impressed the judges and counfounded the minds of upper classmen. Freshman girls took first place in the battle of the buildings and posed as a group to take victory pictures.

Davidson Hall took the popular movie Finding Nemo and created their masterpiece "Nemo Goes to Youth Group". With crazy antics and darling impersonations these girls won the hearts of the faculty judges.

Pictured above: Jennifer Omdah Jessica Vanklompenburg, Tanya Thompson, Hannah Larsen, and Kim Hood.

Tanya Thompson and Kim Hood stole the show when they dressed in white and pretended to be sea gulls.

The Clumsy Custard

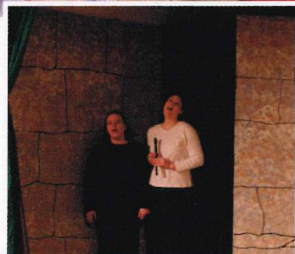

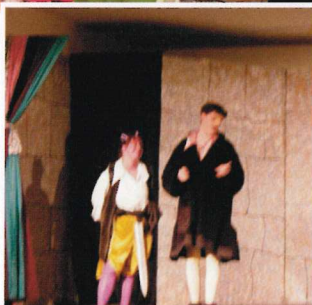

This play was unlike anything ever done here at TBC. From the dazzling hero to the evil villain and his minions, from the stupid king to the Clumsy Custard, it is definitely a farce that kept us laughing through the entire adventure.
