Dear Trinity Students,

I can't express how thankful I am to be your Student Government President. It has been an amazing journey of seeing the faithfulness of God in projects and events that are too big for me to handle without Him. Thank you all for believing in me and continuing to support me and the rest of the Student Government team as we do our best to support you!

Since I have been given the opportunity to share some of my thoughts with you, it seemed an appropriate time to give some advice that God has been giving me. Don't let your time at Trinity pass you by. Take every opportunity to be involved, whether that is in your classes, extracurriculars, or in your relationships with students, staff, and faculty. Don't spend time at the altar, then get back up unchanged. Trinity is not a pit stop on the way to the rest of your life; this is already your life! God has been teaching me how to live in the moments He has given me now, while still having hope for the future. I pray that we all can remember that God can work and is working now, not just in our future classrooms, gyms, businesses, and ministries. I so appreciate you all and pray for you often. It's been an honor to serve you.

Michelle Langley

Letters from our presidents

Dear Trinity,

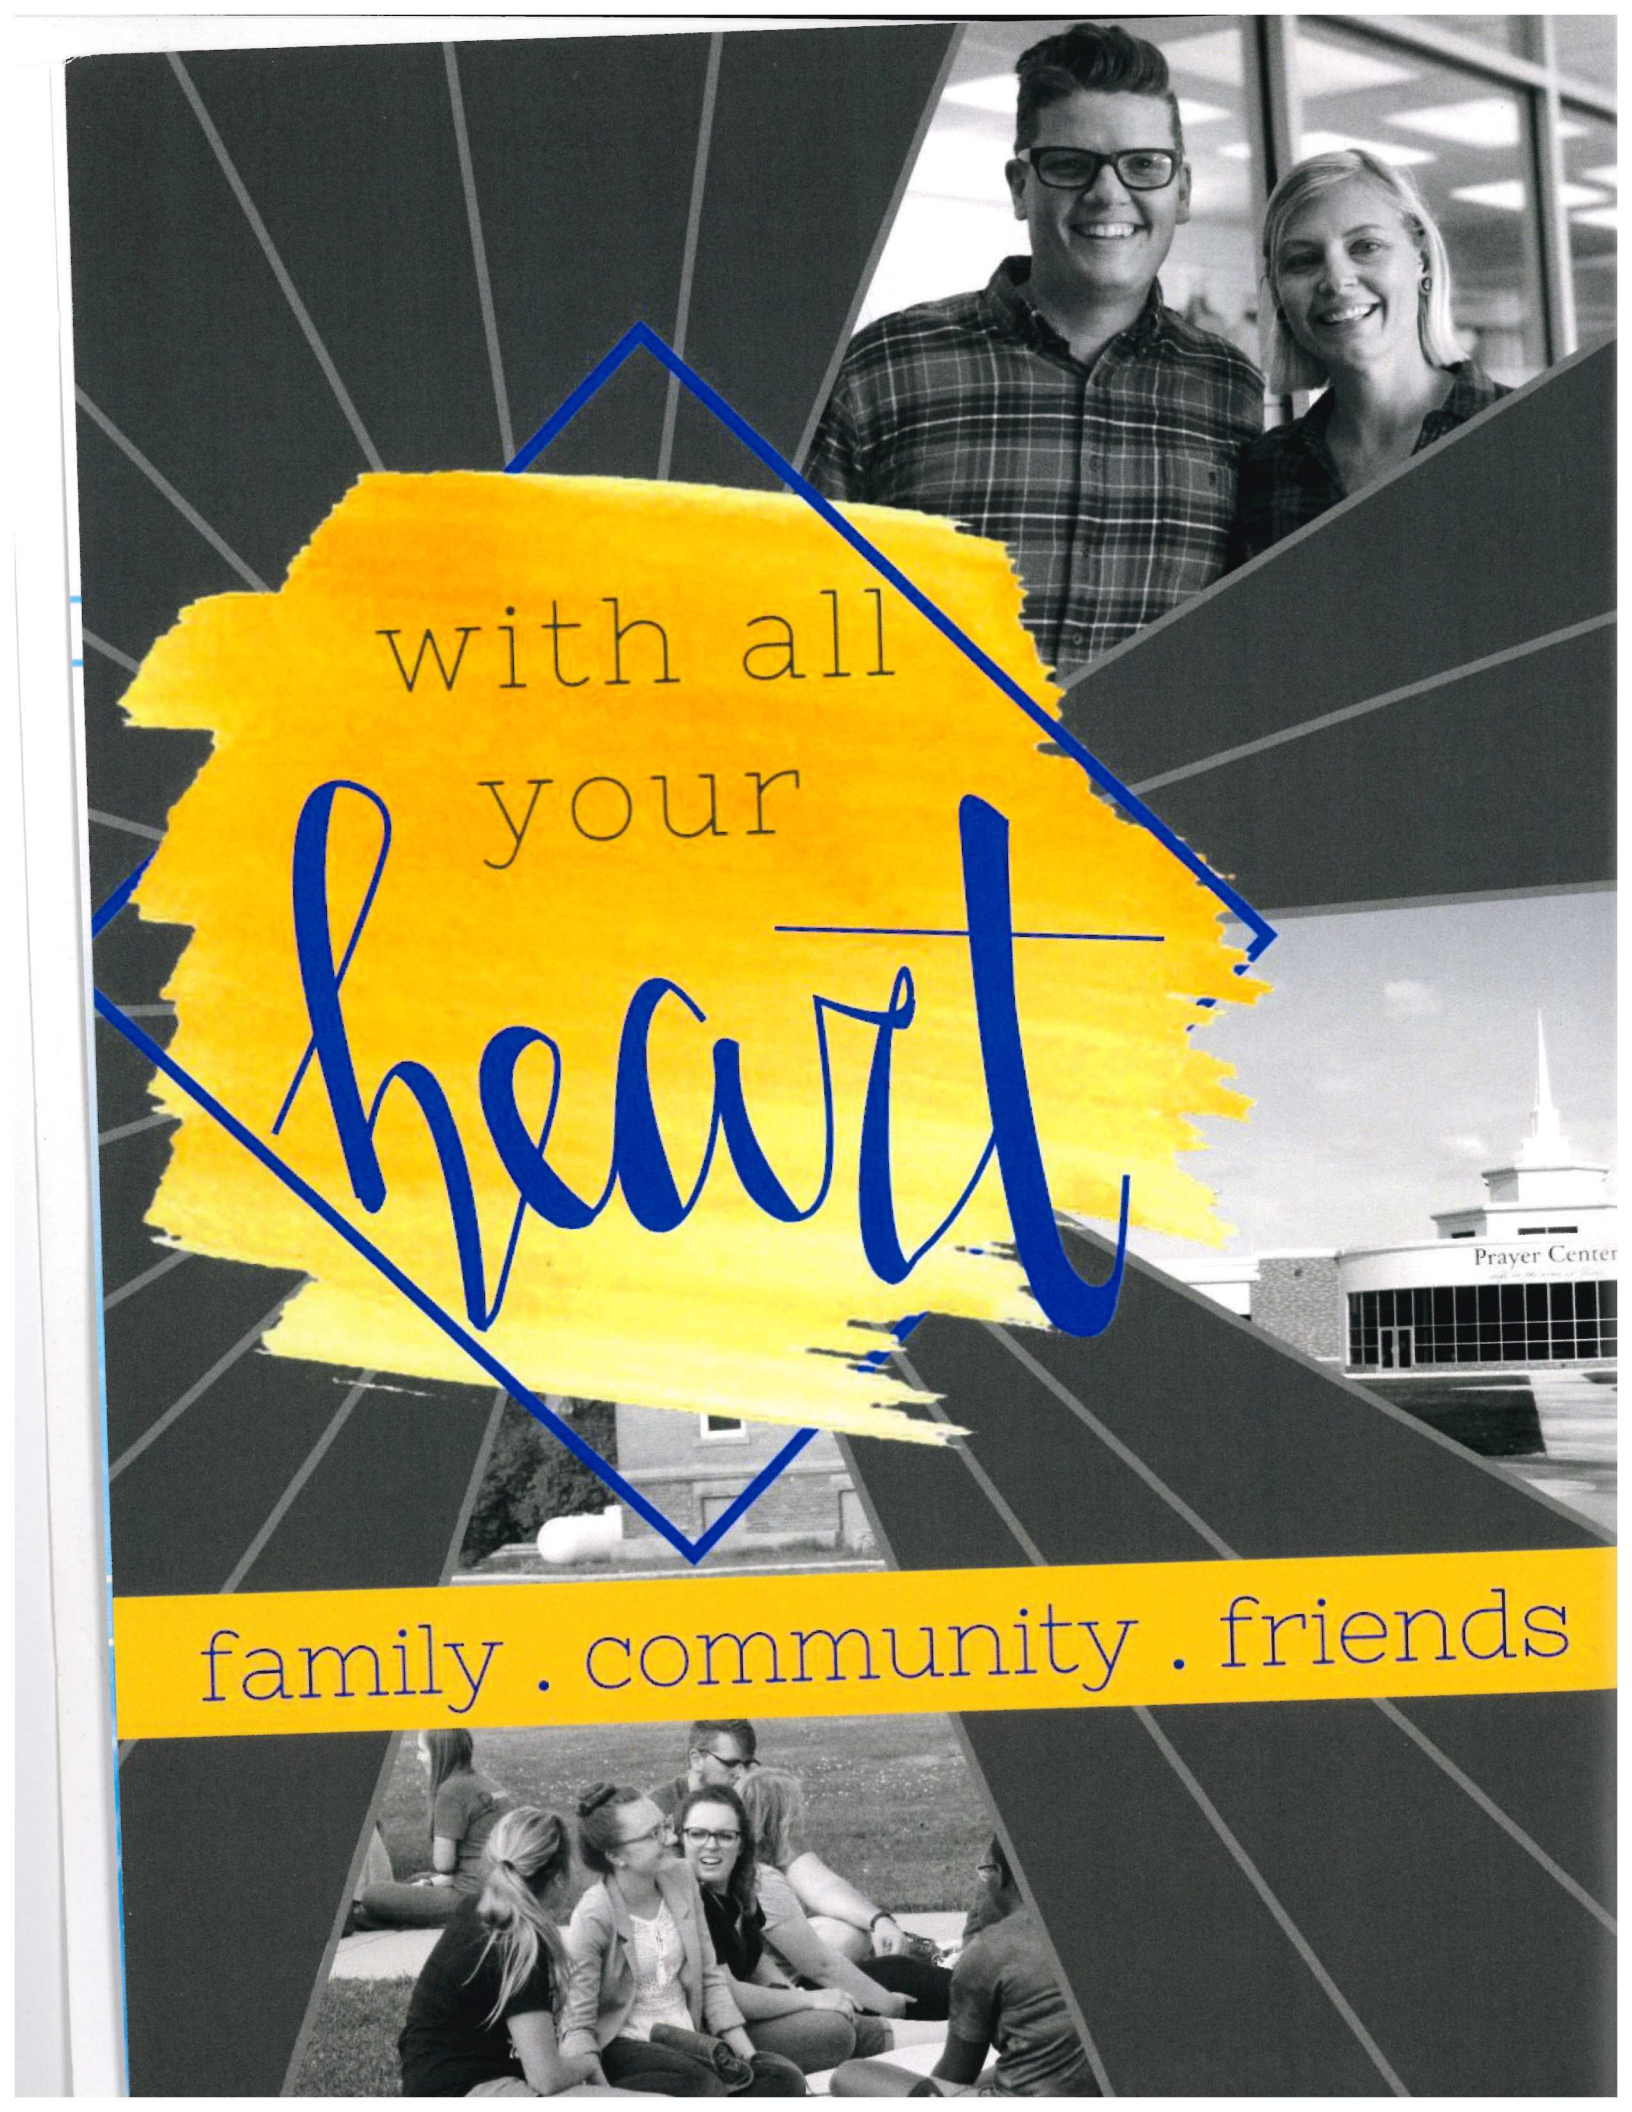

A degree is a very important part of why people attend college. It is a good indicator of skills and achievement. But a degree is certainly not the **ONLY** thing that someone should leave college with.

In some ways, of equal importance to a degree are the friendships that are forged, the memories that are made and the relationships that often last for a lifetime. This is why for generations, college yearbooks become treasured.

At Trinity, we have a collection of yearbooks going back over the years. We take them to alumni events and it is not long before they become the center of attention. Sometimes an hour or two passes with nothing else happening besides the conversation and laughter that come from people looking through the pages of the yearbook.

I am very grateful to Stacy Johnson and her team for this yearbook. May it be the source of many happy memories and a challenge to retain the meaningful friendships that have developed during those fleeting years of college.

Rev. Sam Johnson receives
Honorary Doctorate of Divinity

Strong structures are built upon firm foundations. In Fall 2018, Trinity gathered to celebrate what makes our college stand stalwart among the rest. While we rejoice in the rededication of buildings that will be prominent for years to come, the HEART of our foundation is the people. It is the students, the staff, the faculty, the alumni, the board, the donors, the administration. The hallmark of the 70th celebration was the people. We are blessed by the individuals who have and continue to invest in this community to keep it vibrant and strong.

SUMMER 2018 TEAMS

BEST. SUMMER. OF. MY. LIFE.

"9 Camps. 65 days. I would not have believed you if you told me touring for summer camps would be the most rewarding and enriching thing I do all year. It was long and exhausting but every single day God did amazing things in our lives! Our God is so good. It doesn't matter where you are at...our God is chasing us down, meeting us face to face, and pouring out His love for us everyday. Just seek and you shall find."

Shawn Hirst

"One of my favorite parts of #summerteams18 was this moment in Nebraska when we hiked, had worship, and a message up at the top of a rock while watching the sunset. It was such a pure moment and made us stop and really soak in the beauty that God has created...You can experience His presence anywhere and with anyone, or no one around."

Abreena Knudsen

"We have traveled from camp to camp just pouring into student's lives and digging into what God had to offer and seen some incredible things. We have had lots of laughs, tears, and times of excitement. I could not have asked for a better team to serve alongside."

WOMEN'S BASKETBALL

"Playing at Trinity has helped prepare me for life by giving me the tools to manage my time well and overcome obstacles in my path not only on the court but with life in general."

"I've learned I have coaches and teammates I can go to at anytime. They are encouraging and trustworthy. I've learned to apply the advice others give me and always find the positive out of difficult situations. We are not just a team we are a FAMILY."

SERVE OUR CITY

"Serve Our City is one of the heartbeats of student ministries. We as a school community serve our local community in a variety of ways, showing both our community and our students that we are invested in what happens locally."

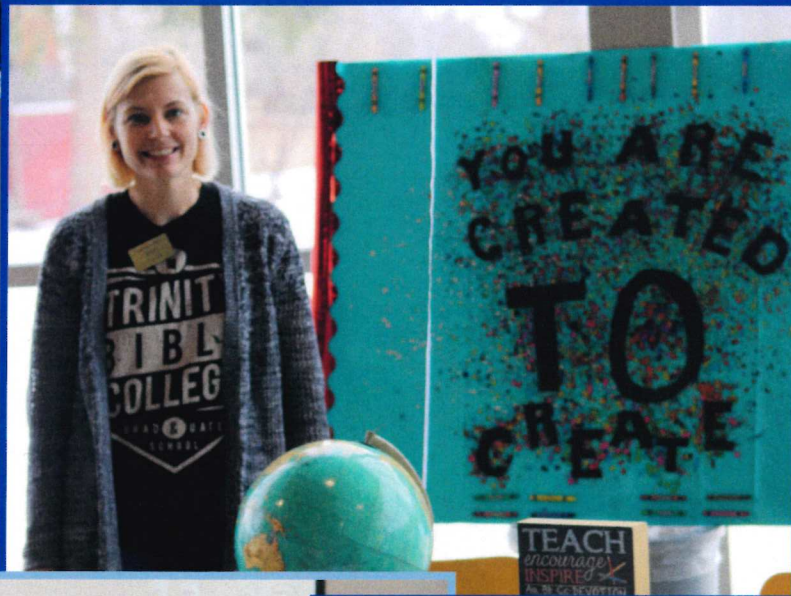

Garrett Freier

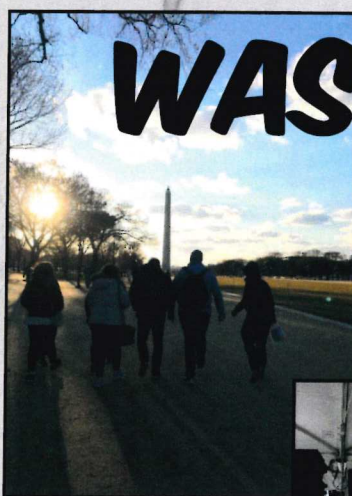

COLLEGE DAYS

"We not only love our community here at Trinity, we also tremendously love the students of our surrounding districts. Every Fall and Spring we host students from dozens of states looking to explore Trinity as a college option. We try to be great hosts in our dorms, classrooms, dining tables, and chapel. We hope to show our love through great hospitality and an opportunity to encounter Jesus on our campus."

After three days of attending the annual Society for Pentecostal Studies meeting (not really a part of the GO trip, though), the team visited and worshiped at one of the campuses of the National Community Church. We also visited the Holocaust Museum, some of the Smithsonian's, the National Archives, and Arlington National Cemetery. The team led worship twice at David's Tent, once in the early morning hours of the Night Watch. Since September 2015, David's Tent has been conducting 24/7 worship right on the National Mall.

Leader:
Twyla Kuntz

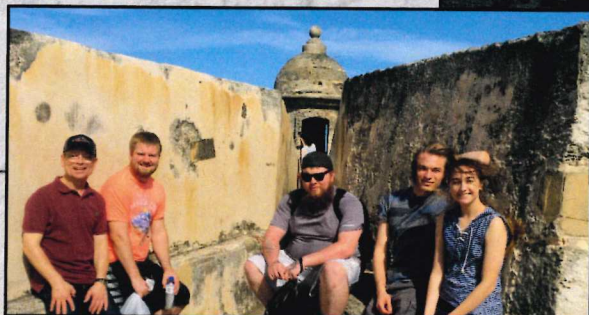

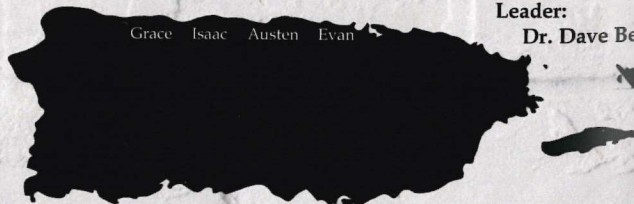

The Spain Go Team worked with missionary Jacob Bock and his ministry, "On The Red Box", which does street evangelism in the heart of Madrid - a bustling city center called "Puerta del Sol." Through training workshops, the team received a greater revelation of the Gospel message and strategies of how to share that message in a post-Christian society, such as Europe. Each team member engaged in sharing the Gospel with dozens of people on the street and also preached or gave a testimony standing "On The Red Box." It was a life-changing week as the Gospel came to life inside us!

PUERTO RICO

Grace Isaac Austen Evan

Leader:
Dr. Dave Bennett

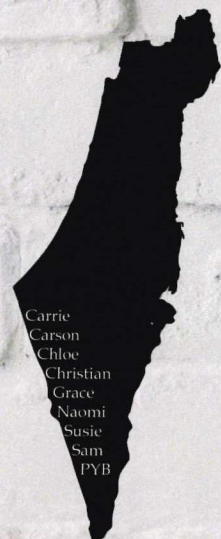

The Puerto Rico Go Team served with Shining Bright International in painting three buildings on the campus of the Caribbean Theological College in Bayamon, PR. We painted the exteriors of the men's dorm and the administrative offices, and the interior of the chapel. We also helped prepare a new campus in the rainforest for future large teams.

REGIONAL

Leader:
Dave Jacob

The Regional Go Trip team had a simulation of a day in the life of a missionary, volunteered at Project Ignite Light, painted in both the men's and women's dorms, cleared sidewalks of snow, and visited the mosque in Fargo where we had many conversations with Muslims.

ISRAEL

Leaders:
Aaron Thurber
Mary Beth King

On our trip to Israel, we greatly enjoyed learning about other cultures and religions and seeing the land where the Bible took place! For the first half of our trip, we toured many Biblical sites in the northern region of Israel, Galilee, where Jesus grew up and began His ministry. Later, we visited the city of Jerusalem and explored places related to Jesus' crucifixion and resurrection.

CALIFORNIA

Leaders:

Alex & Stacy Johnson

So Cal Go Team was based out of Trinity Lutheran Church in San Pedro, CA. We traveled up and down the coast, participating in land restoration, a walk to raise human trafficking awareness, and street evangelism by handing out "kindness bags". We also participated in Ash Wednesday service, shared testimonies in youth group, and painted/cleaned around the church. We had a great time sharing our love for the Lord and enjoying God's creation.

BOLIVIA

The Bolivia teams spent their time constructing furniture and leading VBS and school assemblies along with leading youth group, family night and hosting Pastor Kids appreciation night. The day were long, but worth it as we saw how much each item and event meant to the kids of Cochabamba.

HAWAII

Leader:
Dr. Ben McIntosh

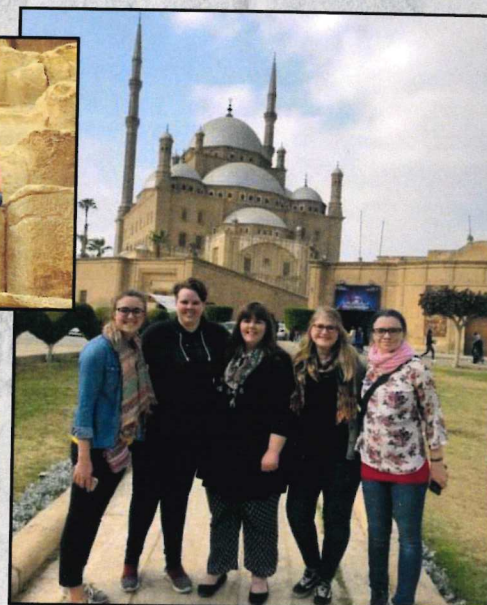

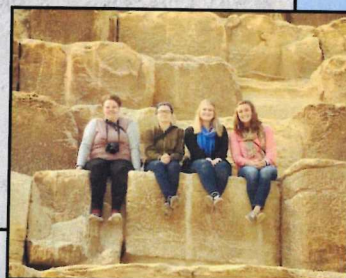

Go team Hawaii definitely had to be flexible. A lot of our original plans fell through, but we were still able to work with three separate organizations that help with the homelessness problem in Oahu. We helped serve meals, pray over clients while learning about their stories, and assist in taking care of outdoor maintenance. We also got to learn about Hawaiian culture and history through our time at Pearl Harbor and a traditional Luau.

EGYPT

Leader:
Kirsti Brockschmidt

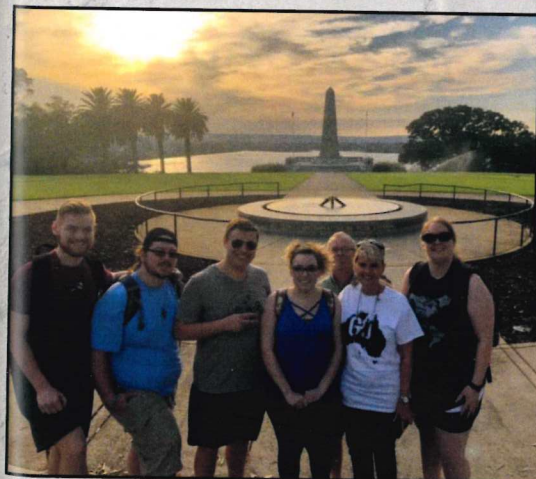

The trip to Egypt is all about building bridges between people and their culture. Each city and village we visited is filled with a rich history, diverse culture, and the kindest, most hospitable people you will come across. Here we get to meet with locals sharing our differences, while also finding that we are actually all quite alike. We visited Cairo, Alexandria, Luxor & Aswan the Great Pyramids...Swam in the Nile River, saw the Mediterranean Sea...just to name a few. It's an honor to be here and shine the light of Jesus in a place that does not yet know him.

AUSTRALIA

Leaders:
Drs. Paul & Carol Alexander

Stretching, challenging, and life-changing. The Australia team helped out at CRC (Christian Revival Church), laying carpet and cleaning. We also participated in a couple different forms of evangelism, from meeting people on a college campus, to meeting them on the street. At Caversham Wildlife Park we experienced local wildlife. It was an all around amazing trip meeting so many phenomenal new people and growing in our understanding of the heart of God.

MARK 12:31

This process has been a journey and I couldn't have done this on my own...so thanks are in order.
Garrett for asking me to make a yearbook...Amy for keeping me going and semi-sane.
Elizabeth & Maggie for pictures and graphics...Elise Hess for beautiful senior portraits.
Yearbook photographers & core team for putting up with me and a new process.
Belle & Gwen for sharing me with this project...Col. 3:23.
Alex...there is not enough space...for everything you do...thank you.
Trinity community...for the honor of documenting a year of your life.

I love to look back and see what the Lord has done in my life. The problem is that my memory often fails me. Special and everyday moments alike fall prey to the rotation of the globe. This is why I was so passionate about this yearbook. As the years pass by, I hope you can look at this book and remember. Remember classes. Remember people. Remember events. Remember joys. Remember sorrows. Remember lessons learned. Remember bridges crossed. Remember goals reached. Remember that through it all...the Lord was here. Remember His faithfulness. Then...remember and move forward. Remember and have courage. Remember and trust the Lord. Remember and impact the world. It has been an honor to become family. This place is special. Soak it all in and remember...
